For Hair Health

If Rexall "93" Hair Tonic does not improve the health of your scalp and hair, we will pay for what you use during the trial.

We couldn't so strongly endorse Rexall "93" Hair Tonic and continue to sell it to the same people if it did not do all we claim. Should it not prove entirely satisfactory our customers would lose faith in us, we would lose their patronage, and our business would suffer. If your hair is falling out or you suffer any scalp trouble, we believe Rexall "93" Hair Tonic will do more to eradicate the dandruff, give health to the scalp, stimulate new hair growth and prevent premature baldness than any other human agency. We want you to make us prove whatever. Buy a bottle of Rexall "93" Hair Tonic, use it according to directions for three days; then if you are not entirely satisfied, come and tell us and we will promptly hand back the money you paid us for it. We won't ask you to sign anything, nor even to bring the bottle back. We won't obligate you in any way. We will take your mere word. Could anything be more fair? Could we do anything more to prove our belief in Rexall "93" Hair Tonic, and our honesty of purpose in recommending it to you? Rexall "93" Hair Tonic is as pleasant to use as spring water and has but a faint, pleasing odor. It comes in two sizes of bottles, 50c and \$1.00.
