

The Western Guardian

—IT PAYS to buy in this Province.

—WELL PATRONIZED.—There is a great deal of sickness around Summerside this spring. The Hospital ambulance was out several times last week conveying patients to and from the Prince County Hospital.—H.

—TO CORRESPONDENTS.—Owing to the increasingly heavy demands on space, The Guardian cautions its correspondents to be as brief as possible in their contributions. Only Real News will be inserted.

—THE S. S. CASCAPIEDIA from Montreal arrived in Summerside at 6 o'clock Monday morning with one of the largest cargoes she ever brought to this port. They saw no ice on the way down. After unloading the freight for here she will proceed to Charlottetown and Picton.

—WELCOME EMPRESS.—Large crowds of Summerside people were at the Railway wharf on Sunday to see and welcome the good steamer Empress, which arrived here a little before noon. The officers report heavy ice from Charlottetown to Cape Traverse; however, the ice is clear from Summerside to Point du Chene.—H.

—RESOLUTION.—Following is the text of the resolution adopted by the Liberal-Conservative Convention at Summerside on Saturday.—Moved by Hon. J. E. Wyatt, seconded by Hon. Charles Dalton: Resolved that we, the Liberal-Conservative Association of Prince Co. in convention assembled tender our hearty congratulations to our esteemed leader the Right Honourable Sir Robert L. Borden on the distinguished honor conferred upon him by His Majesty the King in elevating him to the dignity of knight-hood, and we place on record our admiration of the statesmanship displayed by him in the conduct of the affairs of Government in our present most trying and critical circumstances and his policy of protecting the public assets and resources of Canada as well as his scathing denunciation of graft, and further, we wish to convey to him our deep appreciation of the magnanimous manner in which he is dealing with our Province in regard to the terms upon which we entered confederation, and assure him of our continued confidence in his leadership.—X.

MRS. BEIDEL TELLS WOMEN

How Lydia E. Pinkham's Vegetable Compound Kept Her in Health for 14 Years.

Shippensburg, Pa.—"It was several years ago that I started taking Lydia E. Pinkham's Vegetable Compound. I then suffered terribly every month. My husband bought me a bottle of it and it helped me right away. Then after my second child was born I had a female trouble very badly and I used Lydia E. Pinkham's Vegetable Compound and in a short time was cured and have been in excellent health since. I always praise the Compound whenever I have an opportunity as I know it helped me and will help others. Lately I have given the Compound to my daughter and I wish all suffering women would take it and be convinced of its worth."—Mrs. JAMES A. BEIDEL, 113 N. Penn Street, Shippensburg, Pa.

Lydia E. Pinkham's Vegetable Compound, made from native roots and herbs, contains no narcotic or harmful drugs, and to-day holds the record of being the most successful remedy for female ills we know of, and thousands of voluntary testimonials on file in the Pinkham laboratory at Lynn, Mass., seem to prove this fact.

If you have the slightest doubt that Lydia E. Pinkham's Vegetable Compound will help you, write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass., for advice. Your letter will be opened, read and answered by a woman, and held in strict confidence.

Never Be Without Herbine Bitters

CONTAINS the active principles of Dandelion, Mandrake, etc. and is an old-fashioned remedy that has been on the market over 50 years and cannot be displaced because of real merit.

As a Blood Purifier—a cleanser of foul stomach and tongue—cure for headache and biliousness it has no equal.

Specially valuable at this time of the year when the blood is sluggish from indoor living.

—THE MORNING DAILY Guardian can be obtained at LaFerty's Tonsorial Parlours, Summerside.

—A MEETING of the Summerside Driving Club will be held in the office of the Globe Fox Exchange on Wednesday evening, May 5th, at 8 o'clock. 9798-m11.

—AT MALPEQUE.—Rev. D. MacLean will preach in Malpeque on Sabbath 9th May, morning and evening, at the usual hours, and declare the pulpit vacant by appointment of Presbyter.

—TIMOTHY SEED.—Ottawa tests on our Island Timothy Seed cleaned by our "Clipper Cleaner" classed it as Extra No. 1, which is the highest grade there is. Our price on this is the same as others. Ask for ordinary No. 1 Seeds, viz. 12c. per lb. We have also the well known Pine Tree imported Timothy at 10c. per lb. Send your order promptly. Phone if more convenient. R. T. HOLMAN, LIMITED, Summerside. 9765-5-3ME31.

