...READY FOR FISHING.—Preparations on a very large scale are being made for codfishing this spring, fishermen having done so well last summer.

...BACK IN SOUBIS.—The Cox Hotel has reopened after being closed for the winter months. Mr. and Mrs. Cox having resided in Charlottetown during the time the hotel has been closed.

...BOAT BUILDING.—Watson O'Hara is executing a rather skillful piece of work, viz., he has cut a large motor boat belonging to Mr. H. D. McLean, in two, and is adding 10 feet to her length. Capt. O'Hara can build and sail his ship when finished.

THE CAUSE OF SICKNESS

Apart from accident or illness due to infection almost all ill-health arises from one of two reasons. The great mistake that people make is in not realizing that both of these have the same cause at the root of them, namely, poor and impure blood. Either bloodlessness or some trouble of the nerves will be found to be the reason for almost every ailment. If your are pale, suffer from headaches or breathlessness, with palpitation of the heart, poor appetite and weak digestion, the cause is almost always bloodlessness. If you have nervous headaches, neuralgia, sciatica and other nerve pains the cause is run down, exhausted nerves. But run down nerves are also a result of poor blood, so that the two chief causes of illness are one and the same.

This accounts for the great number of people, once in indifferent health, pale, nervous and dyspeptic, who have been made well and hearty by Dr. Williams' Pink Pills; for no medicine ever discovered is so valuable for increasing the supply of rich, red blood and giving strength to worn out nerves. Men and women alike greatly benefit from a course of the splendid blood builder and nerve tonic. If your dealer does not keep these pills you can get them by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams Medicine Co., Brockville, Ont.

...TWO CENTS PER WORD each insertion for advertising in this column. Cash must accompany order. Minimum charge twenty-five cents.

...HAY IS SCARCE and high ranging from \$20 to \$24. Potatoes are plentiful and cheap, the price at present being about 50c.

Breezy Notes From Wireless Station Citadel, Halifax

Louis McMillen, the genial Lance Corporal, has again distinguished himself by qualifying with high honors, for a Grade "A" Signalling Certificate. If Mack adds much more avoirdupois, the Dartmouth Ferry Commission will put a War Tax on him; Mack's aspirations to become a violin player have ceased. Somebody sold the Violin. We wonder why?

Corpl. J. C. Dawson has returned to this Station from Sydney Mines, Ches., thinks a lot of the Mining Town and judging by correspondence he receives from there, we are inclined to agree with him. We are glad to believe, (by the jingle of the telephone) somebody in Halifax is on the job again.

Smaller Walter Bears has had his First Baptism of Fire. Walter says "There are pleasanter ways of getting a first taste of powder than at the end of a gun." It is stated on the best of authority that "Dusty" Bears is about to divulge a new Theory on "The Atom and Molecule in their relation to Wireless Telegraphy." As a result of the big idea, Walter spends most of his days as well as nights in Dreamland.

Howard Dohle the only Agriculturist in the section is busy pursuing his studies in Wireless Telegraphy.

James Bolevne (better known as Noah) our Culinary Artist, can certainly hand out some Dainty Dishes, but when it comes to Mulligan, James is in a class by himself.

Ivan Griffith "Our authority on Electronic Theory" was unable to attend Divine Worship yesterday. "Grit" has a huge boil protruding from the right cheek of his usually smiling countenance but nevertheless he manages to call at College Street every night.

Signaller Foster Murray has been causing the Section a great deal of worry lately. Foster eats little or nothing, goes around with a dreamy, far away look in his eyes and seems to have a sort of restless air. Wonder what the trouble is? Foster is now a valued member of St. Andrews Church. We wonder why he attends St. Matthews in the evenings. *Credula res amor est.—Eye Witness.*

EVERYTHING GOES UNDER THE HAMMER!

OUT THEY GO THIS IS FINAL NOT A PIANO OR PLAYER PIANO CAN REMAIN

We are Positively Going Out of Business—We Have Slaughtered Piano, Player Piano and Organ Prices We Have Annihilated Terms—Everything Must be Sold!

Facts and Figures of this Great Sale.

Some of the Pianos have been used; others have been rented right here in Charlottetown. Still others have been taken as part payment on Player Pianos, but the vast majority are Brand New, High Grade, Guaranteed Pianos, direct from the factories and fully warranted.

Come Here to this Sale.
 Included in this sale are brand new, high grade \$400, \$450, \$500, \$550 Pianos, and all are going at prices so low that competition is out of the question. The end is in sight. There are no two ways about it; every single solitary Piano, Player Piano and Organ must be sold at some price. This is absolutely flat and final.

The Last Word has Been Spoken.
 We have received final instructions from our factory. It is: Sell everything at some price—Do not be afraid to slash into high prices—We do not want you to ship anything; let go everything, even the disks, fixtures, stoves, etc. Do not refuse any kind of a reasonable cash offer. This gives us unlimited latitude for the last few days, and out they go regardless of consequences.

A Word to the Wise is Sufficient.
 The Crucifixion would never have taken place had it not been for the insane jealousy of the exponents of the old law. The mad cry of Fake from the Scribes and Pharisees precipitated the most inhuman murder ever called to the attention of mankind. We poor mortals who sell pianos and conduct our own business in our own way expect to be shouted at by the modern Pharisees who gouge the piano-buying public for exorbitant prices. Come here to this sale—See for yourself—Make us prove our statements that this is the greatest, the grandest, the most liberal Piano Sale ever attempted in the Dominion of Canada.
