LADY FANE SCHOOL

The semi-annual examination was held in Lady Fane School on Dec. 23rd. There was a large number of ratepayers and visitors present. The school was very tastefully decorated for the occasion. The pupils were examined in the different subjects by their teacher, Mrs. Grenville Garrett, assisted by Miss Agatha Monaghan, teacher, Westmoreland, and Miss Mary MacVittie. The prompt answers to many difficult questions asked them gave evidence of the careful training by the teacher. After the examination a splendid program was given by the pupils which was greatly appreciated by all. Mr. Lee Gamble acted as chairman honourably. There were many presents given to the teacher from the pupils, which showed the good feeling existing between teacher and pupils. After the program, complimentary remarks were made by several of the ratepayers complimenting Mrs. Garrett on the good work she has done during the past four months. A well filled purse was also presented to the teacher from the people. Following is the program:

Cleghorn Goes Back to Ottawa. The following is an extract from the Mail and Empire. TORONTO, Jan. 8.—It looks very much as if there was something underneath the Cleghorn business. Cleghorn returned to Ottawa yesterday in spite of the fact that the St. Pats made him as good an offer as he will ever get as long as he plays hockey. The reason he gave for returning to the capital was that he desired to discuss the business end of the proposition with his family. He has promised to send the Green Shirts definite word of his decision today. Bill Stewart, however, is on his way and will reach town at 1 o'clock today. How anxious he is to come is shown by the fact that he is even paying for the telegrams he sends the St. Pats reporting his progress from the Maritime Provinces.
