

Lung Rest Your lungs have all they can do. They work night and day, and are faithful to the end. Then use them well. If they are rasping and tearing themselves by hard coughing, come to their relief. Give them Ayer's Cherry Pectoral. It heals, soothes, quiets. Your doctor will explain its action to you. Ask him all about it.

Wm. MINTO, Summerside, was in the city Saturday.

A MEETING of Officers and N. C. O's of No 1 Co 4th C. A. will be held in the armory tonight at 8 o'clock. Important business.

THE concert and pie social which was to have been held in Prowse Hall on Friday April 6th has been postponed until Monday evening April 9th.

THE March number of The Mother's Magazine is most creditable to its editor Miss Marion Wathson, and to its publishers the David G. Cook Pub. Co., Elgin Ill. The Mother's Magazine has arrived at that enviable stage of success when its mere appearance betokens its prosperity. On every other count we can recommend the perusal of his excellent monthly to the Mothers of the land.

THE Guardian's Rustico correspondent says:—Last week Varish Gallant of New Acadia visited here.—Martial Gallant, Mrs. Eusebe Gallant and Mrs. Jos. M. Blanchard are confined to their respective homes through sickness.—Miss Emma Gallant is visiting friends in Charlotte town.—Mr. George R. Gallant left Rustico about a month ago for Toronto, Ont. to join his father, Wellington Gallant.

FISHERMEN in this country who are never satisfied with a days angling unless they can get as many fish as they can carry home. Should be glad they do not have to live in the neighborhood of London. At a place called Eye House, on annual angling competition takes place. Six hundred anglers competition takes place in the last contest the total weight of fish caught amounting to 191b. 3 oz. The prize winner's catch weighed 11b 11 1/2 oz.

ONE of the public conveniences of Charlottetown which is anything but convenient is the letter and paper drop in the east side of the post office building. This is presumably for the accommodation of people who may not be able to post matter inside the building. To approach this place after dark is very awkward but it is not lighted although a lamp is provided for that very purpose and the approach to the box is so awkward as to be disgraceful. In the winter when covered with ice it resembled a toboggan slide. This matter should be remedied at once.

IT is very hard to tell just when the Provincial Legislature will be prorogued. On last Thursday, Premier Peters stated in the House that he hoped to hold session on Friday afternoon and evening; that it was the opinion of many that business was not being conducted as quickly as it might be, and that he would be very much like to get through and have prorogation before Easter. He was supported in this by other members. But the leader of the opposition considered that to be altogether out of the question, that the usual adjournment from noon on Friday until Monday was necessary to allow some members to visit home for Sunday. The usual postponement was made. The House will probably prorogue some time this month.

BELMONT the residence of Augustus Mason presented a lively appearance on last Wednesday evening, when about 100 friends assembled to say "good-bye" to Mr. and Mrs. Mason and family, who leave in a few days for Western Canada. Short addresses were given by J. J. Ferguson and Cephas Mallet. On behalf of the many friends of the family, J. B. Andrew read an address, expressing regret at the removal from this Province of Mr. and Mrs. Mason and family. Mr. Mason replied, thanking his many friends for their kindness and assuring that he would always remember with pleasure his Island home, his neighbors and friends. After partaking of an excellent repast, prepared in Mrs. Mason's well known style, the party enjoyed themselves with music and dancing. It was an evening long to be remembered.

On the evening of the 30th a few of the friends of Angus McKensie at Elliotts Mills waited on him and presented him with an address on the eve of his departure to Melville, Murray Harbor Railway as section foreman. Mr. McKensie replied with a few well chosen remarks thanking his friends for their kindness and for the address presented to him.

All interested will be glad to know that The Guardian's Saturday issue with its many special features is now read by at least six hundred more people than any other during the week. This increase is in addition to its usual much larger sale on Saturday. Every body send a copy of the special Saturday edition to their friends. Only fifty cents per year or 25c for six months.

THE St. Thomas Literary and Debating Society, of St. Dunstan's College brought to a close, on Thursday evening, the 5th, inst., one of the most successful years in its history, by a grand concert and entertainment, given in the spacious convocation hall of that institution. The program included vocal and instrumental selections, readings, recitations and speeches. A paper on "The Benefits of Debates," by Chester P. McCarthy was excellent. The Moderator Rev. Dr. McLellan, in a flowing and eloquent speech, made a resume of the work accomplished by the society in the past, and spoke in glowing terms of its present standing. After the rendition of the program, the members of the society, with guests withdrew to their debating hall, and there partook of an excellent luncheon.

CAN YOU RESIST DISEASE GERMS?

Yes, and become "Germ proof" by Driving Out Blood Humors and Restoring the System.

Why are doctors and hospitals so busy in spring-time? Easily answered. People haven't much surplus vigor in the spring; it was all used up in fighting off colds through the winter.

With this blood and low vitality, the germs of disease become active and cause fever and debility.

Your own protection is to get the abundant vigor that Ferrozone so quickly supplies; it gives spring sickness that tired feeling, restores nerve energy and insures vim and force into every ailing organ of the body.

No other restorative is known than Ferrozone; its influence is not temporary but lasting, laying a sound foundation of health that lasts till old age. Mr. Nazaire Begin of Watton P. O., Que., who received enormous benefit from Ferrozone, writes: "I cannot speak too highly in praise of Ferrozone. It has done for me what any remedy could build up my nervous system so well, I wouldn't have believed it. Before using Ferrozone I was run down in nerve and vital energy, and in very weak health. I didn't get enough sleep at night and felt poorly in the day time. Ferrozone has filled me up with energy and vim, increased my weight and made me more of a man."

Your health through the summer depends on clearing away all traces of spring sickness; the remedy is Ferrozone. Selling at 50c per box or six boxes for \$2.50. By mail from N. C. Poisen & Co., Hartford, Conn., U. S. A., and Kingston, Ont.

How Much For Your Eyes?

Would you voluntarily consent at any price to dispose of your eye sight?

I think not, and yet perhaps you are one of those who, by neglect, are irretrievably losing at least a portion of their eyesight.

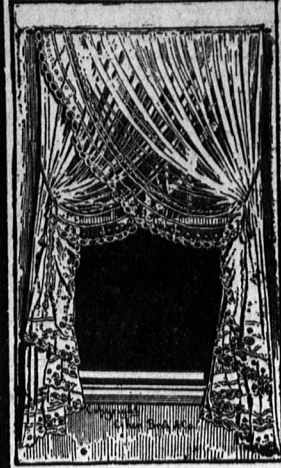

If your eyes need help, the most likely way to assist them is by wearing glasses, properly fitted.

My business is to properly fit glasses. This I do as cheaply as is consistent with good work.
