**Hon. M. W. Wood  
 Returns From  
 Newfoundland**

Hon. M. W. Wood returned on  
 Monday by the S. S. Silvia from  
 St. John's, Newfoundland, where  
 he had been on business and pleas-  
 ure combined. Mr. Wood reports  
 having had a delightful time, and  
 was very much impressed by what  
 he saw of the ancient colony.

He left here on July 25th by  
 the S. S. Belle Isle, via St. Peter's  
 Canal, and Bras d'Or Lakes, arriv-  
 ing at St. John's on Friday, July  
 29. Immediately after getting  
 ashore, Mr. Wood made business  
 connections, and afterwards went  
 on tours in various directions. The  
 crops appeared to be good, and  
 farmers optimistic. The produce  
 grown included potatoes, turnips,  
 and other vegetables, but very  
 little grain. Pasturage was  
 not too good, but there  
 was plenty area for the cattle to  
 feed upon. Mr. Wood never ex-  
 perience greater kindness than he  
 had from the Newfoundlanders.  
 They did not seem able to do  
 enough for him. He remained there  
 for eight or nine days, and then  
 embarked to return on the S. S.  
 Silvia. Business conditions appear  
 fairly satisfactory, and most peo-  
 ple were fully employed. But when  
 all is said and done, Mr. Wood con-  
 sidered the Newfoundlanders very  
 much better than appearance it seemed  
 to him. The Newfoundlanders could  
 do much better agriculturally if  
 they took greater interest in their  
 land and its developments.

**Delightful Evening  
 At St. James Hall**

Rarely have our people been priv-  
 ileged to listen to a musical treat  
 such as that presented at St. James  
 Hall, when Mrs. Hazel Brenner  
 Lord, contralto, (formerly of this  
 city), and Miss Lucile Brown, so-  
 prano, both of the quartette of the  
 First Parish Unitarian Church of  
 Fitchburg, Mass., gave such a de-  
 lightful musical recital as that ren-  
 dered on last Tuesday evening. Such  
 a vocal combination is seldom heard  
 here. The tones of both soprano  
 and contralto were full of charm  
 and all that could be desired in a  
 program of classical as well as lighter  
 music. In the rendition the  
 singers were more than capably as-  
 sisted by the pianist, Mrs. Keith  
 Rogers who played all the accompani-  
 ments as should a true artist.

The program, which was all too  
 short for the enthusiastic and ap-  
 preciative audience was repeatedly  
 encoored and consisted of the fol-  
 lowing numbers:

**Treating Hair Dry  
 From Summer Suns**

**HOW TO PUT BACK THE OIL  
 INTO YOUR SCALP**

If the summer sun has been re-  
 moving the oil from your hair, put  
 it back again.

Hair that isn't possessed of en-  
 ough oil can't shine and be a bless-  
 ing to you, you know.

Maybe you are nervous. If so,  
 your scalp grows dry and tight.  
 Loosen it up. A good hot oil sham-  
 poo is the thing that you need.

Part your hair, bit by bit, all over  
 the head, and dip a pad of cotton  
 into olive oil that you have heated.  
 Massage your scalp with the oil.  
 You will feel it penetrating the  
 scalp, and the muscles will relax  
 under its spell.

Then massage your scalp, easily  
 but firmly, until it is pliable and  
 easy to rotate. Never let it get "set."  
 Work it every night so it can't now  
 go to bed, leaving the oil to get in  
 eight or 10 hours of necessary work.

In the morning shampoo your  
 head with a pure castile soap that  
 has been shaved and heated in  
 water until it is smooth as syrup.

**TEENY TEE SHAMPOO**

The liquid soap should be applied  
 while hot. Wash your hair through  
 three suds. Rinse thoroughly, over  
 and over again. Use cold water for  
 the last rinse.

Rub your hair with old towels un-  
 til you have eliminated as much of  
 the moisture as possible. Let the  
 sun and wind blow out the rest.  
 Stay out of drafts, and don't go  
 in the burning sun. You don't want  
 the sun to burn up your scalp a-  
 gain. But from some comfortable  
 vantage spot where the air is mel-  
 low and a breeze ripples just enough  
 you should receive all the help you  
 will need.

