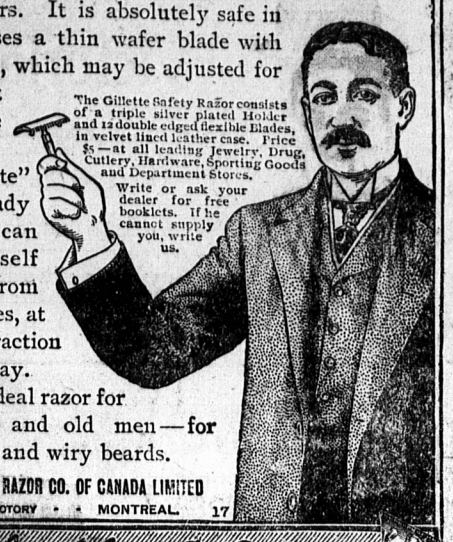
The "Gillette" is the only new idea in razors for over 400 years. It is absolutely safe in its work—uses a thin wafer blade with double edges, which may be adjusted for either a light or a close shave.

The "Gillette" is always ready—and you can shave yourself with it in from 3 to 5 minutes, at a cost of a fraction of a cent a day.

It is the ideal razor for young men and old men—for tender faces and wiry beards.



The Gillette Safety Razor consists of a triple silver plated Holder and 12 double edged flexible Blades, in velvet lined leather case. Price $5—at all leading Jewelry, Drug, Cutlery, Hardware, Sporting Goods and Department Stores.

Write or ask your dealer for free booklets. If he cannot supply you, write us.

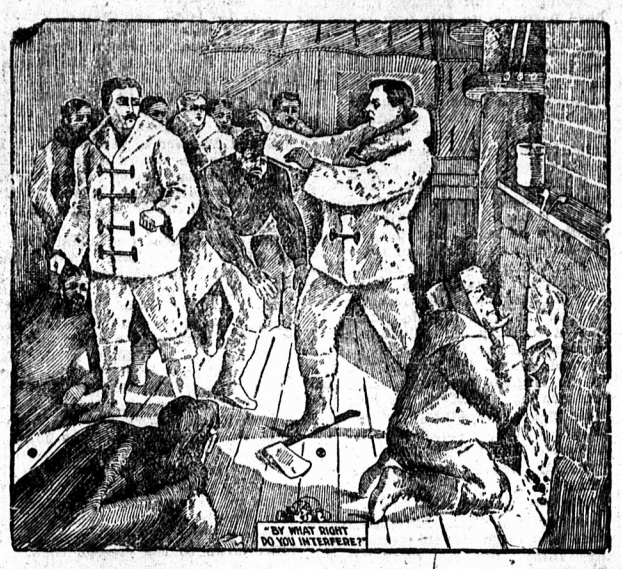
UNDER THE NORTH STAR AT THE OPERA HOUSE MONDAY NIGHT.



The great scenic investiture of "Under the North Star" is so unique and original as to be worthy of especial and separate mention. The harbor of Liverpool, at night, as seen from the deck of the Admiral's flag ship decorated for a naval ball; and surrounded by the British fleet, the hut of the cast-aways in the Polar regions, locked in by the horrors of the arctic winter, the moonlit park in England with the wonderful visions of the land of eternal snow, and the Northern Ocean with its icebergs and Aurora and last the harbor of St. John's Newfoundland. Each scene is a masterpiece. Tuesday night Gordon and Bennett Co., will present for Hearth and Home and Wednesday Along the Kennebec.
