

# SOME COMMON SENSE GIFTS

Every holiday season marks an increase in the number of people who give gifts of real usefulness. Certainly such things better convey your good will than the "frillery" that commonly passes for holiday goods. Why not give sensible, practical gifts this year and get them where you can depend upon getting good, reliable goods without having to pay the usual "holiday" prices. Check these items over then come in and see how far we can make your money go.

## INCREASE IN INSURANCE RATES

The recent serious conflagrations in Summerside as well as the heavy losses sustained by the Insurance Companies at Charlottetown at the Saint Dunstan's Cathedral and other fires and by large fires in Souris, Tignish and other numerous losses throughout the Province in recent years, have caused the Underwriters to look upon Insurance business in P. E. I. with anxiety.

In addition to these large losses, the taxes imposed in this Province upon the Insurance Companies, the recent increase in the Provincial Government Tax of One-Third for War purposes and a heavy War Tax imposed by the Dominion Government all bear very heavily and the Companies have found it absolutely necessary to increase their rates in P. E. Island as well as elsewhere.

At a meeting of the Board of Fire Underwriters yesterday morning instructions were given, to increase all premiums throughout the Province by fifteen per cent. to take effect at once and on all renewal business from and after the first of January, 1917.
