POLICE COURT.—An assault case Egan vs. Harper was before the Court yesterday and was adjourned to Monday, the 18th.
ENGAGEMENT ANNOUNCED.—Mr. and Mrs. Phillip Coyle, Queen Street, announce the engagement of their daughter Agnes Gertrude to Alfred L. Coady, Hazelbrook. Marriage to take place the latter part of August.
MARRIED IN FRISCO.—A very pretty wedding took place in the Calvary Presbyterian Church, San Francisco, Cal., by the Rev. Josiah Sibbey on May 29th when Calvin S. Biggar, adopted son of the late James Biggar of Bradalbane, P. E. I., was united in the holy bonds of matrimony to Effie Frances Pennington of San Francisco, Cal.

SUCCESSFUL PICNIC.—The Tish annual picnic in aid of Notre Dame Convent was held on August 7th. The day was a great success and much credit is due the ladies for the way the affair was carried out. About \$1,100 was collected. The Mothers of the Convent desire to express their appreciation to those who took part in the management and work as well as to all who patronized the affair.
DIED IN HALIFAX.—After an illness of several months there passed away at his home, 7 Agricola Street, Halifax, Saturday evening, William M. C. Frawley one of the best known of local commercial travellers. For several years past he was the traveler for A. Keith & Son, but more recently he was that firm's representative at Charlottetown. Although Mr. Frawley had been known to be seriously ill for some time yet his many friends in the city and throughout the provinces will learn with deep regret of his passing. Mr. Frawley who was 51 years of age was a veteran of the South African War and also the Northwest Rebellion. Besides his wife he is survived by four sons and one daughter, Madeline.—Halifax Record.

GOING WEST.—The Sackville Tribune says: Pte. Wm. Clark, who recently returned from overseas, was on the baseball field Friday evening and received a warm welcome from his many friends. He has just returned from Summit side, P. E. I., where he has been visiting his sister, Mrs. John Lea. Pte. Clarke, who is a Sackville boy, enlisted in Winnipeg in May 1916, and went overseas with the 4th Battalion. He crossed to France in June, 1916, and was in all the heavy fighting until the commencement of 1918, when he was given a position in Army Pay Office, London, (Eng.) Pte. Clark was wounded twice, first at the battle of Ypres and later at the Somme. He is going to Halifax to get his discharge and will afterwards return to Winnipeg.

MARRIED IN VANCOUVER.—The nuptials of Miss Helen Hamilton, daughter of the late Daniel Hamilton of this town and Mr. Guy Lockwood Hanson, formerly of Truro, N. S., took place in Vancouver, B. C., on the 6th inst. Rev. W. H. Smith, formerly pastor of the Summerside Presbyterian Church, was the officiating clergyman. The marriage took place at 6.45 in the evening and the bridal party left at 7.30 on a wedding trip to Banff where they will spend their honeymoon. Many of Miss Hamilton's friends will be pleased to learn of her marriage for she was a member of the community held in high esteem in this her native town. We echo the felicitations being expressed on all sides on learning of the happy event and heartily wish Mr. and Mrs. Hanson many years of wedded bliss. On their return they will reside in Bevnon, Alberta.—Summerside Farmer.

ICE CREAM FROM HAIL.—Monday's electrical storm was accompanied in some places by a hail fall which was one of the most severe that Prince Edward Island ever experienced. At New Haven it furnished the family and some guests of Mr. and Mrs. Michael J. McManus with a genuine novelty in ice cream frozen by hail stones, gathered by the basketful, and ranging in size from peas to marbles. Some of the stones were of solid ice and others resembled hard snow and ice combined. The freezing quality of the stones was much superior to that of pond or river ice. The treat of ice cream frozen by nature's latest model freezer followed a picnic on the farm of Mr. John McManus at Bonshaw which was attended by a party of twenty-five. After a luncheon spread in a hayfield the guests enjoyed a spirited program of field sports followed by an entertainment including recitations by Misses Bertha, Clara and Etta McManus, fancy dancing by the two last mentioned young ladies and songs by Master John and Miss Clara McManus and by Messrs. Simon Cavanagh and Andrew McElroy. In the field sports Miss Clara McManus won in the 50 yard dash, Mrs. John McManus in the ladies running match and Michael McManus was first in the free-for-all race with Miss Bertha McManus second. Attractive prizes were awarded the winners in the sporting events.

Getting Full Value for Your Money is Real Thrift

Thrift does not imply deprivation, although some people have an idea that they must practice self-sacrifice in order to save. The woman who knows what thrift means seeks first the worth of her money and, if she finds it, savings are the logical result.

There is no form of thrift to compare with full value for the money you spend. And there is no form of waste to compare with the haphazard spending of money which takes no heed of value.

People who do all their shopping at this Store automatically save in the course of a year, a sum which permits purchasing additional things, which otherwise could not be bought if the same purchasing power were used in shopping elsewhere. The reason for this lies in the fact that our patrons get full value. They pay the lowest prices in the city, and consequently save money. In other words, they practice thrift in the best form.

SCHOOL OF METHODS.—The Summer School of Methods opened at the Mt. Allison Ladies' College on Thursday evening with a fine attendance, over fifty very earnest Sunday School workers from different parts of the three provinces being present. The deep interest manifested from the start has been well sustained. The school is a co-operative one conducted by the various Sunday School Boards and the Maritime Sunday School Association. The chief features of the school are the discussion of Sunday School methods and plans, lectures, etc. In addition to the School Faculty, the following from P. E. Island are in attendance:—Edna Nicholson and Helen Rogerson, Hunter River; Marion McLeod, Brookfield; Elwa Inman, Cape Traverse; Olive Stewart, New Wiltshire; Anna Miar, Georgetown.

A WOMAN'S SLIPPER

or shoe is the most difficult job a shoe repairer has to face. Besides the actual repairing and reconstructing of the sole, heel, instep and upper, women demand that their worn slippers and shoes be reshaped—restyled, if you please—which is the work of a shoe manufacturer. But we do it, and successfully, too.
