THROW AWAY LINIMENTS

Here's the Prescription to Cure Rheumatism.

Liniments only reach the skin and the muscles directly, under the skin. Now, liniments cure Rheumatism. They simply soothe the nerves for a time. When the effect wears away, the pain returns worse than ever.

If the covelets do not move regularly - if the kidneys are strained or weak - if the skin is dry or hard - the blood is sure to be filled with impurities or urea. This urea is changed into uric acid which is the poison that causes rheumatism.

Now, the only possible way to cure Rheumatism is to prevent uric acid from being formed. Logically, the only way to do this is to keep kidneys, bowels and skin in good working order, and prevent the stomach from being too acid. And the only way to do this is to take "Fruit-a-tives."

These marvelous tablets of fruit juices and tonics act directly on the three great eliminating organs - bowels, kidneys and skin - and put them in perfect condition. That is the only secret of their great success in curing rheumatism, sciatica and lumbago.

50c a box - 6 for \$2.50. "Fruit-a-tives," Limited, Ottawa.

SPRAINS WEAK MUSCLES. HOW BEST TREATED.

In minor sprains the muscle is strained a little and all that is needed is a vigorous rubbing with Nerviline. This draws the extra blood away and permits the muscle to return to its normal condition. The unusual supremacy Nerviline enjoys, its owing entirely to its penetrating power - it strikes in deeply, that's why it removes deep seated pains and cures rheumatism, lumbago, pleurisy and sciatica. As liniments go, there is just five times more pain destroying power in Nerviline than any other remedy. No wonder it's sale is so large.
