MOVIE PREVIEW—"ONE FOOT IN HEAVEN"

AT THE PRINCE EDWARD -:- MON. TUE. — WED.

Father carries the bride into her new home, a down-at-the-heels parsonage. And woe to the minister's wife who casts off furniture donated by members of the flock!

JUNIOR must be a model for the other children of the congregation—That's what Father says but Junior thinks differently.

LOOK OUT LADIES . . . The Parson gives the leader of the choir set and some of his feminine church members a lecture on gossipping . . .

He married the most adorable girl in the world—and stayed married — Frederic March and Martha Scott are co-stars in One Foot In Heaven.

Inspection Of Local Air Cadets Held

Charlottetown was the scene of the first annual inspection of Air Cadets in Eastern Canada when No. 60 Charlottetown Squadron was inspected last evening on the parade grounds at Victoria Park by Group Captain E. A. Blake, O.B.E., M.M., Officer Commanding the Royal Air Force here. Several hundred citizens turned out to watch the impressive ceremony.

Following the inspection, the 50 cadets marched up in review order and were presented with the Air Cadet ensign by His Honor, Lieutenant Governor B. W. LePage, who made the presentation in behalf of the Air Cadet League of Canada. The boys gave the general salute as the ensign was unfurled and at the conclusion of the Lieutenant Governor's address they gave three cheers for the League.

The inspection got underway at 7.30 and lasted over an hour. The two flights of cadets went through the ceremonial parade and the march past. During the latter His Honour took the Salute. Group Captain Blake was accompanied by Flying Officer H.C. Bourke, Officer Commanding, during the inspection.

On the reviewing stand were: His Honour Lieutenant Governor B. W. LePage and Aide, Lieutenant M.G. McCarthy, R.C.N.V.R.; Group Captain E. G. Fullerton, Summerside; Premier Thane A. Campbell; Major J. R. Paton, representing Military District No 6: Mr. G.T. Hardie, chairman of the Charlottetown Air Cadet Committee, and the following members of the committee: Messrs. K.M. Martin, H.F. McPhee and J.G. Paterson.

Flt.-Lt. G. C. Guymer, Air Cadet Liaison Officer from Headquarters of the Eastern Air Command, Halifax, was present.

Following the main inspection the cadets paraded to the Drill Hall and here the quarters were inspected by Group Captain Blake. On completion of this he spoke briefly to the boys congratulating them on their fine appearance on the parade grounds. He commended them for the progress they had made in such a short period of training. The Lieutenant Governor had also paid tribute to the cadets for the fine work they had accomplished in such a short time.

Officers of the Squadron, who were present for the inspection included: Adjutant E. Garnhum, Pilot Officer D.H Etter, in charge of Flight 1; Pilot Officer E.S. Trainor in charge of Flight 2; W.O. 1 J. E. Trainor; W.O. 2. James Walker.

The 50 cadets on parade presented a fine appearance as they went through their paces and many favorable comments were heard on the manner in which they acquitted themselves. They began their training early in January and have made rapid progress since.

SOLDIERS RUB OUT TIRED ACHES with MINARD'S KING OF PAIN LINIMENT 35c

Named Pres. Of Y. M. C. A.

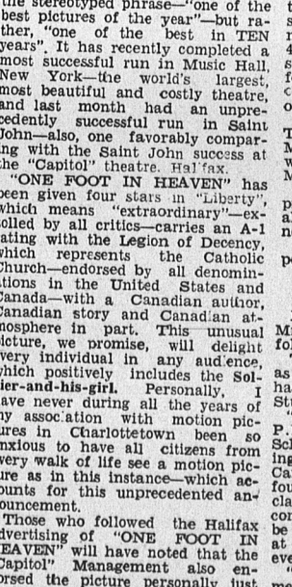
Mr. A. J. Haslam was elected President of the Charlottetown Y. M.C.A. at a director's meeting held last night. He succeeds Mr. J.M. McFadyen.

Other officers elected were :Vice President, Mr. G. M. Avard; Secretary, Mr. Alex Matheson; Treasurer, Mr. R. Burleigh Taylor.

Directors include: Messrs J. M. McFadyen, J.E. Richardson, E.S. Coffin, J.G. MacDonald, J.E. Sterns, Frank Stewart, Walter Goss, D.J. Bonnell, K. M. Martin, Frank Tinney and W. E. Stantlebury.

