GERMAN SAVANT MAKES PREDICTION

Says That in Two Generations Canada Will Become Tower of Babel For All Nations-Asia and Africa Will Greatly Advance.

BERLIN, Nov. 3.—Prof. Theodore, in his monthly review of foreign affairs, makes some interesting speculations in regard to the changes which will probably have taken place in the world by the time the Kaiser's grandson, who was born on July 1, ascends the throne as William IV.

The professor thinks it is clear that the people of Asia and Africa will increase in power and strength. The victory of the yellow Japanese has stirred them and European civilization, which is imparting new knowledge to the lower races, will inevitably produce far-reaching effects.

The Hindoo Bauerji was recently crowned King of Bengal. The English laughed at the fact, but none can deny that there will be real rule by a native king in Bengal after two generations. The influence of Japan's victory will also extend to Persia and Afghanistan, and a pan-Asiatic movement is becoming possible in India, China, Persia and Afghanistan.

Prof. Scheibman proceeds to argue that surprising changes will take place in North America. Both the United States and Canada are in danger of losing their Anglo-Saxonism and becoming a lower class of German, Irish, Italian, Spanish, Slav, negro and Jew.

STRUGGLE NOW ON IN CHINA

PEKING, Nov. 3.—The conference on the constitution continues and are still eagerly discussed outside. All indications point to the sharp division between the party of modern progress, represented by the Viceroy Yuan Shih-kai and the conservative Elder statesmen, many of whom are Manchus, who's prerogatives are threatened.

JUDGE PROWSE AND THE POTOMAC

LONDON, Nov. 3.—Judge Prowse, writing from St. John, N.B., in the "Standard" relative to the action of the Newfoundland Government, compelling the United States warship "Potomac" to pay duty for supplies, declares the "Potomac" came as a spy and intruder.

HOW CUTE UTES FOOLED U.S. TROOPS

SHERIDAN, Wyo., Nov. 3.—Further details of the raiding of a government supply train, bound for the camps of the Tenth and Sixth Cavalry, from Arvada, characterize in as a clever piece of work, evidently planned by some of the older heads of the Ute tribes.

NAUGHT BUT GLORY FOR AMUNDSEN

CHICAGO, Ill., Nov. 3.—Eight years ago the British government, to stimulate exploration, offered an award of \$100,000 to the first man or party who should navigate the Northwest Passage.
