SOLOMON SITS ON N. Y. BENCH

NEW YORK, Sept. 22. — A five-year-old baby stood before the Bench in Supreme Court to-day to choose between his father and mother

The court was hearing a petition for a writ of habeas corpus sought by the father, Dr. Richard Horace Hoffman, neurologist, to obtain the custody of his son from Janet Beecher, his wife, who is an actress.

In the midst of argument by council, Justice Valente suddenly leaned forward. He waved his hand to silence the haranguing of council and said:

"Come here, Richard."

The youngster, clad in a white sailor suit, walked to the bench.

"Richard," the Justice asked, "would you rather live with your mother or your father?"

"My mother," promptly answered Richard.

Justice Valente then ruled the child should remain in custody of the mother temporarily.

THIS WOMAN NOW WELL

Her Suffering Relieved and Health Restored by Lydia E. Pinkham's Vegetable Compound

Toronto, Ontario.—"I am certainly very grateful for the benefit I have received from Lydia E. Pinkham's Vegetable Compound, also the Sanative Wash and the Liver Pills. In the early spring I was suffering so much from loss of blood that I thought I would never be any better as doctor's medicine relieved me only for the time being. I saw the Vegetable Compound advertised in the 'Toronto Star,' and I find the Vegetable Compound Tablets the best for me. I have been taking them since Spring, and I intend keeping them by me all the time. After reading your Private Text-Book I saw it was necessary to use Lydia E. Pinkham's Sanative Wash, and I can safely say I feel a different woman. My friends remark how well I look. I am a very busy woman, but I am ready at all times to boost your medicines."—Mrs. CHARLES GIFFIN, 949 Landsdowne Avenue, Toronto, Ontario.

You may be having an experience similar to Mrs. Giffin's and will be interested to know what she did. Every sick woman can feel confident that Lydia E. Pinkham's Vegetable Compound will help her, since we are told that it does help 98 out of every 100 women who take it.

Sold by druggists everywhere. G

GREAT RACING EXPECTED AT RACE TRACK TODAY

3 Minute Trot and Pace, 2.18 Trot and Pace 2.25 Trot—A Big Field of Entries That Will Furnish Neck and Neck Finishes.

The racing today promises to be the best of the week, each class includes a large fast entry list, the cream of the Island and Maritimes competing against each other for supremacy in the racing game.

The Three Minute Trot and Pace will have a big field of starter and a race in every horse.

This will be a great race with lots of thrills and close finishes to sence up an exciting afternoon of sport of the most particular fan, the following entries in this class speak for themselves: Harry B., Colorado Mac, Viddy Jackson, Helen S., Marjorie, Directum L., Harry Todd, Harry S., Ever Ready, National R., Miss Canada, Acadia Villa, John Aubrey, Igo, Louise Colorado, Soldier Lady, Captain Mack, March, Eliza Todd, British Ginger, River Boy, Bill L., Dixie Marque.

The 2.18, the second race on the card has all the ear marks of being the greatest race seen here in years, between the following horses who all go to make a horse race, and a whipping finish. Hector, The Drift, Princess Aubrey, Peter Stratton, Locopia, Jean Bulgan, Mike McGregor.

The 2.25 Trot Stake has an entry list that is sure to produce a neck and neck race with a drive to the wire that will long be remembered by the fans which is sure to happen when some of the following clash: Betty Aubrey, The Pup, Ruby Aubrey, Acacia Villa, Neshia, Winfield Mac, Ever Ready, Eileen Aubrey, Doctor Setzer, V. Peters, The Yank and Miss Belle Rico.

The Rex Comedy Circus will again delight the spectators with their trained ponies and dogs and the kicking mule which is a regular scream as well as the Revolving table.

The 78th Highland Band which has already won a high place in the heart of the music loving public will again put on a popular program for between the heats.

The Big Midway is also delighting and amusing hundreds daily and nightly on the main grounds, all the kiddies and grown ups too are having a whale of a time.

You cannot afford to miss today's program, it is a peach and one of the best days is promised all who attend. Come and enjoy the good time.

Much Canadian Money In And Around Miami

TORONTO, Sept .22. — Canadian investors are interester to the extent of many millions of dollars in Florida real estate, much of it in the neighborhood devasted by the week-end storm and it is feared that a heavy portion of the property loss will fall on residents of the Dominion. One prominent Toronto relator estimated yesterday that Canadians have more than $50,000,000 invested in and around the city of Miami alone.

It is known that John McEntee Bowman, formerly of this city, is head of a corporation which only recently erected a $5,000,000 hotel at Miami — a start on what it was hoped would be developed into the finest hotel in the world. Whether this structure withstood the ravages of the death dealing hurricane, has not been definitely learned.

Displays Floor Where St. Paul Spoke In Britain

LONDON Sept. 22. —The Bishop of Gloucester opened for public inspection recently the finest Roman mosaic floors in Europe, the floor upon which it is thought St. Paul stood and preached.

This pavement is in the burial ground of the Woodchester Parish Church. It is nearly 50 feet square and it is computed to have 1,500,000 stones one-half inch square of varying colors, consists of a circular rendering of the fable of Orpheus charming groups of birds and animals with his music. Some of the figures of the animals are easy to distinguish, such as the lion, tigress, stag, leopard and gryphon. Of the birds the peacock stands out with extraordinary clearness, with a breast of brilliant blue.

This floor, which has earned the admiration, of archaeologists all over the country, is part of the banqueting hall of a huge villa which covered a few acres of ground, and was probably the residence of the Roman governor at the time of the occupation just after the birth of Christ. The theory is put forward that if St. Paul travelled the then known world, as it was said he should for spreading Christianity, he would visit Britain, and naturally calling upon the governor would not take his leave without preaching.