**BEDEQUE**

A very interesting game of base-  
 ball was played at the Central Be-  
 deque rink on Wednesday evening  
 when the Borden "Nationals" took  
 home the bacon in a friendly game  
 to the tune of 9-6 from the Read  
 Corner "Tigers." There were ap-  
 proximately four hundred present  
 at the game, which was a credit to  
 both teams for their good play-  
 ing and their sportsmanship. Pau-  
 quet the Southpaw Borden pitcher,  
 pitched a great game for the win-  
 ning team, ably supported by Mac-  
 Pherson and Stull at first and se-  
 cond respectively. Ray Crozier play-  
 ed a fine game for the "Tigers," also  
 his brother, Roland, who made a  
 nice catch putting two out on the  
 play, not forgetting the good work  
 of Dickie Schurman and Nicholson.  
 Baseball has certainly been taken  
 up splendidly by the boys around,  
 and it always proves an ideal sport  
 and recreation.

Congratulations are heartily ex-  
 tended to Mr. and Mrs. Stewart  
 Moase, New Annan, on the arrival  
 of a bonnie wee lassie.

At the Bedeque-Freetown Troop  
 of Boy Scouts Camp, the following  
 presentation of 2nd Class Badges  
 was made to the following: Scout  
 Douglas MacFarlane; Ambulance  
 Badges to Scouts Ira Lewis, George  
 Lewis, Horace MacFarlane, Ralph  
 MacFarlane, Robert Jardine, Allen  
 Clow and Walter Paynter. Horse-  
 man Badges to Scouts Norman  
 Clow, Robert Burns, Walter Paynter,  
 Allen Clow, Robert Jardine,  
 Ralph MacFarlane, Horace Mac-  
 Farlane, George Lewis and Ira  
 Lewis. Five or six boys completed  
 the work for their first class  
 Badge. The Provincial Commissioner  
 Rev. G. T. Spriggs, visited the  
 Camp and complimented them on  
 its Scouty character and spirit. He  
 made particular mention of the  
 many useful gadgets and construc-  
 tions. Rev. Mr. Spriggs also assist-  
 ed at the investiture of Scout  
 Keith Leard and made a formal  
 presentation of the Gilwell Badge  
 and Beads. The Scouts have cer-  
 tainly made a splendid showing  
 during the past year as they have  
 most successfully passed in their  
 class work and received their badges.  
 18 Scouts enjoyed the camping hol-  
 iday. Rev. A. G. Crowe, Scoutmas-  
 ter, assisted by Mr. J. B. Lewis of  
 Freetown, are the efficient leaders.

A regrettable car accident occur-  
 red on the Bedeque road on Wed-  
 nesday evening, when Mr. and  
 Mrs. Edward Sherry of Chelton  
 were driving along the road with  
 horse and wagon, in some unfor-  
 tunate way, a Pontiac car driven  
 by Mr. George Henderson of Fern-  
 wood, struck the wagon, throwing  
 Mr. and Mrs. Sherry to the  
 ground. Mr. Sherry was the victim  
 of a severe cut on the side of the  
 face, while Mrs. Sherry received a  
 severe shaking up with minor  
 bruises. Mr. Sherry was immedi-  
 ately taken to the doctor where it was  
 found necessary to insert several  
 stitches to close the wound. The  
 wagon was also damaged. Mr.  
 Sherry was resting as comfortably  
 as could be expected at the latest  
 report.

Miss Dorothy MacDowell, cashier  
 of the Metropolitan Store, Char-  
 lottetown, has returned to resume  
 her duties after a very enjoyable  
 holiday with her parents, Mr. and  
 Mrs. John B. MacDowell.

Mr. Walter Moase of New Annan,  
 spent the week end very pleasur-  
 ably in Burlington, the guest of his  
 friend, Mr. Everett Cousins.