Committee chairmen are as follows: Program, Mr. A. W. Matheson; World Service, Mr. D. J. Bonnell, Membership, Mr. J.E. Richardson; Property, Mr. J. E Sterns; Executive, Mr. D. J. Bonnell.

It was announced by Mr. A.J Haslam that the Y's Men's Club in co-operation with the Y.M.C.A. would again hold the regular summer camp this year.



The undersigned has been doing business in Charlottetown for more than thirty years, and during that time has been responsible for presentation of about five thousand motion pictures— a great many of them of outstanding excellence—but never during all these years have I in the public Press given my personal endorsement of any production. This, I am now doing, however, with respect to "ONE FOOT IN HEAVEN", which the "Prince Edward" will have the privilege to present May 25th, 26th and 27th—and am taking the very great liberty of strongly urging all citizens to attend.

"ONE FOOT IN HEAVEN" in which FREDRIC MARCH and MARTHA SCOTT are featured is a delightful, domestic comedy depicting what has been termed the most affable, laughable family that ever stepped out of the screen right into the heart of the audience—and, is just brimful of comedy.

"ONE FOOT IN HEAVEN" has been referred to nationally—not by the stereotyped phrase—"one of the best pictures of the year"—but rather, "one of the best in TEN years". It has recently completed a most successful run in Music Hall, New York—the world's largest, most beautiful and costly theatre, and last month had an unprecedentedly successful run in Saint John—also, one favorably comparing with the Saint John success at the "Capitol" theatre, Halifax.

"ONE FOOT IN HEAVEN" has been given four stars in "Liberty", which means "extraordinary"—extolled by all critics—carries an A-1 rating with the Legion of Decency, which represents the Catholic Church—endorsed by all denominations in the United States and Canada—with a Canadian author, Canadian story and Canadian atmosphere in part. This unusual picture, we promise, will delight every individual in any audience, which positively includes the Soldier-and-his-girl. Personally, I have never during all the years of my association with motion pictures in Charlottetown been so anxious to have all citizens from every walk of life see a motion picture as in this instance—which accounts for this unprecedented announcement.

Those who followed the Halifax advertising of "ONE FOOT IN HEAVEN" will have noted that the "Capitol" Management also endorsed the picture personally just as I am doing—probably because of the same reason—that so unusual a picture deserved an unusual introduction!

59th Annual Meeting of P. E. I. Hospital Held

Activities Of Past Year Reviewed At Enthusiastic Meeting.

Mr. Alfred Pickard was elected chairman of the Board of Trustees of the P.E.I. Hospital at the 59th annual meeting held last night in St. Paul's Hall. The retiring chairman was Mr. S.A. McLeod.

The three trustees named this year were; Dr. I.J. Yeo, Mr. J.E. Harris and Mr. S.A. McLeod (re-elected).

Other trustees included: Messrs. G.W. McLeod, W.S. Grant, H.H. Horne, F.M. Stewart, J. G. McFadyen, Dr. J.A. Clark. There will also be two members named to the Board later by the Ladies Aid Society.

Interesting reports, outlining the activities of the hospital during the past year, were presented at last night's meeting. Those presenting reports included: Mr. S.A. McLeod for the Trustee Board; Dr. J.A. Clark for the Property Committee, Mr. Alfred Pickard for the Cundall Home; Mr. W. S. Grant for the Finance Committee; Mrs. Leith McLeod for the Ladies Aid Society. These reports appear below.

Reporting for the finance committee, Mr. Grant revealed that receipts this year were up about $11,000 which was accounted for mainly from patients fees. They totalled $86,039.03. There is a balance of $89.45 to start the year with. He stated that it was the intention of the Board of Trustees to go to the public next year when the 10-year maturity bond comes due but on account of war conditions this is not feasible. Consequently some re-financing will have to be done and in view of the good financial reputation of the institution he believed there should be no difficulty in doing this at a more favorable rate.

Dr. I.J. Yeo, in a few remarks, emphasized the importance of the work being done by those in charge of the institution. He pointed out that the burden has increased since the arrival in the city of large numbers of the militia. A total of 40 graduates are now on active service. He also had words of praise for the trustees and members of organizations assisting in the work of the hospital.

