Dr. Duncan Tells of Resignation

Rev. Dr. George Duncan, M. A., D. D. explained at considerable length at the morning service in the Church of St. Andrew and St. Paul yesterday, the circumstances under which he has been led to tender his resignation as pastor of that church.

SUDDEN CALL.

"The news came as a bolt from the blue. I know no news in my life that came so suddenly. My first thought was of my church and my dear people here.

"But a second overture coming within so short a time, from the church in which I was ordained, and the country to which close personal ties connect us, could not be lightly set aside.

SUMMERSIDE AGENT.—Mr. Byron MacDonald of the MacDonald Drug Co. is now Guardian representative in Summerside and will be pleased to receive news, advertising, new and renewal subscriptions and Job-Printing.

SHIPPING POTATOES.—Large quantities of potatoes were shipped from Montague during the past week. These potatoes were held over by the merchants since last fall and were disposed of to make room, when the farmers begin hauling in March, nothing yet said about the price.—J.

ON BUSINESS TRIP.—Mr. John E. Poole of the firm of McLeod and McGregor, Montague left on Friday last for Halifax where he will look after several carcasses of produce which the firm has laid up there. Mr. Poole is widely known in the potato business.—J.

ON HOLIDAY TRIP.—Pending repairs to the machinery Mr. John A. McKenzie, lawyer for the Montague Publishing Co., Montague, left on Friday last for his home in Cardigan. During his short stay in Montague Mr. McKenzie has made a host of friends, who are anxiously awaiting his return.—J.

RECOVERING.—It is pleasing to learn that Mr. Frederick McIntyre of Montague is greatly improved in health, and able to move about. Mr. McIntyre will have good reason to remember this winter as on several occasions little hope was held out for his recovery.

SUNDAY SERVICES.—The services in the Presbyterian Church, Montague on Sunday, March 2nd will be conducted by Rev. W. S. Mabon, B. D., at 11 a. m. and at 7 p. m. Subjects: Morning, "The Revelation of Jesus Christ and the Churches"; Evening, "Babylon and Her Doom."

VACANT FARMS.—It is a pretty difficult proposition to keep up schools and churches in some parts of the Island. In one school district, Hermanville, where twenty-two twenty-five years ago there were five farm houses occupied by all adjoining, viz: Patrick McPhee, John McDonald, James McLean, Ronald McLean, Daniel McLean, Joseph McCormack, Daniel McCormack, all are now vacant and the country is one prairie without a single line fence.

THE RINK.—The Montague Skating Rink which at first seemed destined to be a complete failure, has turned out to be a huge success, and is being largely patronized, in fact bids fair to out-rival the many entertaining parties which are being held throughout the town.

TECHNICITY.—"Here comes in the peculiarity of the situation. Last year, 1923, the regulations as to the election of ministers in the Church of Scotland were revised. According to these new rules of procedure, a minister is eligible if he is in a charge in Scotland, England, Ireland, or South Africa.

THE success of this enterprise. The committee in charge have purchased a large piece of wood land from Mr. Nelson in Brudenell, and during the past few days have been cutting and yarding out. It is the intention to put up a proper building during the summer which can be used for purposes other than a skating rink.—J.

SOCIAL GAJETIES.—There seems to be considerable rivalry among the high-class ladies of Montague as to who is the best entertainer, for never in the history of the town, has there been such a series of entertaining parties as during the present winter an average of two of these affairs being held each week.
