The United Baptist Association of P. E. I., which meets this year with the North River Church, promises to be one of the most interesting yet held. The gathering will probably be a large one as the place of meeting is easily reached, and North River is famous for its hospitality. The Foreign Mission Board will be represented by Rev. M. E. Fletcher and Rev. S. C. Freeman, the latter having just recently returned from India. These speakers, new to the majority of Islanders, will doubtless be heard with much interest. The Association is always glad to listen to such speakers as Rev. W. L. Archibald and Rev. H. T. DeWolfe who will represent Acadia College. Some very important denominational changes will be brought up before the Association. Among these topics will be the recent union of the Canadian and Maritime Baptist Foreign Mission Boards, and the raising of the minimum of pastor's salaries to \$800 per year. An interesting item in the educational report will be the announcement of the completion of the last Acadia forward movement by which \$200,000 has been raised for Acadia College of which amount Mr. Rockefeller contributes \$50,000. This new movement has been completed in one year. The Association will commence June 30th. Regular delegates' tickets will be issued at all stations on the P. E. I. Railway. Watch The Guardian for an interesting report of this Association.

After arrival on board the ship cards containing the words of "The Maple Leaf Forever," "O Canada," (arranged by the late Brigadier General L. Buchan), "The Land of the Maple" and "Alouette," the French-Canadian songs, were served out among the men and studied with the whole contingent had the songs by heart. Then Bandmaster Ryan took matters in hand and the songs were rendered with R. C. R. band accompaniment. WEAK HEART WAS THE CAUSE.

Mrs. Robinson Collette, Rogersville, N.B., writes: "I am now enjoying the best of health after having used your Milburn's Heart and Nerve Pills. I was troubled with a weak heart and was afraid to draw a long breath for the pain it would cause me. I could not sleep at night, and it was impossible for me to walk ten yards without resting myself. I cannot speak too highly of your Heart and Nerve Pills, for they are the greatest pill I have ever used and I can recommend them to all sufferers."

Thousands of people go about their daily work on the verge of death and yet do not know it. Little attention is paid to the slight weakness of the heart for the simple reason that one thinks it will right itself, but there is where the mistake is made. It is only when a violent shock comes that the weakness of the heart becomes apparent. On the first sign of any weakness of the heart or nerves, flagging energy or physical debility, the use of Milburn's Heart and Nerve Pills will soon produce a quick and permanent cure. Price 50 cents per box, or 3 for \$1.25, at all dealers or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

Nulife will strengthen and clear your brain—make it active and quick-thinking—by filling the cells and veins with strong, clear blood, and it will strengthen the nerves in the same way. Nulife increases the number of color discs (corpuscles) in the blood, cleans and makes more potent the vital fluid, which, in turn will quickly cure any defect or ailment of the nervous system.

Is that lonely Grave Marked?

There's no reason why that grave shouldn't be suitably marked—your self-esteem and respect for the departed's memory, if nothing else, should prompt you to do what is right.

And there is no reason why the memorial stone should not be handsome and well made for our prices and terms could not be more reasonable. In headstones, monuments and grave markers, we are sure we have the most beautiful and finely finished ever shown here. Call or write for designs and prices.
