Sorest Corn Removed Without Pain, Quickly

No wonder Putnam's Painless Corn Extractor sells so well. You see it is different from any other remedy you have ever used. Does not merely relieve the pain temporarily, but is guaranteed to remove the cause, sorest corn or callous no matter how long it has bothered you. Get a 25c bottle of "Putnam's" to-day and prove it. The name tells the story—Putnam's Painless Corn and Wart Extractor, which is sold by druggists.

WOMEN TAKE DIP AT ATLANTIC CITY

ATLANTIC CITY, N. J., Jan. 20.—Many young women took a dip here today because Old Sol proved so comfortable. "It wasn't a bit chilly," chirped one. The bathers declared it was just right for swimming. Broadwalk promenaders paraded in Spring attire.

VANCOUVER APPROVES C. N. ENTRY PLANS

Vancouver, Jan. 20.—The Provincial Government has approved the plans of the Canadian Northern's entry into Vancouver. The railway has agreed to spend four million dollars in filling False Creek during the next five years.

SHILOH

Shiloh also cures, cures colds, and heals the throat and lungs.

IT PAYS to buy in this Province.

BROOKFIELD.—There will be services in the Brookfield Congregation on Sabbath, 26th inst., at the usual hours.

ENJOYABLE AT HOME.—An enjoyable "Gentlemen's at Home" and dance was given at the Queen Hotel, Charlottetown, last evening. The chaperons were Mrs. W. A. O. Morrison, Mrs. B. Roseborough, Mrs. A. G. Peck, Mrs. J. S. Morris, Miss Jean Blanchard provided the music for the dance program in her usual capable manner.

VIOLET DAY.—Yesterday, Violet Day, was quietly and unostentatiously observed. As the natural violets failed to put in an appearance, notwithstanding the tampering weather, their place was taken by the artificial species. The day commemorates the death of the beloved Queen, Victoria the Good, who died twelve years ago on January 22.

PROGRESSIVE.—George E. Leard & Son, the progressive millers of Crapaud, are about adding to their already well equipped plant a large dynamo which, in addition to lighting their own establishment may possibly extend its rays to the village and perhaps Victoria. Such enterprise is commendable and speaks well of the thriving community of Crapaud.

KILLED BY TRAIN BRAKE SHOE. GANANOQUE, Ont., Jan. 20.—George Pennock, of Brockville, a Grand Trunk Railway conductor was killed near Gananoque Junction yesterday. On the arrival of the train at Gananoque Junction he was missing, and, on search being made, his body was found about two miles west of here. His right hand was crushed and he had been struck over the heart by a brake shoe.

GOT IN THE ICE.—Some excitement was caused on the ice at the foot of Richmond street last night when a horse driven by William Currie of Rocky Point broke through. The plunger was a bad one and the occupants of the sleigh got out in time to escape going into the hole. One of them afterwards went in up to the neck but was pulled out by the crowd which gathered within a few minutes. The horse also was with difficulty pulled out and appeared to be little the worse. It would appear that the ice is not particularly safe especially at the landings.

ECONOMY.—Economy in subsidizing trains is said to be the reason for the government taking the boat off the Cape route on Saturday, says a Sackville exchange. The service was stopped for the second time in the season and the boats ordered to run to Pictou. Mail clerks who were stationed here were ordered to run on the Pictou boats. As a result the morning train on the Cape route was ordered cancelled except on Monday mornings. Manager Harris received word on Friday that the N. B. & P. E. I. railroad would no longer be required to handle mails. That the government is anxious to abolish the 50 cents per mile subsidy for a great part of the year as possible between Charlottetown and Summerside is considered the reason for the action.

IN HIS HONOR.—Last evening a very sociable and pleasant evening was spent by the guests of the King Edward Hotel, Charlottetown, in doing honor to Alfred Farrel, a fellow-boarder, previous to his departure for New Glasgow where he has been transferred by the Western Union Telegraph Company. Mr. Farrel has been here for the past summer repairing telegraph lines, being employed by the aforesaid company as lineman for the Charlottetown District, doing his work in a thoroughly capable manner, and being a genial fellow, he won the esteem and respect of all. The goose supper last evening was a farewell tribute to his merit. Many speeches complimentary to the guest of honor, toasting his health and wishing him the success which undoubtedly he deserves, were made, to which Mr. Farrel gave reply in his own pleasant way. Mr. Farrel came here from St. John and will be succeeded by his cousin, Mr. Farrel, who comes from the same place.

CASCARETS CLEANSE LIVER AND BOWELS

No headache, bad taste, sour stomach or coated tongue by morning

It is more necessary that you keep your Bowels, Liver and Stomach clean, pure and fresh than it is to keep the sewers and drainage of a large city free from obstruction.

Are you keeping clean inside with Cascarets—or merely forcing a passageway every few days with salts, cathartic pills or castor oil? This is important.

Cascarets immediately cleanse and regulate the stomach, remove the sour, undigested and fermenting food and foul gases; take the excess bile from the liver and carry out of the system the constipated waste matter and poison in the intestines and bowels.

No odds how badly and upset you feel, a Cascaret tonight will straighten you out by morning. They work while you sleep. A 10-cent box from your druggist will keep your head clear, stomach sweet and your liver and bowels regular for months. Don't forget the children—their little insides need a good gentle cleansing, too.

