

SPECIALIST SAID HE MUST OPERATE

She Took "FRUIT-A-TIVES" Instead, And Is Now in Perfect Health.

MME. F. GAREAU

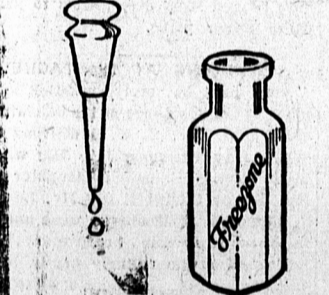

153 Papineau Ave., Montreal.
 "For three years, I suffered great pain in the lower part of my body, with swelling or bloating. I saw a specialist, who carefully examined me and gave me several tonics to take, which did not help me. Then he told me I must undergo an operation. This I refused to permit.
 I heard about 'Fruit-a-tives' and the wonderful results it was giving because this medicine is made from fruit juices, so decided to try it.
 The first box gave great relief; and I continued the treatment, taking six boxes more. Now, my health is excellent—I am free of pain and swelling—and I give 'Fruit-a-tives' my warmest thanks."

TUESDAY

NINETY YEARS YOUNG.—A correspondent writes: In passing along the lovely country section of Bay Fortune, we called to see our old and revered friend J. C. Underhay. Notwithstanding his four score and ten year Mr. Underhay has planted and tended quite a large plot of garden vegetables besides a field crop of carrots, parsnips and mangles which had been all nicely hoed by this aged gentleman who will be 90 years old his next birthday.

MARRIAGE.—The marriage took place at St. James' church Egmont Bay on Tuesday, July 30th of Miss Loretta Leclerc daughter of John S. Leclerc of St. Gilberts to Mr. Joachim Dolron of Miscouche. The bride was attended by her sister Miss Marguerite Leclerc, teacher, while Belonie Gaudet son of John B. Gaudet supported the groom. In the afternoon the wedding party motored to Miscouche. An enjoyable evening was spent at the groom's home where a number of invited guests were assembled.

ISLAND SOLDIER'S DEATH.—Particulars have just been received of the death of Pte. G. M. Taylor, of Granville, Pte. Taylor was sleeping in a bunk hole when a shell struck and exploded inside the bunk hole. He was badly wounded about the head and shoulders and died at the dressing station without regaining consciousness. The bunk holes are merely shelters from the weather and protection from flying splinters of shells landing near by. They could not withstand a direct hit from a shell, but in them the men are in far less danger than outside, for the percentage of direct hits on bunk holes is very small. Pte. Taylor was the oldest son of Mr. Wm. R. Taylor of Granville, and was reported killed in action on April 25th, 1918.

DEATH OF J. B. LAMBKIN.—The death is announced in the Royal Victoria Hospital, Montreal of Capt. J. B. Lambkin. Capt. Lambkin was well-known in Moncton and Charlottetown having been for some years connected with the I. C. R., as assistant General Passenger Agent; prior to that he had been connected with the C. P. R. in the same capacity. Since the outbreak of the war, he has been handling the transportation of wounded soldiers returning from overseas, in connection with the hospital commission. He has not been in good health for several months, tuberculosis being the cause of his death. Jim Lambkin as he was familiarly called by his large circle of acquaintances, and railway officials in all parts of Canada, was known and hailed as a good-fellow from the Atlantic to the Pacific. He was characterized for his continual sunny disposition, frankness of speech, and good nature, and his proverbial smile and good humor that perpetually illuminated his countenance will be missed. Deceased leaves a widow and two grown up children, one son and one daughter.

A deep groan was cast over Tryon when the sad news was learned of the death in action of Percy Farrar, on June 23d, at the early age of 23 years. He enlisted in the 105th Battalion in September, 1915, but crossed to France with the 26th Battalion. Percy was a young man possessed of an exceptionally kind and cheerful disposition, which gained for him the large friendship and acquaintanceship he enjoyed. His many friends will miss his cheerful smile and kind words especially to the old and aged, as well as to the young. He was a faithful member of the Methodist Sunday school, always ready to help in any good work. He leaves to mourn his departure and to cherish in love his memory a father and mother, Mr. and Mrs. William Farrar, Tryon, and two brothers, Fred and Frank in San Diego, California; also two sisters, Mrs. Ed Merritt, California, and Mrs. Roy Dawson, Summerside. But they mourn not as those without hope, for what is their loss is his gain. The sympathy of the community goes out to the family in their sorrow.—(Other papers please copy.)

