BOY'S HEAD ONE SOLID SORE

Hair All Came Out and He Suffered Very Much—Under Doctor Three Months and No Better—Permanently Cured at Small Expense.

CUTICURA REMEDIES WORK WONDERS

Mr. A. C. Barnett, proprietor of a general store in Avard, Oklahoma, tells in the following grateful letter how Cuticura cured him and his son of terrible eczemas:

"My little boy had eczema. His head was one solid sore, all over his scalp; his hair all came out, and he suffered very much. I had a physician treat him, but at the end of three months he was no better. I remembered that the Cuticura Remedies had cured me, and after giving him two bottles of Cuticura Resolvent, according to directions, and using Cuticura Soap and Ointment on him daily, his eczema left him, his hair grew again, and neither he nor myself have had any eczema since.

As to his own case, Mr. Barnett says: "I suffered with eczema, a burning, itching, breaking out on my face for more than a year. I took treatment from physicians for several months, which did no good. I was then advised to try Cuticura. I took six bottles of Cuticura Resolvent, and used Cuticura Soap and Ointment freely every day. I began to improve soon after starting to use them, and when I had taken the six bottles of the Resolvent my face had become clear, I had good color, and all eruptions had left me.

"We use the Cuticura Soap and Ointment in our family now for general use, and it keeps our skin soft and healthy. I cheerfully recommend the Cuticura Remedies for all cases of eczema. (signed) A. C. Barnett, Avard, Oklahoma, Mar. 30, 1905."

Complete External and Internal Treatment for every Humour, from Pimples to Scrofula, from Infancy to Age, consisting of Cuticura Soap, Ointment, and Resolvent (also in form of Chocolate Coated Pills, in vial of 60), may be had of all druggists. A single set often cures. Potter Drug & Chem. Corp., Sole Props., Boston, Mass., U. S. A.

GREAT BRITAIN'S FIRST STEAMSHIP

LONDON, Aug 4—When the Lusitania took its first plunge into the waters at the Clyde it could have carried unseen on a corner of its deck the first steamship built in Britain. The Clyde claims both as its offspring, says the London Chronicle, The Comet, constructed by Mr. Henry Bell, flashed its four shovel-shaped paddles on each of its four wheels in the year 1812, and carried on its deck of forty feet by ten as many passengers as its three horse power could negotiate. The Comet was so conspicuously successful that two or three more boats of a larger capacity were immediately built, and the citizens of Glasgow became the envy of mankind. Mr. Lawrence of Bristol determined that England should not be left behind in the race, tried one on the Severn, and was so delighted with the result that he steamed with it up the Thames, intending to reap a harvest from city men on their way to and from business. He overlooked the Company of Watermen, who made such a fuss about this inhuman competition that Mr. Lawrence and his steamship fell back to the Severn. From 1813 to 1823 no vessel was built in Britain of a greater tonnage than 330, the average being only about sixty. The Lusitania of those days was the Atlas, decribed by the contemporary press is the "largest vessel ever built." She was impelled, says an enthusiastic reporter, by "three mighty engines of 100 horsepower each." This gigantic vessel (which could be stowed away quite comfortably in the hold of the Lusitania) was built at Rotterdam and launched in the summer of 1828.

DREYFUS.

By Edwin Markham, author of "The Man With the Hoe," and other poems. (Published from McClure's Magazine.)

I.

A man stood stained: France was one Alp of hate.
Pressing upon him with the whole world's weight:
In all the circle of the ancient sun
There was no voice to speak for him—not one.
In all the world of men there was no sound
But of a sword flung broken to the ground.
Hell laughed its little hour; and then, behold
How, one by one, the guarded gates unfold!
Swiftly as sword by Unseen Forces hurled
And now a man rising against the world!

II

Oh, import deep as life is, deep as time!
There is a Something sacred and sublime
Moving behind the world's, beyond our ken,
Weighing the stars, weighing the deeds of men.
Take heart, O soul of sorrow, and be strong!
There is One greater than the whole world's wrong.
Be hushed before the High, Benignant Power
That moves wood-shod through sepulchre and tower!
No truth so low but He will give it crown;
No wrong so high but he will hurl it down.
Oh, men that forge the fetter, it is vain;
There is a Still Hand stronger than your chain.
'Tis no avail to barg in, sneer, and nod,
And shrug the shoulder for reply to God

SUMMER RAILROAD BROOKLETS.