ANNUAL BALL.—The annual ball of the L. P. U. was held in their hall on Queen St., Charlottetown, last evening. About three hundred attended and a highly pleasing time was enjoyed. Walter Montie and James Rush superintended the floor arrangements while Mr. Chivrie and Bames Rubinschade supplied the music on violins.

COMEDIAN SELLS FIVE-POUND NOTES AT PENNY APICE.

LONDON, Jan. 20.—Unshaven and unkempt, a man stood outside the Grand Hotel in Trafalgar Square shouting "Five pound notes a penny each."

As he displayed his wares on a tray in front of him, people passed in dozens, giving a knocking look and going on their way. Presently a well-dressed man with a woman thought of asking if they were forgeries. Being assured that they were not, they wanted two, but were told that the sale was limited to one to each person.

The purchaser crossed the street to a well-known agency, and there to his amazement received gold in exchange for the note.

In an interview, the man, a comedian, said the whole thing was the result of a wager.

REAL ESTATE SPECULATION LEADS TO SUICIDE.

NEW YORK, Jan. 20.—Mrs. Eleanor B. Barry, once in affluent circumstances, but who recently lost her money in a real estate venture, shot herself to death in her uptown apartment yesterday. Reverses following losses incurred through participation in a land investment scheme headed by Edgar R. Jackson, who was convicted last week of defrauding an Ohio woman in the sale of Long Island property, are believed to have been responsible for the woman's act. Her relatives live in California.

As our annual linen sale will positively end January 31 we advise all intending purchasers to complete their lists and make their purchase before that date. Not only household linens but furniture coverings, portieres, blankets, comforts, and fancy linens are included in this sale. Sheets, slips, etc., hemmed free of charge.

SECOND TRIAL OF DARROW BEGINS.

LOS ANGELES, Jan. 20.—The second trial of Clarence S. Darrow, charged with bribery in connection with the selection of jurors for the trial of James B. McNamara, was called for hearing today. Judge W. McConlin of Madera County was especially named by the Governor to preside, Darrow, who is an attorney of record in his own defence, planned to take a more active part in the hearing this time. The indictment on which he faces trial today charges bribery of Robert F. Bain, the only sworn juror selected at the McNamara trial.

TORONTO LINEMAN ELECTROCUTED

TORONTO, Jan. 20.—While fixing some wires belonging to the Holmes Electric Wire Protection Company at the corner of Cherry and Mill streets on Saturday night, William Wallace, lineman, was electrocuted.

INVESTIGATE DEATH OF MAN IN WOODS

HAMILTON, Jan. 20.—The discovery of bullet holes in the skull of the skeleton near the Summer estate of Secretary von L. Meyer, causes Medical Examiner Bailey of Ipswich to believe the man may have been murdered. The State Police are making an investigation to-day.

According to the examiner, the body had probably lain in the woods for two years. The bones were covered with rotted clothing, but there was nothing to reveal the identity of the victim.

SOLDIER CRAZED BY GRIEF

TORONTO, Jan. 20.—Grief-stricken over the death of a comrade whose friendship he had enjoyed for twelve years, Private Edward Fraser, of the Royal Canadian Dragoons, turned a rifle on himself. He is in the Military Hospital. Fraser's comrade was Private George Shandley, of the Royal Canadian Regiment, who died suddenly of pneumonia. When the unexpected news was told Fraser he became crazed with grief and, before anyone could anticipate his purpose, seized his rifle and slipped a cartridge into the breach, pulled the trigger. He will probably recover.

ICE BREAKS UP ON THE HUMBER RIVER

TORONTO, Jan. 20.—For the first time in the past forty years the Humber River has broken up after once freezing in midwinter. At 11.30 the ice in the river broke in the centre at the second bend. The pressure from up stream was too severe for the lower portion of the river, the result being that the ice was jammed up on the concrete pier under the Grand Trunk bridge. The jam, however, only lasted a few moments and the ice soon rushed out into the lake. The ice was six inches thick, but no damage was done so far as could be learned.

ALWAYS CONSULT THE PHONE DIRECTORY

It is surprising the large number of people in Charlottetown who, when they want to inquire about their Morning Daily Guardian or subscription, ask Central for the News phone No. 132.3, instead of 132.2; or when they want to inquire about advertising ask Central for the Subscription phone No. 132-2, or for the News Phone No. 133, instead of 132-3; or when they want the News or Editorial Department ask Central for the Subscription phone No. 132-2, or the Advertising phone No. 132-3, instead of 133, although all those departments and their respective phone numbers are plainly given in the telephone book. Some people instead of looking at the book, even phone one what number to ask for to get an other department. All this is a great waste of time on the part of the person phoning, the operator at the Central, and the clerk in the department wrongly phoned. The news staff, on an upper floor, cannot give the necessary information about either advertising or subscriptions, nor the advertising staff about subscriptions or news, nor the subscription staff about advertising or news. In other words the clerks know and can do but their own work in their own departments, and if it were otherwise they would be continually running from one department to another, up stairs and down, mixing work, wearing themselves out and causing the greatest possible confusion. On and after 6 p. m. daily it is useless to ask for any phone numbers except 132 and 133.

Patrons who consult their phone books for the numbers they really want will greatly lessen the work of the patient Central telephone and Guardian clerks and thus help make their lives much brighter and happier. 3-16dt.