Other speakers included: Rev. T.H. Bussel Somers, M.A.S.T.M., Mr. G.W. McLeod, who praised the work being done by the ladies, and Mrs. Leith Wright.

The meeting was opened with a prayer by Rev. Mr. Somers who also brought it to a close by pronouncing benediction.

Following are some of the reports presented.

CUNDAL HOME

Reporting for the Cundal Home, Mr. A. Pickard spoke in part as follows:

The Cundal home has carried on as usual during the past year, and has been filled to capacity by Student nurses.

"As so many graduates of the P.E. Island Hospital Training School have enlisted, and are serving with His Majesty's Forces in Canada and overseas, it has been found necessary to take in larger classes for training, and, if this continues, some way will have to be found to enlarge the home, as at present there is not room for even one more nurse.

"Thirty Student Nurses and two members of the hospital staff live in the home—with the house mother and a maid a total of thirty four people— a considerable household.

"Apart from the Students activities meetings of the Student's council, Christmas and graduation festivities, and occasional dances, organizations connected with the Hospital held regular meetings in the home during the year.

"The Senior and Junior Hospital Aid, the Nurses Association and Hospital Alumnae were accommodated and the League Of Mercy held a successful tea and display of gifts in the home and Gymnasium last spring, this was repeated yesterday with equal success, this is a great help in providing supplies for the Home and Hospital

"The Junior Ladies Aid carried out a splendid piece of work in renovating the nurses living-room this year.

"All the time, the Senior Ladies Aid keep the home supplied generously with less spectacular, but very necessary gifts, such as sheets, pillow covers, towels and etc. Also money for the little things that are always needed in a home.

"We are pleased to know that the Trustees of the Cundal Estate have arranged to paint the exterior of the home this summer, this will add greatly to the appearance of the property. We wish to thank the Trustees for their prompt attention to all repairs thereby keeping the home in good order"

PROPERTY

Dr. J. A. Clark reported for the Property Committee as follows:

The property at the hospital and surroundings has been in good condition throughout the year. New screens were placed on the nursery. These screens should shut out the heat from bright sunlight, and while admitting light they should also keep out insects. The heating pipes in the kitchen which had never been used, and were not serving any good purpose were removed. It was almost impossible to clean the walls behind these pipes, and the pipes themselves will be very useful for replacements elsewhere.

"The lawns and shrubs have been maintained in fairly good condition. There are a couple of areas in front of the hospital on which it will not be possible to get satisfactory grass until they are, either sodded or the surface graded, so as to run the water off. The garden during the summer of 1941 was very satisfactory and provided a great many fresh vegetables for the hospital. The usual replacements were made as necessary in connection with the returns from the sterilizers. There has been a considerable amount of both corrosion and the forming of scales in the pipes.

Under the direction of Mr. George McLeod the hospital was prepared for blackouts, and very satisfactory results were obtained during the two tests that have been made.

Yours very truly,
J. A. CLARK.

TRUSTEES' REPORT

Following is the text of the Trustee's Report for the hospital which was given by Mr. S. A. McLeod, Chairman of the Board of Trustees:

"This is the 59th Annual Report of the Board of Trustees of the Prince Edward Island Hospital, and we are very pleased to say that progress has been made in many ways. The work of our Hospital continues to grow, and this has been the busiest year we have ever had in this Institution, and with Nurses enlisting for overseas, and some of our help being employed elsewhere owing to our War Industries, conditions have been abnormal for the heads of all Departments, and especially the Superintendent, and the Dietitian. The Nursing and kitchen staffs have both been increased to meet this situation.

"The average number of patients per day in the Hospital during the year was 67.4. The maximum number of patients in the Hospital was 100 on May 4th, and the minimum number was 48 on October 5th. The operating cost per patient per day has increased from $302 to $3.19. The total cost for free patients during 1941 was about $400. more than during the previous year. The Ladies Aid took charge of the annual collection in the city, and Mr. J. F. Whear again gave us his valuable assistance. The total amount received was $2995.21, a little less than last year. During the year we have redeemed $2300.00 of our outstanding Bonds, and this leaves $100,900. still outstanding on which we have to pay 5½% interest. We have also set aside $5000.00 for replacement of X-ray equipment which will be necessary very shortly. We have a balance on hand of $89.45 with which to start this year.

