

The Bad Cold of To-day May Be Pneumonia To-morrow.

The Sore Throat or Tickling Cough that, to the careless, seems but a temporary and trivial annoyance, may develop into Bronchitis.

Every hour delayed in curing a cold is dangerous.

Dr. Wood's Norway Pine Syrup

contains all the lung-healing virtues of the pine-tree, and is a sure cure for Coughs, Colds, and all throat and lung troubles. Miss Bertha E. Craig, Almont, Ont., says: "Last fall, for over two months, I had a very bad cold, and although I tried several remedies, it seemed as if I was getting worse instead of better."

Know the Value of Pyramid Pile Cure.

"Gratitude prompts me to testify to the efficacy of Pyramid Pile Cure. Last March I bought a dollar package of the drugstore, which cured me of blood impurities, and I was a sufferer from them for eight years."

"I recommend 'Pyramids' wherever I know of any one suffering as I did, it gives me great pleasure to be able to say I am entirely cured, which my doctor says is true."

TRAVELLERS ARE GREAT SUFFERERS

From Indigestion and Dyspepsia but are Finding Sure Relief in Dodd's Dyspepsia Tablets.

Probably no class of people are so much troubled with Indigestion and Dyspepsia as travelling men. The constant change of diet and the different styles of cooking keep their stomachs constantly at work, and as a consequence always in need of rest.

Mr. H. Hutchinson, of Chatham, traveler for one of Canada's big mercantile houses who crosses the ocean several times each year says:

"I must confess one of the greatest blessings I ever received comes from using Dodd's Dyspepsia Tablets. I suffered for a long time with Dyspepsia till some time ago a friend bought me a box of Dodd's Dyspepsia Tablets and from the very first box I got relief. I keep them by me and if at any time I feel that my food is likely to disagree with me I just take one or two Tablets and feel no more effects of indigestion."

NEW DANGER IN KISSES.

Disease in England Traced to Occupation—Imported from Africa.

A new danger has been added to the many which medical men assert surround the habit of kissing. According to French Whittles, a lecturer on dental histology and pathology at Birmingham University, the crabs disease, common on the west coast of Africa, has been introduced into this country.

The disease is due to the presence of the nematode worm, which has a peculiar penchant for destroying the white corpuscles in the blood. The chief symptom is an intense itching of the skin.

In one case which came under his observation, the engaged girl, was kissed by her sweetheart, who was a victim of the disease. Shortly afterwards she complained of a terrible itching. The trouble was incorrectly diagnosed and the young woman, who slept with her sister, transmitted the disease, and the latter passed it on to a younger brother. Thus four persons became infected through kissing.

At Faling it is possible that there may soon be established a bachelor boarding house.

The Borough Council some time ago bought six and a half acres of land near Faling Cemetery, and on five acres of it 121 houses and 21 flats have been erected, and it has been suggested that 34 more might be built on the remaining acre and a quarter.

Col. Menzies, a member of the Council, believes there is plenty of home accommodation. He has, however, seen a number of working men, who agree that what is required is a big residential lodging house for single working men.

Young men of this class find great difficulty in inducing families with comfortable quarters to take them in. My scheme, as I have roughly outlined it, would provide a cubicle for each man, fitted with a chair, box-table, etc., lit by electric light, for 5s."

Dining rooms and sitting rooms would be provided for the 60 bachelors the establishment would accommodate.

The cost is estimated at £3,000. The borough surveyor is considering the plan, and will report to the Housing Committee.

C. C. RICHARDS & CO. Dear Sirs,—A few days ago I was taken with a severe pain and contraction of the words of my leg and had to be taken home in a rig. I could not sleep for pain, and was unable to put my foot to the floor. A friend told me of your MINARD'S LINIMENT and one hour from the first application, I was able to walk, and the pain entirely disappeared.

You can use my name as freely as you like, as I consider it the best remedy I have ever used.

THERE IS GREAT DANGER IN CATARRH.

If Left to Run its Course Unchecked, It Often Causes Death.

Catarrh scatters its poisons throughout the entire system. The stomach and bowels are affected by the droppings that fall into the throat and are swallowed during sleep. Dyspepsia, inflammation of the stomach, bronchitis and consumption are the results. The blood also becomes contaminated and carries the poisons to all parts of the system.

Stuart's Catarrh Tablets strike at the root of this terrible, odious disease and eradicate it from the system. They are a constitutional remedy that cleanse the system thoroughly of all poisons and purifies the blood.

A Cincinnati man says: "I suffered the misery and humiliation of catarrh for twelve years. My case became so aggravated that it seriously interfered with all my business relations. The disease became so offensive that I would not venture into any one's presence unless it was absolutely necessary. I tried every remedy that I could get hold of. Some helped me temporarily, but as soon as I ceased taking them, I would relapse into the old condition."

Stuart's Catarrh Tablets are for sale by all druggists at 25c a box.

WHICH IS YOUR LARGEST FOOT?

YOUR feet are not mates—if they are average feet. A pattern cut to fit the right foot perfectly will not fit the left foot properly.

Yet, most shoe-factories use the same pattern in cutting the uppers for both feet.

The Slater Shoe Factory cuts every "upper" on separate patterns for either right or left feet.

This is only one of the many little costly details, unseen by the eye, that distinguish "The Slater Shoe" from others.

That extra work, for extra comfort, fit, wear and style, is not put in for conscience sake however.

Any shoe that is advertised and priced by its Maker, must give full value up to that price or re-act upon the manufacturer.

"The Slater Shoe" is the only shoe in Canada on which the retail price is stamped by the factory that produces it.

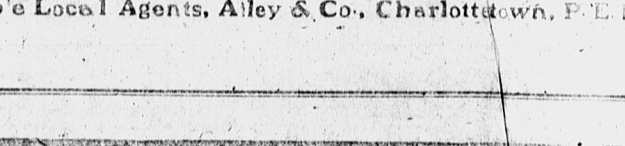

That Makers' price is the measure of its sure value, and a solid guarantee to the purchaser.

It will be found stamped, with a slate-frame, on the lining of every genuine "Slater Shoe," viz. \$3.50 or \$5.00.

"But, why this price-regulation, and with the assumption of responsibility by the Slater Shoe Makers?" you ask.

"To protect Wearers against over-charge, and to maintain future demand among consumers by thus insuring uniform value every time.

There are many kinds of \$3.50 and \$5.00 shoes on the market, but remember—only one that is price-controlled by the Makers, who are thus directly responsible to you.
