Messrs. Geo. Vandierstine and M. E. Jenkins, motored to the city Saturday.

Mr. Harold Simpson, Summerside, passed through Millview on Saturday.

In the passing of Mrs. Peter J. D. Edmunds, Summerside, we saw a striking example of a grand old Christian lady who has gone forth to reap the fruits of a long life of service. During her illness she was frequently visited by her devoted pastor, Rev. P. D. McGulgan, who administered to her the last rites of the Catholic Church. Deceased was always of a happy and cheerful disposition and will no doubt be greatly missed by her many friends, whom she was ever ready to assist in time of trouble and affliction. She leaves to mourn a grief-stricken husband. The appreciation of a noble woman was evidenced by the large funeral cortege which accompanied her remains to St. Joachims Church on May 23rd. After the final absolutions were given, her remains were laid to rest beside those of her two children who predeceased her some years ago.

As all know Thursday was the Queen's birthday and although the day was somewhat cold a large number of our friends were out enjoying themselves. The Queen's birthday as a Canadian spring holiday comes to us when "the year at the spring" and a veritable spring it is taking this year. The day on which we greet the unfolded leaves and blossoms is like a garlanded gate way through which we pass to the glories of summer. Splendid as our winter is, it does not preclude as it begins to fall a longing for the green of the trees and fields. To the city dweller especially, is the spring holiday a boon. The call comes to him as it came to people from the early days of the world.

"It is in season now to go About the country high and low, Among the lilacs hand in hand, And two by two in fairyland."

Finger nail polish will serve to renovate any dull scratched pearl buttons.

Office Connected With Drugstore.

Western Guardian

GUARDIAN REPRESENTATIVE for Richmond and vicinity is Mr. Ray Brown, who is open to receive new and renewal subscriptions.

WESTERN OFFICE.—The Western Office of the Guardian is located in the McNeill Building, Water St., Summerside, where subscriptions and advertising will be received. The Guardian may be purchased daily at the Western Office in the McNeill Building or at the McDonald News Store.

RICHMOND BAY CONGREGATION—Presbyterian services will be held on Sabbath next in Lot 14 at 11 a. m.; in Tyne Valley at 2.30 p. m.; and in Lot 11 at 7.30 p. m. Everyone made welcome.

IMPORTANCE OF BEING EARNEST. The successful comedy at Central Bedeque Hall, on Friday, June 1st, 8.15. Straight from Charlottetown and Summerside. Don't miss it. 4760-5-30-31

ON BUSINESS TRIP—Dr. Anthony Kingscote of the Laboratory staff of Dr. J. R. Cunningham, Summerside, returned Thursday night from a business trip to New Brunswick.

TENNIS POPULAR IN SUMMERSIDE—The Summerside Tennis Club has started activities for the year with an exceptionally large membership. The courts have been thoroughly renovated, the club house repaired and painted and seats have been provided for waiting players and spectators.

BRIDAL SHOWER—The friends of Miss Hazel Raynor entertained her at a shower held at the home of Mr. and Mrs. A. P. Wells, Summerside, on Tuesday night. Miss Raynor, who is to marry Mr. Harold Hezekiah Simpson, former Prince County Secretary of the Y. M. C. A., was the recipient of many useful presents.

FUR AUCTION—The following report was received yesterday from E. H. Rayner Ltd., Montreal: Reporting silver fox section our auction sale May 28th, market quiet and competition dull. Best silver fox three hundred fifty dollars and three hundred dollars each for two pelts owned by George Robinson and Archie Linkletter of Summerside, one pelt each. Selling daily by private treaty.

GIVEN TEN DAYS—A man charged with petty larceny was before Magistrate Wyatt in the Summerside Police Court on Monday, Tuesday and Wednesday afternoons, the hearing being concluded on the latter day when a sentence of ten days in the County Jail was imposed. The prisoner was charged with stealing a can of gasoline from a boy on the public highway.

INFRACTION OF MOTOR LAWS—Cases running with last year's markers or none at all, with plain glass headlights lenses and often only one, and operated by unlicensed juvenile drivers are fast becoming a public nuisance around Summerside and vicinity. Many cars that are not fit to be on the road with poor brakes and inexperienced drivers add to the hazards of this year's motoring.

SUMMERSIDE BASEBALL LEAGUE—Plans are now being perfected for the organization of a three team baseball league in Summerside, comprising three old reliable aggregations the Red Sox, the Pioneers and the Independents. The only shortage is on the pitching staff and it is expected that Dr. E. L. Noonan will be on the mound for the Red Sox and Charles Monkley for the Independents and Edmund Doyle for the Pioneers. The fans are eagerly waiting for the opening of the season and it is expected that the league games will be given strong support.

IMPASSABLE ROADS—Never in the history of Prince County were the roads in worse shape than they now are. Some work has been done around Preetown with excessively deep ditches and loose clay heaped into a pyramid in the middle. The recent rains have made travelling over these roads almost impossible. In other sections of Eastern Prince County the roads have not been touched this year by the wonder working Department of Public Works and as bad as they are, they are better than the \$90,000 projects of the Saunders Government.

ANOTHER MAY SHOWER FOR A JUNE BRIDE—A pre-nuptial shower was held at the home of Mr. and Mrs. J. Leroy Holman, Summerside, last night, Tuesday, in honor of Miss Irene MacIntyre, Summerside, whose engagement to Dr. Jeremiah Claude Simpson, Summerside, has been announced. The bride to be received a choice array of valuable gifts including many from the staff of Sinclair and Stewart, Ltd., where she was formerly head saleslady of the ladies wear department.

Stockings should always be hung up to dry wrong side out.
