**Whooping Cough, Croup, Bronchitis, Cough, Grip, Asthma, Diphtheria**

**Cresolene is a boon to Asthmatics**

Does it not seem more effective to breathe in a remedy to cure disease of the breathing organ than to take the remedy into the stomach?

It cures because the air rendered strongly antiseptic is carried over the diseased surface with every breath, giving prolonged and constant treatment. It is invaluable to mothers with small children.

Those of a consumptive tendency find immediate relief from coughs or inflammation of the throat.

Sold by druggists. Send postal for booklet. LEMING, MILLS CO., Limited, Agents, Montreal, Canada.

**TO REGULATE MOTORING.**

Dear Sir—As the Legislature is now in session and will be for some weeks, would it not be advisable for our country friends to make some move anent the question of automobiles and the control and regulation of the same? The timely letters of Messrs Weeks and Trainor on the subject show that some action should be taken. There is no doubt that a proper and precautionary measure should be passed which will have the effect of preventing the promiscuous motoring on our streets and public roads. The people through their representatives should as soon as possible make known their wishes in this respect, so that some united action may be taken at the present time and a law passed respecting motoring which will prevent damage and inconvenience to the travelling public.

I am Yours Truly,  
H. J. PALMER.

**"O! MY POOR HEAD"**

**Stop Those Headaches.**

Headache and neuralgia are pronounced signs of blood poisoning. This poisoning of the blood comes from the waste matter of the body being left in the system, instead of being regularly carried off by the bowels, kidneys and skin.

When the bowels do not move regularly, the refuse is absorbed by the blood. Thus, the blood is loaded with foul poisons which irritate the nerves.

Poor skin action also causes headache and neuralgia. Impurities cannot escape through the skin, so the blood must take them up and deposit them on the nerves.

If the bowels and skin are not ridding the system of waste, the kidneys try to do so and are overworked.

There is just one way to cure headaches and neuralgia—to regulate bowels, kidneys and skin so that all the poisons of the body will be properly carried off.

"Fruit-a-tives" keep blood pure and rich—relieve the stomach and kidneys—regulate the bowels, and invigorate the skin to healthy action. "Fruit-a-tives" are a wonderful discovery, being a combination of fruit juices and tonics. 50c a box—six for \$2.50. At all dealers, or from "Fruit-a-tives" Limited, Ottawa.
