APPRECIATION—In forwarding his renewal subscription, Mr. A. K. McNeil, Kelliker, Sask. makes very complimentary reference to the Charlottetown Guardian saying: "I lead a busy life, but I always take time each morning to glance over its newsy pages, especially the sports items, which I believe have no equal in describing a horse race. . . . Just a word about our foxes. We have counted 480 young puppies which appear to be in wonderful health. These were produced by 116 mothers, which I believe is about the average crop. Wishing you people another successful year."
