

Breathe Into Your LUNGS

PEPS Fumes

The Safe Rational Remedy for COUGHS, COLDS & CHILLS

THE speedy and most direct treatment for Coughs, Colds, Bronchitis, etc., is to breathe the volatile Peps medicine into your lungs. This method is a big advance on dosing with drug-laden mixtures, which act on the stomach, liver and heart, but on the lungs last and least of all.

As Peps tablets dissolve in the mouth, they give off balsamic lung-healing fumes. Peps are wonderfully strengthening to weakened tissues. They cut phlegm, soothe and purify the tender, irritated air-passages, and have an invigorating, anti-septic and fortifying action on the entire breathing system.

An immediate sense of chest comfort and breathing-ease is produced by Peps. Soreness, inflammation and irritation is quickly allayed, disease-germs infesting the throat and breathing-tubes are speedily destroyed.

Peps are the ideal and long-sought remedy for coughs, colds and chills, wheeziness and tightness of chest, sore throat, laryngitis, children's and old folk's chest weakness, bronchial catarrh, bronchitis, etc.

A Peps in the month safeguards throat and chest against harmful effect of cold, wet changeable weather. In crowded train or street-car, busy store or theatre Peps afford security against infectious colds, sore throat, etc.

The proprietors of Peps are glad to announce substantial price benefits, made possible by greatly increased sales and lowered production costs. Peps, of the same high standard of medicinal excellence in every way, are now available at the new

MALPEQUE

Princeton, congregation was held in the church at Malpeque on Thursday, Oct. 18th and was largely attended. The church presented an attractive appearance and the service was beautifully impressive. Mrs. Chester Simpson presided at the organ. Rev. Mr. Atken to New Glasgow spoke for the first time to a Malpeque audience and his address was based on the text, "He passed by on the other side." He gave as his subject "If nobody cares" and in reviewing the past he mentioned many names now enrolled on history's page, as martyrs, missionaries and great men in different times who, despite indifference, cared, if Jesus had not cared was impressively dealt with, and an earnest appeal was made to the faithful followers of today to go forward determined to overcome opposition and indifference. Rev. A. W. Robertson as moderator of the session gave a brief synopsis of the work since the resignation of Rev. J. M. Murchison. After the customary questions by Moderator of Presbytery, Mr. Lockhart, Mr. Christie addressed the newly inducted minister with reference to his work as a student of the word, a teacher, a preacher and a pastor, emphasizing the work among the aged, and shut-ins and the young. A message of congratulation expressive of good wishes was read from Rev. Mr. Murchison of Canadian Bible Society, St. John N.B. Rev. Mr. Ross of Bedouque in addressing the congregation made a brief reference to its splendid history and urged upon its hearers the necessity of each one seeking the true vision of the opportunity in home church and in the world at large, and thus participating in the hastening of the "glorious church." After a few remarks by the Moderator and the singing of the closing hymn, the congregation were afforded an opportunity of extending the word of welcome to the new pastor and his wife.—M.

Rev. A. N. and Mrs. Gillis arrived in Malpeque on Wednesday evening Oct. 15th. After attending the synod which met in New Glasgow, N. S. Mr. Gillis spent Sunday in Arden, N. B. where he preached to a large audience in the Presbyterian Church of which Rev. J. A. Ramsay is pastor. The Manse, Malpeque which has been thoroughly renovated presents an inviting appearance and reflected much credit on those who so generously gave of their time to the completion of the work. The hearty response and the unanimity with which the work was carried on forms an encouraging outlook. There are many expressions of good will and wishes extended to Mr. and Mrs. Gillis in their new field of labor and if these are substantiated by his hearty co-operation of all, Mr. Gillis' pastorate will prove mutually beneficial.

Mr. and Mrs. W. A. Huestis, Miss Bernice Stultz and Mr. Ralph Huestis, Miss Mary E. MacNutt and Bella Bagnall, Miss Gillis and Miss Alice McLaren, all of Charlottetown, motored to Malpeque on Thursday and were in attendance at the induction service of Rev. A. N. Gillis.

Rev. J. A. Ramsay who has been spending a few days among the students in Hamilton returned to Moncton on Thursday, Oct. 16th.

The following ministers were in attendance at the meeting of Presbytery which convened in Malpeque on Thursday: Mr. A. W. Robertson, Kensington; Mr. Ross, Bedouque; Mr. Lockhart of Souris; Mr. Atken, New Glasgow; Mr. Christie, Alberton; Mr. Stavert, Hunter River.