The most elaborate and beautiful of the season's railroad books is one issued by the Grand Trunk Railway System to celebrate the recent tour of His Royal Highness Prince Arthur of Connaught through the provinces of Ontario and Quebec. The cover is a decorative arrangement of lettering and coats-of-arms embossed in blue, red and gold. But even the artistic quality of this feature scarcely prepares one for the wonders of the illustrated contents. There are 52 pages of reading matter and time-tables, finely printed on heavy, rough, deckle-edge stock, while interspersed are 16 pages of reproductions in colors, printed on coated paper and pebbled. The result is an art exhibit of great attractiveness, the color work demonstrating the possibilities of modern processes.—PROFITABLE ADVERTISING, Boston, July, 1906.

for Ozone and pledge you our word that it contains no alcohol nor drugs of any kind, just gas held in solution. We know that our preparation is purer than any other make, because every drop is allowed to mature in our laboratory for three months before it is shipped. We also know that Commercial Ozone being an astringent preparation should always be taken with Celery King, the well known tonic laxative. This is the only way to cure germ diseases permanently. The Celery King costs you nothing, because with each purchase of Solution of Ozone you receive a coupon entitling you to one full sized 25c package of Celery King free of cost. BUSINESS LOOKS MUCH IMPROVED

NEW YORK, Aug. 4—Bradstreet's state of trade tomorrow will say:

Sentiment in general seems to have become decidely more optimistic, practical assurance of heavy crop yields, the growing buoyancy of the iron and steel industry, and the relatively heavy volume of orders booked in general lines for fall and winter requirements being the principal stimuli.

Business failures for the week ended August 2 number 170 against 178 in the like week of 1905.

Fall trade is liening up in Canada and stimulated by good crop prospects and high prices for farm produce, the outlook seems to be good throughout the dominion.

Clearings are large for a mid-summer period and failures are few and less damaging.

Weekly failures number twenty-eight s against twenty-five in this week a year ago.

About Female Ailments.

Not Hard to Cure if Properly and Promptly Treated.

Ask any intelligent physician what causes nine-tenths of all female diseases even including anaemia, nervousness and consumption.

Back comes the answer quick and sharp, "Constipated Bowels."

There is scarcely a single female ailment that had not in its earlier stages symptoms of constipation.

How much better off the system is without the poisonous accumulations caused by constipation. How much clearer the complexion, how much fresher one feels when the system is pure and clean.

Think it over yourself.

Isn't it apparent that a bowel regulator and liver stimulant like Dr. Hamilton's Pills is sure to do good?

Gay spirits, good looks and happy health have returned to many a sick woman through Dr. Hamilton's Pills.

Better get a few boxes today; purely vegetable, free from injurious ingredients, healthful and antiseptic, Dr. Hamilton's Pills will assist you in a thousand ways.

As delay is always dangerous, your plain duty is to follow the example of Mrs. F. Rowe, who sends the following letter from Gravels, Port Au Port, Newfoundland: "Four years ago I got kidney and bladder trouble. I thought it was 'female trouble' and treated it accordingly. Even my doctor in St. John said it was so. "In reading about Dr. Hamilton's Pills I noticed symptoms like mine and I bought six boxes. These pills went right to work on my sick condition and helped me from the first. My supposed female trouble, which was bladder disease, was cured. My weight increased eight pounds and never before was I as well as today. Dr. Hamilton's Pills did it all."

All dealers sell Dr. Hamilton's Pills, 25c per box or five boxes for $1.00. By mail from N. C. Polson & Co., Hartford, Conn., U. S. A., or Kingston, Ont.

BIG ATTRACTIONS.

Barlow's Famous Trick Elephants from the N. Y. Hippodrome; Wormwood's Animal Theatre—direct from Europe; Montague's Cockatoo Circus—this season's feature at Atlantic City. These are the attractions at the Hippodrome at the St. John Exhibition Sept 1st to 8th and none better were ever gathered in one Amusement Hall before.

DOM. COAL OUTPUT

SYDNEY, N. S., Aug. 4—The approximate output of the Dominion Coal Company collieries of the month of July was 316,000 tons.

Owing to the scarcity of labor at the mines, the output is a great deal smaller than was expected. It is the biggest month of the year.

NO SATISFACTION IN EATING.

Food does you no good. You can't digest—consequently you're afraid to eat; tongue is coated, mouth tastes bad, stomach is bloated. Pretty soon you'll be overcome by weakness and nervous prostration.

Best prescription for your condition is Dr. Hamilton's Pills of Mandrake and Butternut. For dyspepsia and indigestion it is doubtful if a better remedy will EVER be devised. These pills bring new strength and vitality to the stomach and digestive organs; they build up the general health and instill such vim and resisting power into the system that sickness is impossible; try Dr. Hamilton's Pills.

Gasoline Engines.

We are agents for the celebrated Fairbanks, Morse Marine, Stationery and Portable, Gasoline Motors, which are used by the Dominion Government in all fog alarm stations, not equipped with steam. These engines are built by the same firm as the world renowned "FAIRBANKS SCALES."

We also sell "The Tuttle" Two Cycle Motor which has also a first class reputation it being extensively used in United States. Each of these engines have advantages for different situations. We have samples of each set up at our works, and will be pleased to show them working to intending purchasers, and will explain each part in detail, the great advantages these engines have over all others is ECONOMY IN GASOLINE.

Persons contemplating installing Gasoline Motors will gain reliable information by calling on or waiting us.
