

The Rich Appearance of
The New Scale Williams Piano
is the result of care and attention given to each detail in the selection of the material for case and finish, the choicest woods, and varnish of the finest quality being used. After varnishing, every case is hand-rubbed to the brightest finish, which gives the brilliancy and durable finish, which is only one of their chief characteristics.

"Its tone and strength of design are certainly very beautiful."—
Dr. Edward Fisher, Musical Director of Toronto Conservatory of Music.

BATTLESHIPS COLLIDE.

NEW YORK, N. Y., Jan. 11.—A wireless message was received at the Brooklyn Navy Yard tonight from the Kentucky saying that the starboard side of the vessel, above the water line, has been quite badly damaged in a collision with the Alabama. It also was stated the Kentucky will go to the navy yard tomorrow for repairs.

ANOTHER REVOLUTION.

GUAYAQUIL, Jan. 10.—A body of reservists attacked the police station here this afternoon. The police fired, dispersing the reservists; one of them was killed and two were wounded. Part of Col. Karre's forces have gone over to the revolutionists. Col. Larra has returned to Quito.

Contracted Chronic Diarrhoea While in the Philippines.

"While with the U. S. Army in the Philippines, I contracted chronic diarrhoea I suffered severely from this terrible disease for over three years and tried the prescriptions of numerous physicians, but found nothing that did me any good until I tried Chamberlain's Colic, Cholera and Diarrhoea Remedy, two small bottles of which entirely cured me and I have since had no return of the disease."
HERMAN STEIN, 212 N. Union Ave., Pueblo, Colorado. For sale by all druggists.

Cured His Mother of Rheumatism.

"My mother has been a sufferer for many years from rheumatism," says W. H. Howard of Husband, Pennsylvania. "At times she was unable to move at all, while at all times walking was painful. I presented her with a bottle of Chamberlain's Pain Balm and after a few applications she decided it was the most wonderful pain reliever she had ever tried, in fact, she is never without it now and is at all times able to walk. An occasional application of Pain Balm keeps away the pain that she was formerly troubled with." For sale by all druggists.

The many friends of Capt. Shadrack W. Johnstone of Gasperaux, P. E. I. will be pained to learn of the serious illness and great suffering through which he has gone since his leaving the Island a few weeks ago, up to which time he had also suffered severely. Capt. Johnstone with his sister, Mrs. Johnson B. Young of Sturgeon, who had just buried her husband a few weeks previous, paid a visit to their brother Dr. Wm J. Johnstone, a practising physician and surgeon in Boston, Mass. The Dr. noticed a great change in the Capt. and on examination discovered a large tumor in the region of the stomach and apparently adherent to it. The Dr. called in some of the most eminent surgeons in the city and it was decided that the only chance Mr. Johnstone had was surgical interference. Subsequently a private room in a private hospital was engaged and also two special nurses to care for him day and night. His brother Dr. William J. Johnstone secured the services of four of the most eminent expert surgeons in the city of Boston, and under his supervision an abdominal incision was made which revealed a large neoplasm involving the stomach, pancreas kidney, and other of the vital organs, which would have rendered it impossible for Mr. Johnstone to live but a very short time in this condition, and the very seriousness of which has made it impossible to state at this time just what the outcome may be. The operation

was performed on Dec. 21, 05, the Captain having undergone the ordeal with great fortitude and cheerfulness. He has held his own fairly well up to the present writing; his cheerful disposition and great courage together with a strong constitution has done much for him during this terrible ordeal. He sends kind regards and New Year's Greetings to all his Island friends.

Chamberlain's Cough Remedy the Best Made.

"In my opinion Chamberlain's Cough Remedy is the best made for colds," says Mrs. Cora Walker, of Porterville, California. There is no doubt about it being the best. No other will cure a cold so quickly. No other is so sure a preventative of pneumonia. No other is so pleasant and safe to take. These are good reasons why it should be preferred to any other. The fact is that few people are satisfied with any other after having once used this remedy. For sale by all druggists.
