IMPORTANT meeting of the Y. M. C. A. auxiliary Saturday afternoon at four o'clock.

YESTERDAY Messrs. Saunders & Newson received a consignment of sheep and cattle from Mr. B. Leard, Tryon.

ABOUT forty people in the western part of the province took advantage of the merchants' excursion yesterday. The train from the east also brought 65 people.

INSPECTOR McCORMAC is leaving Cardigan Bridge to locate again at St. George's. All correspondence for him after May 1st should be addressed to St. George's P. O. 2931 & W.

Mr. VICTOR McWILLIAMS offers for sale on Thes lay, May 7th, a horse red in color and about 9 years old. This will be a grand opportunity for anyone wanting to buy a horse.

Mr. H. H. ACOON of Souris has received instructions from the contractor of the Hillsboro bridge to forward timber for construction at once. A portion will be rafted from Mt. Stewart and another lot will be brought by schooner from Souris.

YESTERDAY Mr. Geo. Jones of Pownal, brought to THE GUARDIAN office two eggs one of which measured 12 1/4 x 9 1/2, and weighed 11 1/4 oz. the other the product of a wild goose; measured 10 x 8 inches. Mr. Jones says that he has others at home measuring respectively 12 x 9 in.; 12 x 9 1/4; 12 1/2 x 8 1/2; 8 x 6 1/2; 8 1/4 x 6 3/4. The ones left at the office are certainly very unusual.

ON Friday evening, April 26th, Darnley Hall was literally packed by an attentive audience to hear the excellent recital given by the pupils of the Darnley School. The chairman, Mr. Geo. B. MacNutt, in a few well chosen remarks called off a lengthy and well-prepared program consisting of choruses, dramas, drills, recitations, vocal and instrumental music. The accompaniments were played by Miss Flo Wiggins whose reputation as organist was fully sustained as on former occasions. The entertainment throughout was a decided success and elicited many encores and rapturous applause from a delighted audience. Their energetic teacher Mr. E. Lochart is to be complimented on the very satisfactory results obtained as well as the pupils themselves whose performances showed careful and attentive training on the part of the teacher and parents. The receipts which amounted to \$20.40 went toward furnishing requisites for school-room.—(COM.)

THE EDITOR'S MAIL.

A Conservative Speaks.

SIR.—The Editor of the Examiner is very much disturbed over the election petition against Mr. D. A. McKinnon, and states that "the Conservatives of the Province, and least of all those of East Queen's, have no desire to see another fizzle, to the confusion of their party and the loss of a man whom they honor." This from The Examiner is very refreshing considering its extraordinary conduct after the Martin trial, last winter. The Editor of The Examiner should know what every person knows that he and his paper are looked upon as the weakest part of the Conservative party in this Province, that his paper and his mode of conducting it, has produced more fizzes, brought more confusion to the party, and caused the loss of more men, than the worst actions of the Liberal party.

EASTERN NOTES.—Your friend Sorlingour has come and gone, making glad the heart of the fisherman by the distribution of his cheques.—The farmers are beginning their busy work, and some potatoes are already planted, considerably earlier than the average.—Herring has struck the shore in considerable quantities though the fisherman cure but few now since the failure of the mackerel fishery where they were used extensively for bait.—James Stewart on the second attempt, successfully floated the schooner ashore to East Point, and brought her into Souris.—Harlan Kennedy is getting his new house plastered. Mr. Jenkins, Dundas is the contractor. William Young, with his usual enterprise has imported a car load of hay to Souris.—The early spring has lessened the demand for hay and straw.—Bicycles are already appearing on the road, something unusual for the month of April, and we anticipate an increasing number as spring merges into summer.—The intrusive Oriental is already on the road, having exchanged his pack for a horse and wagon.—Black Pond Bridge is about completed by the contractors. The job is well done, and cheaper in the end, as solid work is substituted for piles. The new Road Act comes in for both criticism and commendation but every fair minded man whatever his political creed must allow that a change was necessary.

Stomachs That Won't Work

Test Retain the Food and Refuse to Digest it. Makes the Head Heavy and the Nerves Weak. Need Stuart's Dyspepsia Tablets.

There is a cure for dyspepsia. Sufferers who have tried noxious nostrums will probably be skeptical but skepticism vanishes when Stuart's Dyspepsia Tablets are tried. Whether the trouble is dyspepsia of long standing, or merely a simple case of indigestion, relief is prompt and pronounced. The less the trouble the fewer tablets need be taken.

Heaviness after eating, sour stomach, as indicated by belching, fatigue with slight exertion, or with no exertion at all, disturbed sleep, nervousness, constipation, depression, "blues," these things can commonly be set down as symptoms of dyspepsia. And dyspepsia is merely indigestion in an aggravated form. By promoting perfect digestion, Stuart's Dyspepsia Tablets produces strong nerves, restful, refreshing sleep, pure blood and good sound healthy flesh. They make the skin clear, the eyes bright, the mind cheerful.

Stuart's Dyspepsia Tablets are a medicine and more than a medicine. They digest the food and make it easy of assimilation and they relieve the inflamed diseased condition of the membranous linings and the glands of the stomach and bowels. They help the digestive organs over the hard places and put them into a healthy, active condition. They effect a quick and permanent cure. You don't have to continue taking them forever still it is well to have a box handy and take one at the first return of the trouble.

Perfectly well people are made sick by eating too much or unwholesome food but not if they take a tablet after eating. Treatment with Stuart's Dyspepsia Tablets does not necessitate dieting or any change of habits. They digest the proper food and act upon the other kind in such a way as to make it pass off quickly and harmlessly. You may eat and drink what you like, when you like and as much as you like if you take a tablet afterwards.

Stuart's Dyspepsia Tablets are sold by all druggists at 50 cents for full size package. Send to F. A. Stuart's Co., Marshall, Mich for little book on stomach diseases mailed free.