To join the colors he gave up an excellent ranch in Saskatchewan which he had built up and which gave promise of abundant success. His early death in the prime of manhood is deeply deplored by the many who knew him and the heartfelt sympathy of all goes out to his widowed mother, sisters, and brothers in the sorrow. The sisters are Miss Elizabeth, Charlotte, Miss Beatrice at home Mrs. J. P. Irving, Cherry Valley; the brothers are Major F. B. McRae, who has served three years and three months with the colours; Malcolm in the home-stead; Robert and Daniel in Saskatchewan, the two latter, as well as the Major being veterans of the South African War.

RECEPTION TO RETURNED SOLDIER.

A reception was held in Kinkora Hall last week, when the residents of that place met to do honor to Corporal Gordon Cairns, who has lately returned wounded from France. Rev. J. J. McDonald acted as chairman, and besides him and the guest, there was also on the platform Pte. Rogerson (m. Medal) who returned some time ago. After the opening remarks by the chairman and a number of musical selections, Rev. A. J. McIntyre was called on to read the address to the returned hero, after which he presented him on behalf of the residents of Kinkora and vicinity with a beautiful smoker's set, safety razor and a purse of gold. Addresses were also given by Mr. Michael McKenna, Pte. Rogerson and others. Corporal Cairns, who is a son of Mr. Thomas Cairns, was in Western Canada at the time the war broke out, where he enlisted, and after spending a long time in the firing line was wounded, losing his right arm and was also badly gassed at Vimy Ridge. A short time before this, Corp. Cairns had won the Military Cross for exceptional bravery. Corp. Cairns, who is home on a short furlough, is spending his time at his old home district, after which he will return to Toronto.

Many will learn with regret of the death of Mrs. Benjamin Leard which took place at her home in Tryon on Tuesday, July 9th. Although she had been in failing health for some time her death came as a great shock to her husband and friends, for on the morning of her death she was able to be up around, and seemed to be feeling fine, but about 8 a.m. took a weak turn. She only lived a little over an hour. She will be missed in the community, for she was a woman of excellent qualities, kind, affectionate, and capable; her help was sought in sickness by rich and poor, and none was refused the aid within her power to give. Her presence in the sick room was a comfort to the sufferer. Nothing that was good was to her a trouble to do, but we know what is our loss is her gain, for she died as she lived, trusting in her Lord and Master. She leaves to mourn a sorrowing husband and two brothers, James Mullins, Tryon, and Will, Port Borden; also two sisters, Mrs. Mary Kelly, Washington, D.C., and Mrs. Carmichael, Pictou, N.S. The funeral service was held at her home on Wednesday, July 10, and was largely attended. The service was conducted by Rev. P. A. Fitzpatrick. The remains were conveyed to Tryon Methodist cemetery, where all that was mortal of one loved by all was laid to rest. The pall bearers were Joseph Fell, George Leard, Fred Leard, William Thomas.

WEDNESDAY

ISLANDER IN U. S. ARMY PROMOTED.—Mrs. G. G. MacMillan has received the following telegram: "The Secretary of War desires me to inform you that George Garfield MacMillan, 14th Engineers, has been appointed Lieutenant, Engineers, National Army, with rank from June 23, 1918, upon the recommendation of the Commanding General, American Expeditionary Forces. Very respectfully, H. C. Clark, Adjutant General, Washington, D. C. Mrs. MacMillan is a daughter of Mr. and Mrs. Stewart Westville, West River.

THREE SONS IN KHAKI.—Mr. Malcolm McLeod, 46 Dorchester Street City, has received a letter from his son John M. McLeod. Five years ago this young man left his native province for Vancouver, B. C. For a time he kept up correspondence with his parents and friends then all trace was lost of him. It is now learned that he has been serving overseas in an American Battalion. He has been overseas for some time and had the misfortune to be gassed. He went the general rounds of the hospitals in England and later was invalided back to Waynesville, N. C. Army Hospital where he is now getting along nicely, and expects to go back to France soon. This young man has two brothers now in England, Milton D., in a Sussex Battalion and Wallace S. in the 17th Reserves, Bramshot, England.

This family is certainly doing its bit. The father of those brave boys although a man over sixty years of age would if need be join the colours at a moment's notice.

DEATH OF MR. JOHN SNEEGROVE.