"The following legacies have been received during the year. Estate Late Sarah Kellow $2500.00, Estate Late W. H. Prowse $100.00, total to be received $200. Estate Late Rubena Moreside $1731.20. Estate Late Amelia McDonald Balance due $302.21. Donation Miss Mary H. Johnson $200.00.

New Equipment

"The following new equipment has been purchased. Spot film apparatus and new Fluoroscopic Screen for the X-ray Department, Bronz Screens for the nursery to keep out heat. A new Inductotherm machine at a cost of $395.00, which is giving excellent results, many patients being helped by treatments. A new washing machine is also being installed in the laundry department.

"The League of Mercy among their many donations presented the Hospital with a dressing carriage costing $58.30. The Wo-He-Lo Club were also generous with their assistance this year, and one of their many gifts was a new washing machine for the Maternity Dept., which will be of great assistance to the nurses in that department.

"The Ladies Aid are continuing their much appreciated responsibility in furnishing needful supplies and this year they have been making a special effort to stock the hospital with an ample supply of linen and blankets in case of emergency.

"Black out precautions and fire prevention have been quite an extra item this year, and have been given due consideration. Our last black out was considered very satisfactory.

Group Hospitalization

"The Hospital Association of N. S. and P. E. I., met at Pictou on July 2nd and 3rd. and was attended by the following representatives: Dr. J. A. Clark, S. A. McLeod, Mrs. R. R. Hurst, Mrs. J. P. Lantz and Miss Seaman. The Association are endeavouring to introduce a system of group hospitalization. A special meeting of the boards of the three Hospitals, Prince Edward Island Hospital, Prince County Hospital and the Charlottetown Hospital was called to go into this matter. This has since developed, and Mr. A. R. Yeoman has been appointed organizer and has begun work in Prince Edward Island. Committees have been appointed from each of the above named hospitals.

"The following changes were made in the staff during the year. Miss Elna Clark, Laboratory Technician resigned, and was replaced by Miss Mary Crawford. Dr. Houston was off duty for three months on sick leave, and we had Dr. Berger employed for one month but he was offered a position in Montreal, leaving us without a Radiologist or an Anaesthetist. Arrangements were made with Dr. I. Rachmel, Interne, and temporary license was granted him, and he has been employed as Anaesthetist and is doing very satisfactory work. Mrs. Stewart Ives has been acting as X Ray technician, and the doctors have been reading their own films. Dr. Houston is now back and is interpreting films and giving Deep Therapy X-Ray Treatments. A committee has been appointed to look into matter of securing an experienced Radiologist as the work has grown too large for Dr. Houston to attend to both Anaesthetics and all X Ray work.

Graduate Nurses

"Seven nurses graduate this year, namely,—Miss Hilda Coles, Milton; Miss Evelyn McEachern, Cardigan; Miss Charlotte Gordon, Charlottetown; Miss Bertha Thompson, Dunstaffnage; Miss Melva Lund, Bethel; Miss Minnie McPherson, New Perth; Miss Dorothy Baker, Kensington.

"The resignation of Mr. R. L. Cotton has been reluctantly accepted and Mr. James E. Harris has been appointed in his place. Dr. H. D. Johnson who has given many years of valuable service on the Board having served two years as Crairman is also retiring this year and Dr. I. J. Yeo has been appointed to fill this vacancy and represent the Medical Staff on the Board of Trustees. The other retiring Trustee for this year is Mr. George W. McLeod and he is eligible for re-election.

"We wish to thank most heartily all friends of the Hospital for their kind co-operation and help during the past year, especially do we mention the Trustees of the Cundall Home, The Ladies Aid, The Wo-He-Lo Club, The League of Mercy, the Auditor, Mr. A. G. Putnam, the press, and St. Paul's Church, and any others who are kindly interested in this Institution."

Next Season's Community Concerts

The Charlottetown Community Concert Association selected its artists for next season at a meeting in the Charlotttown Hotel with Mr. Craig Hutcheson, representative of the Concert Service.

The series, which promises to be one of the best yet offered, consists of the following: John Dudley, tenor; Enya Gonzolaz, soprano; Mildred Dilling, Harpist, John Dudley, Australian by birth, was leading tenor at Covent Gardens, London, from 1935 until 1940, when he was invited to join the Metropolitan Opera Company, where he is at present singing with tremendous success, in a great variety of roles. He is also a foremost exponent of Gilbert and Sullivan, having sung with the Doyley Carte Opera Company for some years.

