MANY KILLED BY EXPLOSION

Town of Irvine is Shaken When Dynamite Explodes.

GLASGOW, March 17 (Special)—A terrific dynamite explosion killed many inhabitants of the town of Irvine, in Ayrshire, and injured hundreds of others today, as well as virtually wrecking the town itself.

The explosion occurred at Nobel's Explosive Works, at Arder, a little more than twenty miles from Glasgow. The town of Irvine was shaken to its foundations. Many houses, churches, schools and public institutions were irretrievably damaged. Ceilings fell everywhere, partitions collapsed and scarcely a window was left intact.

People walking on the streets were thrown to the ground and all the inhabitants rushed from their houses in consternation. The harbor and many works adjacent to the scene of the explosion were masses of wreckage.

There were three distinct explosions followed by an immense column of smoke, which rose high into the air, and could be seen miles away.

Six bodies had been recovered up to four o'clock this afternoon, while seven persons seriously injured and a large number of others with slighter hurts had been taken to the hospital.

LATEST FROM THE THEATRE

"RAYS FROM THE RIALTO."

Dear Guardian:—The only thing of interest for the coming week will be the revival of the charming English comedy, "Liberty Hall," at The Empire Theatre. It is twenty years since that play-house was opened to the public and "Liberty Hall" was one of the two attractions done during its first season. With the exception of unavoidable changes in the cast the play will be acted next Tuesday night exactly as it was done on the same stage August 21, 1893.

John Mason will head the cast, playing the part originally taken by Henry Miller.

"Everyman," the old morality play, presumably written a century before the birth of Shakespeare, will be revived at The Children's Theatre Monday. Edith Wynne Matthison will again assume the title role and Ben Greet will be seen as the Doctor besides staging the play.

March 11, Ruth St. Denis, will be seen at the Fulton in new and original Japanese and Hindoo dance plays, assisted by a company of native actors.

"All good things must end," and the delightful play "Milestones," telling its quaint story of three generations, terminates its engagement at the Liberty a week from next Saturday. It will then have completed a continuous run of twenty-seven weeks.

Saw the opening performance of "The Five Frankforters" last Tuesday night. The play deals with the fortunes of the house of Rothschild during the last century and is well acted and interesting.

"Man's Friends" will have its premiere at the Astor, Easter Monday. The play deals with love and politics and purports to shed fresh light on political corruption.

Saw the first run of the Kinemacolor pictures of the Inauguration of President Wilson at Washington, last Wednesday afternoon and it is needless to say that they created great enthusiasm. When one thinks that the pictures were taken the day before at 11.20 a.m. it certainly was "going some" to show them the following day.

Miss Louise Lamont and Jack Lawrence were welcome callers today. The clever little actress has been appearing as "Betsy" in "A Good Little Devil," the Belasco production at the Republic, during the past week and I am glad to say has made more than good, press and management being unanimous in her praise. Miss Lamonte is a hard working little artiste and deserves success.

EDITH WARREN.

RAILROAD MAN HAD TO LAY OFF

Until He Took GIN PILLS

Buffalo, N.Y.

"I have been a Pullman conductor on the C. P. R. and Michigan Central for the last three years.

About four years ago, I was laid up with intense pain in the groin, a very sore back, and suffered most severely when I tried to urinate.

I treated with my family physician for two months for Gravel In The Bladder but did not receive any benefit. About that time, I met another railroad man who had been similarly affected and who had been cured by GIN PILLS, after having been given up by a prominent physicians who treated him for Diabetes. He is now running on the road and is perfectly cured. He strongly advised me to try GIN PILLS which I did—with the result that the pains left me entirely."

Throat Was So Sore Could Hardly Speak.

Mr. Gordon Murphy, Elliott's Mills, P.E.I., writes:—"Too much praise cannot be given your valuable remedy, Dr. Wood's Norway Pine Syrup. I suffered terribly from a severe cold during the early part of last winter and found it almost impossible to get anything to relieve me. Hoarseness seemed to be continually troubling me, and my throat was so sore I could hardly speak for quite a long time. At last I was advised to try your remedy, and in a short time I got relief, and have never been troubled with a sore throat or hoarseness since. I hope others will be fortunate enough to give your remedy a trial and be convinced that it is all I say it to be."

Dr. Wood's Norway Pine Syrup is without an equal for Coughs, Colds, Sore Throat, Hoarseness, Bronchitis and all Affections of the Throat and Lungs.

Price, 25 and 50 cents a bottle, put up in a yellow wrapper, three pine trees the trade mark.

Be sure and get "Dr. Wood's."

TOWN VICTIM OF SWINDLE.

BERLIN, March 13—A man wearing the uniform of an officer and giving the name of Dr. Gustav von Krupp von Bohlem und Halbach, which is the name of the manager of the Krupp works at Essen, entered a municipal counting house there and asked leave to examine the town's accounts, which was granted. After his examination the man declared that he had discovered that there were several thousand marks over and above the correct amount, and said that he would take the surplus to the ministry of finance in Berlin. He departed from the town, and later when the town's authorities communicated with Berlin they found that they had been robbed.

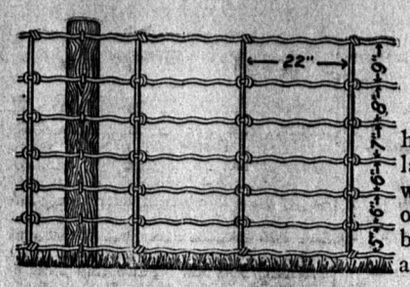
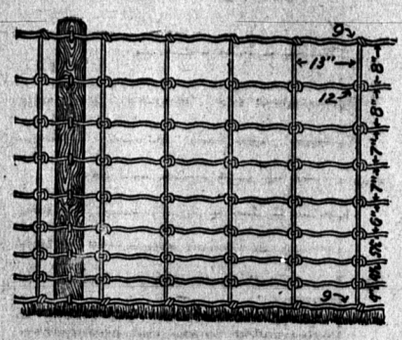
Holman's Catalog Brings the Store to Your Door

NOW is the Time to Buy Your Invincible Wire Fences



Don't wait until our present supply is sold. We have a large quantity on hand at the present time which we received just before the close of navigation last fall. But at the best this supply could only stand a very short time with the demand we had last season. That's why we sound a warning. Get your order in early. We have made some big shipments during the present month, but while this may seem a little early; still those people will have the fencing all ready for erecting.

INVINCIBLE is the Strongest, Toughest Zinc-Clad, Rust-Proof Steel Fencing



To past users it is unnecessary to emphasize upon the quality of **Invincible Wire Fencing**—to others we would say investigate.

When we say that **Invincible** is the strongest, toughest, zinc-clad, rust-proof steel fencing we merely repeat the claims of the manufacturers and voice the expressions of satisfied users. If fencing could be made any better than Invincible, the manufacturers of this self-same brand would be making it that way. As it is—practical and scientific tests have amply demonstrated that Invincible is the easiest to erect, is the strongest and will out-live all others.