In the death of Mr. John Snelgrove which occurred at his home, 159 Dorchester Street on Monday, in his 74th year one of the last of the old-time printers of Charlottetown has passed away. He had been in failing health for some time but maintained well to the last his cheerful disposition. Mr. Snelgrove as a printer always took a pride in his work and whatever he undertook to do was well and accurately done. He was for many years foreman in the office of the Charlottetown Herald, under the editorship of the late Dr. John Caven and of the present editor, Mr. James McIsaac, M. P., and years ago worked with the firm of Coombs & Worth and other printing establishments. He took a very active interest in boat racing in the days when that sport was the premier summer pastime in Charlottetown and at many regattas his name appeared on the list of officials. He was an excellent citizen and all who had the pleasure of his acquaintance will deeply regret to learn of his demise. The funeral takes place today at 2.30 to the People's Cemetery.

Mr. and Mrs. David Reeves, Albany have received further particulars of the death by lightning of their son Milo in the West. A western paper contains the following:
 During the storm on Monday evening last a young man named Milo Reeves was killed by lightning on the farm of Bair Bros., at Sounding Creek.

The young man had just finished his day's work and had taken his horses to the well at the windmill and while pumping water, lightning struck the tower. Reeves started to run toward the house, calling to a young girl, "Help me! I've been struck by lightning!" When about 30 yards from the well he pitched forward and never moved again.
 Examination showed that the fluid had burned him across the chest, and it is thought that while pumping with one hand he had the other on the steel frame of the tower. When the lightning struck, part of the current jumped from the frame to the pump, passing through the unfortunate man.

The deceased was twenty years of age, and came from Albany, P. E. I. He had worked for Bair Bros., for over a year by whom he was highly esteemed. Nothing is known of his relatives in the east, as he did not keep any letters received from them. A telegram was sent to the only address found in his effects, but so far no answer has been received.
 The funeral was held on Wednesday forenoon at Sounding Creek cemetery, and was largely attended. LATER—A wire was received on Thursday, giving instructions to ship the body by express to Summerside, P. E. I. An answer was sent back that interment had been made.

A SMART OLD MAN.—Mr. John Simmons of Westmoreland, aged 82 is a remarkably smart man for his years. Owing to the scarcity of farm help he has got into harness once more and has shown that he is able to do as much work as many a man half his age. He has loaded the hay off 20 acres of heavy crop and can handle the hay fork like a boy of eighteen.

A SUDDEN DEATH.—It was a shock to her many friends in Charlottetown yesterday to learn that Miss Hazel Clarke, a popular young lady clerk in the Maritime Stationers, Sunnyside had died very suddenly in the P. E. Island Hospital. With a number of friends she motored to St. Peter's Bay on Sunday where she became ill. Nothing serious was anticipated until Monday night when a physician was called in. He pronounced her illness to be pleuro-pneumonia and had her removed to the hospital. Here she rallied until about 8.30 a. m. yesterday when her spirit passed away. Deceased was a daughter of the late Mr. Joseph Clarke, and had a very pleasing personality which made for her many friends who will sincerely mourn her untimely demise. To her bereaved mother, brother and sister, (Miss Adele who also worked with her) the deepest sympathy of all is extended.

CAPT. BLACK INJURED.

His friends here will be sorry to learn that Captain R. Robinson Black, organizer and inspector of cadet corps for the maritime provinces, suffered rather painful injuries in St. John Friday, just when he was about to depart for Halifax on official business. He had boarded the train and was awaiting its departure. While waiting he stooped to raise one of the car windows and simultaneously a shunter in the yard struck the car in which he was sitting. The force of the impact threw

GET your pencil and paper right now. Try to figure out the words and when you think you have them, write them out as neatly as you can and send them to us. We will reply right away telling you if your solutions are correct and sending you the complete illustrated list of grand prizes that you can win. Use one side of the paper only, putting your name and address in the upper right hand corner. If you want to write anything besides your answer to the puzzle use a separate sheet of paper. Be neat and careful because in case of ties the prizes will go to the boys and girls whose answers are neatest and best written. Proper spelling and punctuation will also count.

How to solve it.—Each circle represents a letter of the word called for. The number of dots in the circle represents the position of that letter in the alphabet. For instance: "A" would be represented by a circle with one dot because it is the first letter of the alphabet. "P" would be represented by a circle with two dots because it is the second letter. "C" would be represented by three dots. "D" by four dots and so on. You must correctly count the dots in each circle, figure out the letter represented by its position in the alphabet and when you have them all figured out put them into proper relation to solve the name wanted. It's not an easy puzzle but if you can solve it correctly you may win this lovely shetland pony or one of the grand Cash prizes above.