Enya Gonzolaz, 22 year old Philippino soprano, is a unique figure in the concert world. Coming to America in 1938, sponsored by President Quezon of the Philippines, she made a striking success; her concerts being particularly appealing because of their novelty and charm (native folk songs being included) as well as their high artistic value. She sang on Quezon's birthday last year; her voice being catried to the courageous little president over the ocean telephone.

Mildred Dilling, harpist, will be giving her second performance to a Charlottetown audience having played on the series in 1937. She made such a hit at that time, that many local members have been enquiring ever since as to the possibility of re-engaging her. The opportunity presented itself this year, and the committee was quick to take advantage. Miss Dilling is the foremost woman harpist of the world. She has given seven concerts at the White House, and incidentally is the teacher of—Harpo Marx.

Notre Dame Presents Red Cross Concert

Yesterday evening the pupils of Notre Dame Academy treated the audience to an exceptionally well selected and perfectly executed program.

The entertainment, a praiseworthy war gesture in aid of the Red Cross Services, was presided over by the Chaplain of the Academy, Captain, the Reverend J. W. McCardle, who voiced the sentiments of those present by complimenting the students on their fine program which he stated was a labor of love to help the Red Cross aid suffering humanity.

Among the distinguished members of the audience were Deputy Mayor James T. McKee; Mrs. B. W. LePage, wife of the Lieutenant Governor; Reverend Bernard Gillis, D.D.; Reverend Patrick McMahon, D.D.; Councillor J. E. and Mrs. Blanchard; Hon. Dr. W. J. P. MacMillan, President of the Red Cross and Mrs. MacMillan.

The program was as follows:

Salve Regina — Ravanello; For God and our Country — A. J. Schindler; Waltz of the Flowers—P. Tschaikowski.

Recitation—Tribute to Lucy Maud Montgomery; To Mr. Churchill; Prayer for England, by the Senior Pupils.

O Wert Thou in the Cauld Blast—Mendelssohn; Le Coeur de ma Mie—E. G. Dalcroze; The Whispered Song—Billard.

Concerto: Dance of the Winds—Selected.

Builders of Canada: By Grades VIII and IX.

The Lass with the Delicate Air—Michael Arne; A Spring Morning—H. Lane Wilson; The Sandman—Frank LaForge, by Phyllis Blanchard.

Intermezzo—Provost, by Miss K. Hornby.

Ye Banks and Braes—James Miller; Charlie is My Darling—Scotch Air; Perfect Day—C. J. Bond.

O Canada brought the program to a close.

The timely tribute to Lucy Maud Montgomery was very much appreciated. The Senior Pupils discussed in splendid elocution this beloved authoress' prose and poetry from which works they asserted, the reader not only learned to know and love the Island about which she wrote but also was drawn to esteem and admire the beautiful personality of the writer reflected in her gifted legacy.

The "Eulogium to Mr. Churchill" and "Prayer for England", composed by a Sister of the Congregation of Notre Dame, were delivered in an enthusiastic and patriotic manner.

"Builders of Canada," a moving, up-to-date playette, was enacted by the students of Grades VIII and IX. From the moment the girls discovered Sleeping Beauty and successfully endeavored to impress her with the history and importance of their great country, Canada, to the closing resolution that as young Canadians they would work to make their country bigger and better, this number was acted with a skill and ease which were a credit to their class.

The three vocal numbers each consisting of a selection of triads, were rendered in three parts by a choir of seventy five voices. It would be difficult to choose a "best" from these numbers yet the rendition of Ravanello's beautiful Latin Hymn the Salve Regina is worthy of special mention.

Miss Phyllis Blanchard, Grade X, a talented young soloist, sang three very pleasing selections, while Miss Kathleen Hornby, ever faithful to her Alma Mater, enriched the program with a delightful violin solo.

Eight young ladies rendered a Concerto Duet at four pianos. The success of this number was worthy of their talent and skill.

Much appreciation and commendation are due both students and teachers of Notre Dame Academy who, this year, as in other years, did not fail to present their audience with an entertainment both cultural and educational.
