**CHRISTMAS EXAMINATION**—On the evening of Dec. 24th the Christmas examinations of the Summerville School was held. A large number of ratepayers and visitors were present who expressed themselves well pleased with the work done. The pupils were examined in the various subjects by their teacher Mr. Frank McMillan, assisted by Miss Katie Walker and Mr. Harold Cain. At the close of the examination a short program was rendered by the pupils. Vocal and instrumental music was also supplied. Then a well stocked Christmas tree was disclosed and Santa Claus appeared and delivered the presents to the children. Then he surprised the teacher by giving him a present from his pupils to whom he made a fitting reply. The children and visitors were then treated to candy and the singing of the National Anthem brought the examination to a close.

**DOYLE-MATHESON WEDDING**—The following is copied from an Edmonton, Alta. paper of Jan. 1st. A pretty wedding took place at McDonald Baptist Church on Tuesday evening, Rev. D. M. Thomson assisted by Rev. J. A. Doyle, brother of the groom, officiating, when Alice Elizabeth Matheson, daughter of Mr. and Mrs. A. D. Matheson, Dundas, P. E. I., was united in marriage to William J. Doyle of Hoosier, Sask. The bride, who was unattended, entered the church on the arm of Mr. S. Langille to the strains of Lohengrin's wedding march, played by Mr. M. Bonnar. The bride looked charming in a dress of sage cloth with rose trimmings, with a large hat to match and carried a bouquet of pink and white roses. The choir of the church was present and sang both before and after the ceremony and during the signing of the register. After the ceremony, a reception was held at the home of Dr. and Mrs. H. R. Smith 165th St. The rooms were prettily decorated with red and white carnations, and after the bride and groom had received con-

**Soldiers Home Coming Campaign**

**The Boys Have Done Their Part**

The boys have won a great Victory. Their banners are crowned with glory. But they won't all be home for many weary months yet—perhaps 1920 will see some of them still waiting and longing—

We must see this thing through to a finish—just as they are doing. "Till the boys (all the boys) come home"—that was your pledge, and while there is a Canadian garrison on duty in Germany or elsewhere; a Canadian company in Paris, Boulogne, London, Liverpool, or anywhere else, waiting for transport, Canadian troops landing in Halifax, St. John, or Montreal; or returned soldiers waiting to start civilian life again—**THERE THE SALVATION ARMY LASSIE MUST BE.**

**The Salvation Army Million Dollar Fund**

January 19th to 25th

**"FIRST TO SERVE—LAST TO APPEAL"**

Think what might happen to your boys with military discipline, relaxed and no Salvation Army to furnish the fun and a song, to bake pies, fry the eternal eggs, mend clothes, provide a place to write to you, steer the boys out of graver dangers than German shells, and mother them in the hundred and one ways every man needs and never misses until he is away from his women folks.

**Repatriation**

Toronto, London, Chatham, Winnipeg and Vancouver.

The Hostels are soldiers' hotels where the men can find a hearty, wholesome welcome, find good entertainment, home cooking, clean beds, and a bath—all at prices they can afford to pay.

If they haven't the Hostels, where will they go? THAT is the problem. It is for you to answer by your whole-hearted help!

Remember how the boys went away with your promise ringing in their ears: "We'll keep the home fires burning till the boys come home." And we WILL too,—till the last boy is home and settled down.
