DR. A. W. CHASE LECTURING AT ANN ARBOR, MICH.

THE MEDICAL PROFESSION

Recommend Dr. A. W. Chase's Ointment.

Dr. C. M. Harlan, writing in the American Journal of Health, of February 19, says:—

"Among the proprietary medicines deserving recognition is 'Dr. Chase's Ointment,' compounded by THE DR. A. W. CHASE MEDICINE CO., Buffalo, N. Y., and Edmondson, Bates Co., Toronto, Ont., as a remedy for sores, eruptions, and skin diseases of all kinds, for which it has been used with marked success, and has effected remarkable cures in many obstinate cases which seemed to baffle the skillful medical attendant. The results were most favourable, proving the value of 'Dr. Chase's Ointment' as a curative agent in the diseases named. The manufacturers of the remedy are well-known as experienced pharmacists, careful and reliable, in addition to which we have made full examination, and find the article to be all that is claimed for it. It is not the practice of the medical profession to indorse indiscriminately the use of proprietary medicines, but while we condemn the bad and worthless, we are still more ready to indorse and recommend the remedy deserving the recognition. 'Neither the physician nor the responsible Journal of Health now refuses to acknowledge the claims of such proprietary remedies as 'Dr. Chase's Ointment,' which prove their virtues by curing where other agencies have failed. 'We know that 'Dr. Chase's Ointment' meets all requisitions of the highest standard of worth, that it will be held in high esteem wherever it is used, and consequently we indorse it as every reader."

Early Accidents

Cause Lifelong Suffering. A Case that is Causing Talk.

When a lad about eight years of age I fell into a cellar a distance of ten feet, striking on my head, and causing concussion of the brain. I was taken to a London, Eng., Hospital, the first seven days not recovering consciousness. I am now 35 years old and from the time of my accident until I began taking Dr. Ward's Pills five months ago I had been subject to fainting spells, never being more than two weeks without an attack of fainting. As I grew older these spells became more frequent, lasted longer, and left me more less vitality. I was weak, had no strength or stamina, always very low-spirited and down-hearted; imagined that every thing and every person was going against me, and life only had a dark side for me. My appetite was poor most of the time, but I am now happy to say that, since taking Dr. Ward's Blood and Nerve Pills, I have only had one fainting spell, shortly after I began taking them, so I have no hesitation in saying that Dr. Ward's Pills cured me. Before taking these pills I always looked for a fainting spell not more than two weeks apart; now, I would be greatly surprised at a recurrence of these spells. Life is now bright—the constant, morbid, down-hearted feeling is gone, being replaced by a contented, hopeful feeling. I feel like working. My appetite is good, and in every respect I have experienced the health and strength restoring properties of Dr. Ward's Blood and Nerve Pills. They certainly have proved a great blessing to me. Yours truly, (Signed), Thomas Stanton, Brighton, Ont.

Dr. Ward's Blood and Nerve Pills are sold at 50c. per box, 5 boxes for \$2.00 at druggists, or mailed on receipt of price by The Doctor Ward Co., Limited, Toronto.