—TEACHERS' MEETING.—A general meeting of the School Teachers of Prince George was held in the Agricultural Hall, Summerside, on Saturday, May 1st. Upwards of one hundred teachers attended. The object of the meeting was to gain a full and definite understanding of the School Garden and Home Project work to be undertaken in many of the schools this season. Prof. W. J. Reid, who has charge of the Agricultural Branch of Summerside opened the meeting with a few general remarks and then called on Mr. Boulter the Inspector from East Prince. Mr. Boulter gave fitting advice concerning the use of school garden, and followed by giving advice on the general training of pupils to recognize quality and worth in their work. Mr. Fraser, School Inspector for West Prince, was the next speaker and heartily endorsed Mr. Boulter's advice in all respects. Mr. Gallant, Inspector for Acadian schools, gave a few fitting remarks on the adoption and carrying out of a successful summer's work. Prof. Reid led the meeting into a few discussions of the general work as it affected the teacher in her special circumstances. He dealt with the Home Project at some length, and gave some points to be followed in adding the pupil to adopt and complete the work. The co-operation of all the teachers of Prince County was sought for, not only by the Inspectors and Agricultural men to make the work a decided success. Mr. R. H. Campbell, Superintendent of Education, was detained from attending the full meeting by the Western train being late, but gave a few remarks to endorse the work that had been undertaken, and the method used by the Inspectors in carrying it into effect. He heartily endorsed the co-operation of the Agricultural Department in its assistance and endeavor to make the work a success. After the singing of the National Anthem the meeting adjourned at 1 p.m.

—PRINCE COUNTY HOSPITAL.—At a special meeting of the Prince County Hospital held in conjunction with the members of the Ladies' Aid and Advisory Board on Friday evening, April 30th, in the Agricultural Building, Summerside, the Chairman, Mr. Wm. Stewart, briefly stated the object of the meeting, viz. to consider the advisability of building an addition on the rear of the hospital and to provide ways and means of doing same. He also stated that the Ladies' Aid had very generously offered to bear the cost. A large number of those present expressed their appreciation of the generous offer and it was moved by Mr. M. F. Schurman, seconded by Mr. B. W. Tanton, and unanimously carried that the offer of the Ladies' Aid to provide funds for the building of the addition to the hospital be accepted. The offer of Mr. John Richards of an ambulance for the Hospital was accepted and the following resolution moved by Mayor Saunders and seconded by Hon. A. E. Arsenault, was passed:—Resolved, that the Trustees of the Prince County Hospital and the Ladies' Aid in tender thanks to the Hon. John Richards for the munificent gift of an ambulance for the use of the Hospital in memory of his much respected father and mother, Hon. William and Mrs. Richards. Further Resolved, that the resolution be engrossed in the records of the Hospital and that a copy be forwarded to the Hon. John Richards and the press. The Chairman then appointed the following persons on a building committee for the addition to be made to the Hospital, viz.:—Mr. H. T. Holman, Mrs. (Judge) McLeod, Mrs. Neil McQuarrie, Mr. J. A. Bruce and Dr. John McNeill. It was moved by Mayor Saunders, seconded by Mr. W. B. Tanton, and carried that the above committee be authorized to get plans and specifications and advertise for tenders for the addition to the building. A vote of thanks was then passed and tendered to the connection with the general upkeep of the Prince County Hospital. The Chairman in a very pleasing speech tendered the vote of thanks to the Ladies' Aid, to which Mrs. (Judge) McLeod graciously replied accepting the vote of thanks on behalf of the members.

—RETURNS TO CAMP.—Corporal Claude Murphy on Saturday returned to his regiment in St. John, N. B., after having spent a few days visiting his family.—Z.

—NEW MAGISTRATE.—Mr. William D. Sumner went to Summerside on Saturday and before His Honour Lieutenant-Governor Rogers, took the oath of office as a magistrate for Prince County.—Z.

—NEWS OF SICKNESS.—Mr. Isidore Chaisson, at one time the biggest retail merchant in Tignish, before the big fire of about twenty years ago and now in the retail business in Souris, is reported dangerously ill. He is a brother of the late Mathias and Onésime Chaisson, who died recently as stated in The Guardian of recent dates.—Z.