Mrs. William Macintosh enter-  
 tained the members of the Rose  
 Valley Women's Institute at her  
 lovely home on Wednesday even-  
 ing. The roll call was as follows:

**By eleven members and three  
 visitors. The subject discussed was  
 the care and training of children.  
 Papers were read: "How Does  
 Home Management Affect Child  
 Welfare?" given by Mrs. William  
 Cousins. "To Spark or Not to  
 Spark," by Marion Clow. Commit-  
 tees remain as at previous meeting.  
 The school committee reported  
 having visited the school once.  
 Several things were needed for  
 school improvement, the most im-  
 portant being new blinds as those  
 in use are old and torn. The sick  
 committee reported one elderly in-  
 valid lady having been visited.  
 The program committee vacated.  
 The next regular meeting will be  
 held at the home of Mrs. William  
 Cousins on August 10th, Roll Call  
 to be answered by "A Book I Have  
 Recently Read and Enjoyed." A  
 special meeting will be held at  
 the schoolhouse on Friday evening  
 to arrange some new business  
 which has recently been undertak-  
 en. The meeting was brought to  
 a close with the singing of the Tri-  
 stitute Ode. A dainty lunch was  
 served by the hostess and a social  
 half hour spent.**

The donation of a lovely "cup"  
 by Messrs. Heath Strong and Hugh  
 Morrison of Summerside, for the  
 champion tug of war team in the  
 fourth electoral district of Prince  
 County, has been a very pleasing  
 proposal to the men of this and  
 the neighboring districts. The mem-  
 bers of each team will be confined  
 to their own polling district, and  
 all matches are to take place in  
 the Central Bedeque rink. The  
 teams wishing to compete are sup-  
 posed to send their entries to Mr.  
 Henry S. Calbeck, Central Bede-  
 que. The appreciation of the entire  
 neighborhood is extended to Messrs.  
 Strong and Morrison for their gen-  
 erosity and it is hoped that all  
 teams will enjoy this privilege in  
 joining in a good old fashioned  
 sport and that it will be carried  
 out like a sportsman's game.

Mrs. John Schurman and Mrs.  
 William Schurman of North Bede-  
 que, recently spent a few days, with  
 friends and relatives in Norboro.

The many friends of Miss Lilian  
 Sobey of Wilno, Valley, will  
 regret to hear of her having en-  
 tered the Prince County Hospital  
 to undergo treatment. Friends join  
 in wishing her restored health  
 soon again.—B.

**Mr. Baldwin Poses**

Some of the photographers at Ot-  
 tawa were surprised at the readiness  
 of Rt. Hon. Stanley Baldwin to pose  
 for newspaper pictures. As soon as  
 the English statesman saw the cam-  
 eramen approach he greeted them  
 with a smile.

Most of the really great men  
 are like that. It is only the ones  
 who think they are important that  
 try to make a fuss about their pic-  
 tures being taken. And those same  
 chaps are usually anxious to get  
 their pictures right on the front  
 page.

**Crowd Expected  
 At Northam**

Dr. F. W. Christopher of Boston  
 who is now visiting the Island was  
 in the city yesterday and called to  
 see the Guardian en route to Mon-  
 tague races. Dr. Christopher is a  
 keen horseman and a well-known  
 authority on racing. He came from  
 Milligan and Morrison's race track  
 at Northam and was enthusiastic  
 about it. The Doctor has seen night  
 racing in progress in the States  
 and does not see why similar racing  
 should not be a complete success  
 here. Everything he says, is in ship-  
 shape condition for a successful  
 meet, poles and wire being installed,  
 and, if the weather con-  
 tinues good there should be a large  
 crowd in attendance.

**EXCLUSIVE PARIS HAT  
 MODELS GETS PROTECTION**

PARIS, Aug. 10.—Protection a  
 gainst copies of exclusive hat mod-  
 els being sold as originals under  
 false house names will be assured  
 to the leading Parisian hat design-  
 ers and their clients by a state stamp  
 on the name tabs, it was announced  
 yesterday. Temporarily a paper  
 stamp will be affixed to the tab,  
 but arrangements are being made to  
 permit the state stamp to be work-  
 ed into the material. Thus future  
 forgers of tabs will be exposed to  
 the heavy penalties attaching to the  
 counterfeiting of state stamps.

The measure is sponsored by the  
 Protection Artistique des Industries  
 Saisonnieres, representing 21 Paris  
 houses and 17 American distributing  
 houses. It is hoped later to extend  
 the system to other products of  
 fashion designers.