The history of the pavement since its discovery is remarkable. First found by men digging graves, it was excavated and shown to be in a fine state of preservation. The floor lies three feet below the surface—the soil was replaced. It was excavated again in 1880, and once again removed in 1890 to allow the public to review the relic. Portions of the fosaic work, however, disappeared, and doubtless souvenir hunters were responsible.

Again tons of soil were put back and for 36 years the floor was hidden until recently, when the beauties of Roman workmanship were again available to the public. But only for 10 days. The extraordinary procedure of burying the pavement under tons of earth is to be repeated.

The officials of the Woodchester Parish Church are taking every precaution to prevent any of the pavement being removed by tourists and sightseers. Day and night guards have been established, and stout fencing has been erected around the spot.

Miami Will Be Rebuilt

NEW YORK, Sept. 22. — Plans for rebuilding on the ruins left by the Florida hurricane were in process of formation today before relief organization work in the west was completed. A large group of real estate developers left yesterday with Mayor Edward C. Crompf, of Miami, to make plans for rebuilding. Many of them said they had received reassuring messages to the effect that reports of damage were exaggerated. They declare they would aid in relief first and immediately begin plans for rebuilding.

The Florida property owners' association is seeking a moratorium on real estate payments. The Metropolitan Life Insurance Company has already declared a moratorium on insurance premiums in the storm area. The company's nurses have been ordered to report to Red Cross relief stations. Other companies are preparing to meet claims for millions for lives, buildings and plate glass.

United States Debt Policy Stands

WASHINGTON, Sept. 22.—President Coolidge was told yesterday by Andrew Mellon, Secretary of the Treasury, that there was no reason for and change in the United States policy of insistence upon the collection of its war debts.

Mr. Mellon, who has just returned from Europe, assured the President that world trade prospects were bright and he believes the debt settlements were no burden to the debtor nations. He also felt France would ratify its agreement.

MONTREAL, Sept. 22.—With but 25 cattle, 7 sheep, 69 hogs and 19 calves for sale on the two markets today there was not enough business to cause any activity or change in prices. Thick smooth hogs were quoted from 12.75 to 13.00 and good veal calves up to 12.00. Good sheep sold from 6.00 to 6.25 and a few common lambs were sold around 11.00. There were no cattle sales today

Women's Handicap
is curbed this new way of solving oldest hygienic problem; gives true protection—discards like tissue

THERE is a new way in women's hygiene that ends the insecurity of old-time "sanitary pads" and their unhappy days.

Eight in 10 better-class women now use "KOTEX."

Discards as easily as a piece of tissue. No laundry. No embarrassment.

Five times as absorbent as ordinary cotton pads.

Deodorizes, thus ending ALL danger of offending.

Obtainable at all drug and department stores simply by saying "KOTEX." You ask for it without hesitancy.

Costs only a few cents. Proves old way a needless risk. 12 in a package. In fairness to yourself, try it.

KOTEX
No laundry—discard like tissue

Worst "Aurora Night" of Year

WINNIPEG, Sept. 22. — The brilliant Northern Lights — Aurora Borealis flitting playfully across the sky last night, presented a beautiful spectacle to the watchers from the streets in Winnipeg and Western districts, but played havoc with telegraphic communication, from Eastern Canada to as far west as Calgary.

At times telegraphic communication was at a standstill, the Wire Chiefs in local telegraph offices having to disconnect the circuits to prevent the burning of valuable instruments. It was the worst "Aurora night" experienced this year.

Cigarette Tax Builds University Buildings

PIERRE, S. D., Sept. 22.—Smoke from cigarettes may help to build air castles elsewhere but in South Dakota it provides actual, man-made buildings of stone and mortar.

The reason for this is that in South Dakota the income from a state cigarette tax is devoted solely to the construction of buildings at the state's colleges and University.

During the fiscal year ending June 30, South Dakota smokers consumed sufficient cigarettes to erect a library for the state agriculture college at Brookings and a physical education building for Northern Normal college at Aberdeen. The approximate cost of these buildings is $380,000 and it was necessary to smoke better than 7,000,000 cigarettes to provide this amount.

The tax ranges from a half of one cent on cigarette papers to eight cents for package of expensive cigarettes. On the cheaper and more popular brands the tax is three cents.

Gas In The Stomach Is Dangerous

Recommends Daily Use of Magnesia to Overcome Trouble Caused by Fermenting Food and Acid Indigestion.

Gas and wind in the stomach accompanied by that full, bloated feeling after eating are almost certain evidence of the presence of excessive hydrochloric acid in the stomach, creating so-called "acid indigestion."

Acid stomachs are dangerous because too much acid irritates the delicate lining of the stomach, often leading to gastritis accompanied by serious stomach ulcers. Food ferments and sours, creating the distressing gas which distends the stomach and hampers the normal functions of the vital internal organs, often affecting the heart.

It is the worst of folly to neglect such a serious condition or to treat with ordinary digestive aids which have no neutralizing effect on the stomach acids. Instead get from any druggist a few ounces of Bisurated Magnesia and take a teaspoonful in a quarter glass of water right after eating. This will drive the gas, wind and bloat right out of the body, sweeten the stomach, neutralize the excess acid and prevent its formation and there is no sourness or pain. Bisurated Magnesia (in powder or tablet form—never liquid or milk) is harmless to the stomach, inexpensive to take and the best form of magnesia for stomach purposes. It is used by thousands of people who enjoy their meals with no more fear of indigestion.
