CARD

To the Electors of Ward Four Ladies and Gentlemen:

At the request of a large number of electors of Ward Four, I have consented to be a candidate for City Councillor at the forthcoming Civic Elections.

In thus publicly asking for your support, I promise, if elected, while paying due attention to the special needs of Ward Four to endeavor to premise the establishment of more industries in the city, to retain our capital and thus provide more work for our laborers and citizens; to so far as possible, reduce the cost of living, and to improve the conditions under which many of our people are housed; to inaugurate a better system for aiding those who may be in destitute circumstances, and a charge upon the City and its citizens.

I shall also endeavor, so far as is consistent with our present revenue to improve the sanitary and hygienic condition of the city and to provide for the proper inspection of our food supply.

Yours Respectfully, D. McLAUCHAN.

In the city market yesterday beef, per quarter, was selling at five to eight cents a pound, a slight advance on the quotation of the previous day. The other prices remained unchanged as will be seen by the itemized list elsewhere.

The subject of the sermon at the Baptist Church tomorrow morning will be The Triumph of Christianity. In the evening the subject will be Christian Union—Should all Christians be United in One Church? The Rev. Z. L. Fash will preach at both services.

The funeral of the late Mrs. Ann Love Bookman, aged 79, took place on the 7th inst. from the home of her sister, Mrs. John Moffatt, Mayfield, where she had been residing for the last number of years. In her sickness, as in her earlier years, she was kind and patient. Her life was marked by those virtues which endeared her most to those who knew her best.

Queen's County L. O. L. met at Brookfield on the 6th inst. The meeting was very well attended and a deep interest was shown in behalf of the order. From the returns a net gain of thirty per cent was shown for the county and three new lodges were organized. The election of officers resulted as follows:—W. C. M.—C. E. MacKenzie, No. 1051, re-elected; D. C. M.—W. G. Danks, No. 1126; C. Chap.—David Wilson, No. 1126; C. Secty.—Cyrus Martin, No. 1047, re-elected; C. F. S.—James MacPhee, No. 614; C. Milton Branch A. Y. P. A. held its regular weekly meeting on Wednesday evening. The subject up for debate was, Should the automobile law be repealed? The affirmative was taken by Rev. Mr. Trivett and James G. Hooper, while the negative was supported by H. P. Hooper, D. C. Hooper, Chas. Coles and Mrs. H. P. Hooper. Each speaker brought out numerous points both pro and con. On points of debate the decision was given for the repeal, but on a popular vote being taken it was decided that it would not be in the interest of P. E. Island to have the law repealed under present conditions. Next Wednesday W. S. Louson of Charlottetown gives a lecture the subject of which is Knockers.

On Monday evening, Feb. 5th, the occupants of the Manse, Caledonia, were taken by surprise. About 8 o'clock sleighs, full of happy young people from the different parts of the congregation assembled at the Manse and took complete possession of the same. The purpose of this gathering was of a two-fold nature. In the first place it was in order to spend a happy evening at the Manse, and in the second place it was to present the Pastor of the congregation with a beautiful rattan chair. This presentation was from the young people as a slight token of their appreciation of the Sabbath evening services which Mr. Beaton had conducted especially for the young people since he came to Caledonia. The presentation was made by Charles K. Martin in a few fitting words which were responded to by the pastor expressing his appreciation of such an expression of kindness. After the presentation a sumptuous supper was prepared by the young ladies and the rest of the evening was spent in games and songs, the principal entertainer in songs being Alexander W. Matheson of Glen William who, with his rich store of poetry and musical voice, is a host in himself. During the evening Miss Matheson, the organist, was presented by Mr. Beaton on behalf of the congregation with an envelope filled with bills as a token of appreciation for the service which she rendered in Caledonia as an organist. The happy evening came to a close by singing God be with you till we meet again.

NO CANVASSING

Mr. Voter of Ward 5 99 chances to 100 that you have many times condemned the principle of canvassing in civic election; and resolved that if you ever had a chance to support a candidate who believed in the principle no canvassing you would do so. You have that chance now. I stated when nominated that I would not canvass, and, win or lose, I am going to fight it out on this ground. I believe every person who is old enough to vote is old enough to choose their own representative without solicitation or advice. If you believe in what I stand for I ask for your support on election day. W. K. ROGERS. 1-16dttstf

To the Electors of Ward One

Ladies and Gentlemen—Two years ago you did me the honor of electing me as your representative at the Council board of this city. I have again nominated and am now a candidate for re-election. I take this opportunity of soliciting your votes in my behalf. I am in favor of the further industrial development of our city, and if elected, will support all reasonable measures for its advancement and improvement, keeping always in mind the duty of reducing our public burdens in preparation for a day when we may probably be less able than we are at present to meet them. Sincerely Yours, JOHN MCKENNA. 2-10d31.
