## DESPAIRING WOMAN NOW HAPPY MOTHER

**Mrs. Stephens Did Not Need The Surgical Operation.**

Patoka, Ill.—"I had been married five years and my greatest desire was to become a mother. The doctor said I never would have a child unless I was operated on for female troubles and I had given up all hopes when a friend told me of Lydia E. Pinkham's Vegetable Compound. I took it regularly for some time, and I am in better health than ever, and have a healthy baby girl. I praise your Vegetable Compound for my baby and my better health. I want all suffering women to know that it is the sure road to health and happiness."—Mrs. GEORGE STEPHENS, R. F. D. No. 3, Patoka, Ill.

Lydia E. Pinkham's Vegetable Compound is so successful in overcoming woman's ills because it contains the tonic, strengthening properties of good old fashioned roots and herbs, which act on the female organism. Women from all parts of the country are continually testifying to its strengthening, curative influence. It has helped thousands of women who have been troubled with displacements, inflammation, ulceration, tumors, irregularities, periodic pains, backache, that bearing down feeling, indigestion, and nervous prostration.

**ON THE WRONG SIDE**—Complaint is being made of the habit of some automobile owners in Charlottetown of stopping their cars at the wrong side of the street. Quite often at night it is a common sight to see a car stopped up at the side of the street to which it does not belong with lights at full glare. Accidents are liable to be caused by this and it surely is contrary to regulations.

**A THRIVING INDUSTRY**—The Island Stock Breeding Co. Ltd., whose farm is located at Frenchfort, states that the outlook for lambs this year is excellent. The company at present have about 300 lambs. They also have 100 hogs, all of which will be marketed this fall. If the industry started only last year by the Island Stock Breeding Co., proves a success, which is now practically assured, several other large sheep ranches will be started in other parts of the Province.

**THE PRINCE EDWARD**—The Prince Edward Theatre is giving excellent picture fare to its numerous patrons these nights. The last programme was exceedingly interesting and comprised the enthralling five act dramatic offering entitled "His Wife," adapted from Charlotte Braeme's widely read novel "My Poor Wife." Charles Chaplin appeared in an extraordinarily funny comedy "Police" which was undoubtedly one of the best. The fascinating circus serial "Peg o' the Ring" is the main attraction in tonight's list of good things.

**UNIQUE MOTOR CYCLE**—Mr. Wilfred Kennedy who recently returned from South Africa where he has been for five years working for the Earle Publishing Company had a motor cycle in the city yesterday which attracted considerable attention. It was made to carry two persons having a passenger attachment at the side. It cost Mr. Kennedy a large sum to bring this machine here from Africa and he was greatly surprised and disappointed to learn that it was against the law to run it on certain days of the week. Mr. Kennedy is a son of Mr. Alex. Kennedy of Lot 48.

**CHESS OUTING**—A number of the Chess fraternity had their annual field day to Holland Cove yesterday. The Summer Resorts provided an excellent dinner and tea in their dining hall which was greatly enjoyed. During the afternoon a swim was enjoyed by several of the members. It has been decided to present the soldiers with a khaki testament at their home stations before leaving for the front. Three hundred of these testaments have arrived, and will be presented to the soldiers as they leave a camp in leaving their native land. The president of the Society will present a testament to each of the members of the Fifth Siege Battery just before they leave Charlottetown.

**BON VOYAGE**—Professor and Mrs. S. B. McCready and their children, Master Alex. and the Misses Mary, Margaret and Helen are leaving this morning on return to Guelph, Ontario, where they will reside. Professor McCready accepted the supervision of the Nature Study Department of Prince of Wales College only for a year and although many who have been in close touch with the splendid work he did, not only as a teacher and an organizer but as a public spirited citizen, had hoped that his stay would be prolonged beyond the stipulated period, he adhered to his original intention to resume his work at Guelph. He and his family will be greatly missed in Charlottetown where they have become great favorites, and a host of friends will wish them well wherever they may be. They purpose spending a day or two at Quebec and also at Montreal.
