## TALMAGE'S SERMON.

(Continued From The Third Page.)

eyes upon him to bring him in at any moment. O commercial travellers, I pray for you the sustaining grace of God! There are two kinds of days when you are especially in need of divine grace. The one, the day when you have no success—when you fail to make a sale, and you go back to your hotel discomfited. That night you will be tempted to go to strong drink and rush into bad surroundings. The other day when you will especially need divine grace will be when you have had a day of great success and the devil tells you you must go and celebrate that success. Then you will want the grace of God to restrain you from rollicking indulgences. Yes there will be a third day when you will need to be a Christian, and that will be the last day of your life. I do not know where you spend it. Perhaps in your house, more probably in a rail car or a steamer, or the strange hotel. I see you on your last commercial errand. You have bidden goodbye to the family at home for the last time. The train of your earthly existence is nearing the depot of the grave. The brakes are falling. The bell rings at the terminus. The train stops. All out for eternity, show your ticket now for getting into the gate of the shining city—the red tickets washed in the blood of the Lamb.

## TEST THE KIDNEYS

They Are the Great Feeders of Our Bodies—the Purity of the Blood is Dependent on Their Cleansing Powers.

Dr. Chase's Kidney-Liver Pills are the Only Combined Kidney and Liver Pill—What They Have Accomplished in But a Guarantee of What They Will Do.

There's a time to all, old and young, man or woman, when poor health brings trouble, anxiety, and burdens hard to stand up under, and one's efforts to rid himself or herself seem only to be baffled at every turn, and we are prone to grow discouraged.

That is not the time to give up—the time for action, the time to seek out the seat of the trouble, and act as your best judgment and the experience of others will help you, guarding against mistakes in the treatment adopted for your particular ailment.

Spasms Lasted for Hours at a Time—Left Great Aching and Soreness—Dr. Chase's Kidney-Liver Pills Proved His Deliverer.

I was for over six months troubled with very sharp pains in the region of my kidneys, the spasms lasted for half an hour at a time, and left me with great aching, soreness and pain. I tried many remedies, but they did me no good. I commenced taking Dr. Chase's Kidney-Liver Pills according to directions. I had not much faith that they would cure me, but after taking one box I noticed a change for the better. It may seem incredible, but after taking the second box the pains all left me entirely, and I have not had them since.—Amos Carter, Melbourne.
