

Prevention better than cure. In this age of enlightenment almost everybody recognizes the value of Disinfectants as preventatives of disease. For this reason we are calling attention to the merits of Pearson's Antiseptic The Ideal Disinfectant used by the largest Hospitals, Hotels, Steamers, Stores and by almost every household in Great Britain. A strong mixture of Pearsons should be applied to all closets, gutters, sinks, etc., where contagious diseases germinate. Such diseases as consumption, pneumonia, typhoid fever, scarlet fever, etc., can be prevented by its use. 50c bottle with full directions 25c. Large bottles 50c. Ladies Fur and Fur Lined Coats

With such a winter before us as the present indicates, fur coats become necessities instead of luxuries. But in any event a fur or fur lined coat well selected is a very sensible investment. The garment is good for years of service if properly cared for, and style changes have hardly to be consulted—the cut of most fur and fur-lined coats varying so slightly from year to year. The cost may be less than you think it you buy here. For we are now offering coats of exceptional value from \$25.00 up to \$100.00—some of which are shown in our windows. These coats are made in the best manner from carefully selected skins etc, and are all guaranteed by us and what's more we guarantee them to be this season's goods not a last years coat in the lot.

Clearance Sale of Furs

Name your price and take your pick of any set of furs in our stock. We must dispose of our entire stock before we take stock at the end of the month. We mean business and will give you the opportunity of buying furs cheaper than ever before. Don't wait but come to-day. All our furs are guaranteed to be made from the best selected skins, and high class workmanship. This sale benefits us both—yours, because most of the wearing season is ahead—we because the season is almost over and we must reduce our Fur stock—no reasonable offer refused.

Ladies' Pony Coats at a Bargain

We have just one pony coat left and will clear it out at a bargain if you are thinking of buying one see this one before placing your order. We guarantee the coat in every respect. Our regular price of the coat is \$65.00 now we offer it for quick clearance at \$45.00. Come and see it—its a beauty.

Yesterday the Minto crossed to Georgetown and a mail train from that place arrived in this city about one o'clock. The Earl Grey crossed from Charlottetown to Picton. The usual trips will be made today. The mail special leaving this city last night to connect with the Minto in Georgetown was delayed at this station on account of some hitch in the postal arrangements in connection with the mail on the incoming train from Tignish which arrived in this city at nine twenty last night. It was one fifty before the special got away.

Last night at nine o'clock the double headed snow clearing train, in charge of S. Power, which left this city on Thursday at eight thirty a.m. turned after having fought her way down to Vernon. She did not reach that point until last evening at five o'clock and an idea of the difficulties with which the train, which was fully equipped for snow fighting, had to contend may be arrived at when it is considered that cuttings five to seven feet in height and from one hundred and fifty to three hundred feet in length were cleared away. The heaviest cuttings are at Hazelbrook and Lake Verde. Conductor Tanton, with three engines and snow plough worked his way from Uige to Murray Harbor, arriving at the latter place at ten o'clock last night. The Southern line is now clear once more and the railway authorities, considering the force of the recent storm and the difficulties under which they worked, are all in their power to open the line with as little delay as possible. Conductor Tanton will come to this city this morning.