The ladies of Princeton congregation were gratified in securing the services of Mr. Creelman MacArthur, M. L. A., Summerside as lecturer on his recent trip to Europe in Malpeque Hall on Wednesday evening. Mr. G. W. Ramsay occupied the chair and introduced the lecturer. The audience followed Mr. MacArthur in thought as he reviewed with them the places he had visited from the time he left our island home to his return, places familiar to all in their school studies and many of which were closely associated with the recent war. It is a privilege to be an eye witness of such historic scenes, and it is matter of congratulation when one is able to present to ones hearers a view so vivid as to impress the mind and freshen the memory. Mr. Thos. MacNutt in a few congratulatory and appreciative remarks, moved a vote of thanks to Mr. MacArthur which was heartily seconded by Mr. Herbert Donald Sea View. Mr. MacArthur happily replied giving a number of amusing anecdotes—a fitting close to a pleasant evening. A sale of candy followed adding very materially to the Ladies fund.

Now Feeling Fine and Able to do my own work

Mrs. Walter Grieves, Cee Hill, Ont., writes:

"I was in such a weakened, run-down condition that I could not take care of my household duties. I was unable to sleep at night, and the doctor told me I was anemic. I commenced a treatment of Dr. Chase's Nerve Food and to-day I am feeling fine and able to do all my own work."

"My little girl had eczema, and different remedies took no effect whatever. We got a box of Dr. Chase's Ointment and that one box relieved her."

IN MEMORIAM

MRS. W. C. LEA

The funeral of Mrs. W. C. Lea, widow of the late W. C. Lea, took place on Sunday, October 12th, from her old home at Victoria, the residence of her son, Walter M. Lea.

The services were conducted by the Rev. G. M. Summers, pastor of the Tron Methodist Church of which the deceased was a life-long and faithful member.

Although physically weak from failing health during the past few years, and nearing her 82nd birthday, mentally Mrs. Lea never grew old. A wide and intelligent reader, she retained to the end the active interest which she ever took in home family and friends, but also in current and historic events.

She enjoyed with a true appreciation the natural beauties of the country where she lived, and kept her spirit young by the pleasure which she found in the society and pursuits of her grandchildren, five of whom served at the "Front."

The loyal and devoted mother of a large family, genuinely hospitable and charitable, with broad sympathies and strong personality, Mrs. Lea easily made lasting friendships in every walk of life, and her largely attended funeral including many friends and relatives from remote districts testified to the universal respect and affection in which she was held.

Mrs. Lea was pre-deceased by only one child, her son Harry and leaves to cherish and honor her memory, the daughters, Mrs. Edward Boswell, Victoria and Mrs. J. T. Windsor, Charlottetown and the sons, J. B. R. Lea and Walter M. Lea, Victoria, R. S. Lea and W. S. Lea, Montreal.

MANITOBA STARTS A FIGHT

WINNIPEG, Oct. 20.—Shippers of Manitoba, backed by the Provincial Government, started today to wage a finish fight on behalf of the province in the big issue of freight rates.

The decision of the Board of Railway Commissioners announced from Ottawa setting aside all contractual obligations on the part of the railways in the Crow's Nest Pass freight rate agreement has united shipping interests of the entire west in prosecution of the contest.

Telegrams from western points commenced to arrive at the local Board of Trade offices, seeking information on the particulars of the judgment.

The effect of the new order is that on October 30 there will come into effect the increased commodity west-bound rates which prevailed up to July 6.

There will be a consequent increase of 33 1/3 per cent in the rate on fruit, 20 per cent on coal, oil, and 10 per cent on all other articles named in the 1897 schedule. The list includes fresh fruits, apples, on which a different rate is quoted, coal oil, building paper and roofing, window glass, paints and oils, woodenware, furniture, cordage and binder twine, agricultural implements in whole or in part, and a long list of iron articles.

ROBBERS LOOT GAME AND GET BIG SUM

CHICAGO, Oct. 20.—Thirty members of the National Poultry, Butter and Egg Men's Association, attending a convention here, were seeking diversion at dice in one of their rooms at midnight, when three bandits, using pistols as cards of admission, tied up the whole party in a huge pile and then departed with a sum estimated at between \$10,000 and \$15,000. The robbery occurred in a fashionable hotel.

Some time after the robbers departed the victims managed to extricate themselves from the ropes. Before leaving, the bandits, heeding the cries of distress from the Texans, left a total of \$20 "fare back home."