—TO APPOINT STIPENDIARY.—The Tignish school district will on the latter part of the week hold a special meeting for the appointment of a Stipendiary Magistrate to replace the late Agno J. Gaudet, who died last week. This appointment is made by power of an Act recently passed in the Legislature authorizing this school district to appoint a magistrate and police officer for the betterment of the town of Tignish.—Z.

—OPENING OF NEW BRIDGE.—The steel bridge which spans the Tignish River below Haywood's Mills, was opened to the public last week. The work was under the supervision of Mr. Frank Hughes and great credit goes to him for the splendid manner in which it was conducted. The only thing lacking now is the opening of the Main Road which will connect this structure to the Lot Two Roads, although this is no impediment, for travelling is carried on through the Hughes farm following the course which will later be turned into a public highway. The bridge is constructed of steel throughout and made in one span, the cribwork and supports are a principal feature of the massive-ness of the construction and needless to say no better bridge could be found throughout the province to meet the emergency of stability and strength for the great deal of traffic carried over same the whole year round.—Z.

—ANOTHER FUNERAL.—Surrounded by a great number of friends and relatives, the remains of the late Onésime Chaisson, which arrived from Yarmouth, Maine, on Friday, were laid to rest in the family plot on Monday. Funeral services were held by Monsignor Dugald MacDonald, ably assisted by the full choir. In honor of deceased, he having been a singer in the choir for nearly fifty years, special music was rendered throughout the funeral rites about a week following his brother Mathias, who died in the same State and whose remains were buried in Tignish last Friday. The remains were accompanied to Tignish by his nephew, Benjamin Chaisson. The pall-bearers were friends who through life held him in high esteem. Deceased was over ninety years of age and lost his wife about fifteen years ago; also an only child when in his infancy. Nephews and nieces and two brothers residing in Souris and Georgetown survive him.—Z.

The Kind You Have Always Bought
Bears the Signature of Dr. J. C. Holt
CANADIAN PACIFIC RAILWAY.

"Show me a man of forty," says Will Lewin, "and you show me a victim of indigestion. A man called Oleson won a knighthood by calling the Man of forty 'too old.' It should have been 'too dyspeptic.' From drug store he ricochets the doctor blaming the weather, the money market, the trusts or Teddy for what is really due to Little Mary. Your middle-aged man is at his worst when on his travels—his only exercise a mad procession to and from the dining car." Another William is of the same opinion. Mr. W. A. Cooper, who claims that among other things he provides three million meals a year to travellers on the Canadian Pacific Railway. Mr. Cooper is not a philosopher, but a practical man, and in his own way set out to investigate and solve this problem. He wrote to or consulted personally, the leading stomach specialists in Europe, the United States and Canada. What he wanted was the Happy Traveller on his dining cars, who would really enjoy the three million meals on which his chefs spent so much trouble. Was the Man of Forty helpless? The specialists pocketed their fees and gave Mr. Cooper not quite three million, but still a great many opinions to digest. The Wiesbaden man said this, the Paris man said that, the London man said something else, the New York man had another cure, while the Battle Creek man was in class by himself. Yet when their opinions came to be analyzed they all had one common point of view, namely, that the foods consumed in any meal must be properly blended. Every one who has survived the ordeal knows that it is a mistake to wash down oysters with brandy. Quite a number feel unhappy after a mixture of lemonade and ice-cream. Table beer may be good in itself, but not if followed by a cup of cocoa. In a word, the food must blend if the meal is to serve its purpose, and more particularly so in the case of train travellers who have little opportunity for exercise. With the aid, therefore, of expert food chemists and professors, Mr. Cooper has prepared arrangements of courses which can be recommended by the faculty as perfect blending of food and liquids. These will be printed as suggested menus on the regular cards and placed as suggestions for breakfast, lunch and supper at the disposal of the travellers on the Canadian Pacific this summer. In some ways the railway may lose revenue, for the Blended Meals do not encourage the rich and sometimes costly entertainments which gourmets ask for, but the average man will be contented, and will be left in a better mood to enjoy the beautiful scenery through which the railway passes, in that way he will be a booster for Canada, and, what is better still, will be a more frequent patron of the dining car than of the hospital for dyspeptics. 9787-6-4ME11.