**SETH BULMER**

SACKVILLE, Aug. 9.—Seth Bul-  
 mer, a lifelong resident of Frosty  
 Hollow, passed away on Saturday  
 afternoon. He was born October  
 27, 1848, a son of the late George  
 M. Bulmer and his wife Lavinia  
 Merrill. He was educated at Am-  
 herst Academy and settled on the  
 homestead, where he was engaged  
 for many years in farming and also  
 in running a flour mill. He was a  
 member of St. Ann's church, West  
 Sackville, and was Warden for  
 about 25 years. His wife died about  
 nine years ago. They had no family  
 but adopted several children. An  
 adopted son, Lester Bulmer, is man-  
 ager of a branch of the Bank of  
 Nova Scotia in P. E. Island. He  
 leaves one sister, Mrs. Daniel Mc-  
 Quarrie, of Moncton, also several  
 nephews and nieces, including Rev.  
 A. W. Teed, Mount Whately, F. J.  
 Teed and Mrs. McGrath, Dorches-  
 ter, Hector McQuarrie, of the C.N.R.  
 staff, Moncton, and Miss Rennie  
 McQuarrie, also of the C. N. E.  
 staff, Moncton. While his health  
 had been failing for some time, he  
 had been able to be around as usual  
 until the last few days.

The funeral service was held yester-  
 day at St. Ann's church, West  
 Sackville.

Mrs. Craggs, to her husband:  
 "What is a canard?" Mr. Craggs:  
 "A canard is something one can-  
 ardly believe!"

**ITS JUST ONE FAMOUS FACE  
 AFTER ANOTHER FOR HIM**

Canadians cannot be said to  
 have the toughest beards in the  
 world and the laurels for such wry  
 facial adornments might just as  
 readily go to Englishmen, Australians  
 and Irishmen, if one exclude  
 certain primitive specimens to be  
 found in various parts of the world  
 according to P. E. "Red" Tasse, vet-  
 eran tonsorial artist of the Chateau  
 Laurier Hotel at Ottawa, and he  
 ought to know since his artistry  
 at this hotel de luxe brings him  
 face to face with many of the  
 world's celebrities and others who  
 come from all parts of the civiliz-  
 ed world.

Just now "Red's" job is to start  
 the day off on the right foot for  
 many of the statesmen who are  
 attending the Imperial Economic  
 Conference and so it is just one  
 famous face after another for him.  
 The "honor for the toughest beard  
 of his tonsorial career goes to one  
 of the English delegates. "Red" de-  
 clares.

**RAG-PICKER LEFT  
 \$2,000,000 ESTATE**

CHICAGO, Aug. 8.—William H.  
 Kearns, an obscure rag-collector,  
 died a millionaire.

This was revealed today when a  
 brother and sister filed a \$2,000,000  
 bond pending disposition of the es-  
 tate. Kearns, who died intestate  
 at the age of 70, left stocks and  
 bonds amounting to \$1,000,000.

There is a difference in an in-  
 tentional and an unintentional mis-  
 take—but none in the consequences.

**THE LITTLE TROUBLES OF  
 NEIGHBORS**

TORONTO, Aug. 10.—(By The  
 Canadian Press)—J. V. McAree in  
 the Mail and Empire says:  
 "In the city quarrels between  
 neighbors can be ended speedily.  
 One family ceases to visit another.  
 In extreme cases, the police will  
 intervene. In the Winter-bound  
 farm country there are no disas-  
 tered police. Nor in the city are  
 there such causes of offence,  
 which discussed and mulled over  
 and exaggerated, with no other  
 thought to interrupt, no other per-  
 sons to bring perspective, or sanity,  
 become obsessions. There are the  
 fences that the cattle break  
 through. There are nerves brought  
 on by hard toll. There are the  
 dogs that worry the sheep. There  
 is the slatted pig, the thrown ball  
 and the broken glass. There is the  
 borrowed scythe returned with a  
 nick.

"We remember a good friendship  
 between neighbors broken because  
 one woman lent another woman a  
 cupful of baking powder; which the  
 other woman returned in time  
 with a tablespoonful of her own  
 brand and the explanation that the  
 borrowed scythe returned with a  
 nick."
