In Memoriam

MRS. JOHN McCLOSKEY

There passed peacefully away at her home in Green Bay on January 23rd, 1941 Mrs. John McCloskey at the age of 83 years. The deceased had been in good health until two or three weeks previous to her death when she was taken ill and was confined to her bed. During her illness she was visited by her pastor Rev. A. L. Herrel who administered to her the last rites of the Catholic Church of which she was a devout member. She was also a devout member of the League of the Sacred Heart. The late Mrs. John McCloskey was born in New Haven and in her younger years she taught school. She married John McCloskey and settled in Green Bay where she had resided for the past sixty years. Her husband predeceased her fifteen years ago. She leaves to mourn their loss four daughters and five sons, Mrs. Louis McCaughey, Mrs. John McCaughey, Mrs. Patrick Malone, Mrs. Madeline, Peter Michael, all of Haverhill Mass.; James of Woodford, Maine; Joseph of Westport, Ontario, and John at home. One daughter Mrs. William Asborne, Riverside predeceased her several years ago. She also leaves a large number of grandchildren and some great-grandchildren. Her funeral, which was largely attended despite the inclement weather took place from her late residence on Sunday, January 23rd, 1941, at St. Anne's Church Lot 65, where all that remained of a kind and loving mother were tenderly laid to rest in the adjoining cemetery. The pall-bearers were Messrs. James P. McCloskey, James B. Clarke, Peter Clarke, Frank Coe, Wm. William McCloskey, Vincent McCloskey. May her soul rest in peace. (Patriot please copy)

Contributions To The Teachers' Spitfire Fund

Murray, Thomas Johnston, Lee Darrach, Allan L. Ross, Wilfred Ross, P. S. Bradley, Wallace Higgins, W.A. McFhee, Hazen Wigmore, Branwell Chandler, Friend Mrs. Harry Revell, Mrs. B. Brehaut, Mrs. Melbourne McEachern, Messrs. James Lynch, Philip McKinnon, William N. Spandle, Misses Josephine Gallant, Catherine McPherson, Mary N. Nicholson, Rita MacKinnon, Elsie McGregor, Edith Cameron, Mrs. Schurman, Gertrude Power, Ellen L. Harrington, Mary E. McKenzie, Mary Donahoe. L-419-1-24-11.

Presentation

A very enjoyable evening was spent at the home of Mr. and Mrs. N. C. MacFadyen on the evening of Jan. the 8th when the people of the Meadow Bank district gathered to welcome Mr. Harry Miller back to his Island home. Harry is employed in the Civil Service at Ottawa and is doing very well at this occupation. It is worthy to note that he passed his civil service examinations third highest in the Maritimes and tenth highest in Canada. Harry taught school for several years in the Meadow Bank community and, his faithful work in furthering the welfare of Meadow Bank will not be forgotten. Harry has attempted several times to become a pilot in the R. C. A. F. He has two brothers serving overseas with the C. A. S. F. and a third brother is in the R. C. A. F. Mr. N. C. MacFadyen was called upon to act as chairman. After a few opening remarks by the chairman, Mrs. Colin D. MacPhail was called upon to read the address while Orville Murray presented Harry with a purse. Mr. Harry Hyde and Mr. George Boyle gave short speeches, the words of which showed with what high esteem Harry Miller is held in the community and in the surrounding neighborhood. Following the presentation of the gift the guests joined in singing "For He's a Jolly Good Fellow" after which the men of the district honored Harry several times. A delicious lunch was served by members of the Women's Institute and the remainder of the evening was spent in singing and games. Piano music was rendered by Mr. J. C. Miller on the piano, who was accompanied by Messrs. Harry Miller and Lynd Scott on the guitar. As the party was nearing a close a hearty vote of thanks was tendered to Mr. and Mrs. Norman MacFadyen to which Mr. MacFadyen gave a suitable reply. A very enjoyable evening was brought to a close by the singing of the National Anthem.

WHAT IS IT COSTING to keep the Nazi heel out of Canada ?

"History will record many strange and mighty events of this year. Among the strangest will be this: That Canada—numerically a small nation of a dozen million souls in North America—suddenly found herself occupying a strategic position of supreme importance in a conflict that would deeply affect the whole of mankind. "Canada abruptly became almost the keystone upon which depended the whole arch of democracy and freedom throughout the whole world."

-SIR NORMAN ANGELL

What are we doing to keep the Nazi Heel out of Canada? We are marshalling every resource in manpower, material and money. Huge new plants to make war equipment are under construction and others are projected. In all existing plants, production has been stepped up to the limits of efficiency. 1941 will see vast expansion in our war effort.

What about the Navy? When war was declared, Canada had 15 fighting vessels. Today we have 180 of various types. Within a year, another 150 will be added to strengthen and enlarge the Empire's life-line through which flows the ever-growing supply of vital war material. The ship construction programme is costing \$80,000,000 and is giving employment now, to 17,000 men.

Must Canadians be prepared to sacrifice? Yes. The Prime Minister stated in his New Year's message that the task in 1941 "is going to demand more effort and more sacrifice". No one need go without necessities, but you are urged to forego the purchase of unnecessary articles—no matter how small the cost—no matter how well you are able to pay for them—which take labour and material away from the great task of providing goods needed to win the war.

What is this effort costing the people of Canada? The cost of Canada's war effort is running at the rate of over One Billion Dollars per year and will steadily increase. We must remember that Canada's contribution to victory is planned deliberately and definitely on the basis of the maximum war effort of which Canada is capable.

What about Motorized Equipment? Canada leads in the production of motorized military equipment. This industry has been geared up to a production capacity of about 600 units per day of the various types of automotive equipment necessary for mechanized warfare. Contracts awarded for motorized equipment total \$127,000,000.

How can you help Canada's War Effort? Be sure to make provision to pay your Income Tax—payment is made easier by the new instalment plan. But be prepared to do more—budget your earnings to make sure that you will have money available to buy War Savings Certificates and to subscribe for War Loan Bonds. You will help Canada—you will help yourself.

What about our Army? We now have more than 165,000 men on Active Service and thousands of others in training.

What are we doing about Munitions? The construction and financing of new plants in Canada on behalf of the Canadian and British governments for the manufacture of tanks, planes, guns, explosives, shells, and other war equipment is costing over \$280,000,000; including \$87,000,000 for chemical and explosive plants, \$31,000,000 for shell plants, and \$96,000,000 for armament plants.

How can you help Canada's money for our War Effort? They contribute through taxes of various kinds... they subscribe to War Loans... they purchase War Savings Certificates regularly. We all are in the "financial forces"—ours is the responsibility of seeing to it that our fighting forces have the adequate and vital supplies and equipment to bring about victory.

What about our Air Force? A year ago the R.C.A.F. had a personnel of 4,500. Now it has more than 35,000, without counting the thousands from overseas who are training under the British Commonwealth Air Training Plan.

How do Canadians provide this money for our War Effort? They contribute through taxes of various kinds... they subscribe to War Loans... they purchase War Savings Certificates regularly. We all are in the "financial forces"—ours is the responsibility of seeing to it that our fighting forces have the adequate and vital supplies and equipment to bring about victory.

FEBRUARY has been set aside as WAR SAVINGS PLEDGE MONTH, when a national drive will be made, through employers, banks, post offices, canvassers, teachers, and other agencies, to obtain definite pledges of regular weekly savings from the entire population of Canada.
