R.C.A.F CHORAL GROUP NOW EIGHTY STRONG

OTTAWA, Nov. 29 — (CP) — What started as a scratch group of Royal Canadian Air Force singers for a church service in September now is the 80-strong "A.F.H.Q. Choral Group" practising for their first formal concert.

The singers, who hail from all parts of Canada and work at Air Force Headquarters, are under the direction of Sqdn. Ldr. G.J. Mitchell of Waterloo, Que.

The group's first concert of all-Christmas music will be given here shortly before Christmas.

Sqdn. Ldr. Mitchell, who maintains that his job in the air force is navigation, not music, is a past president of McGill University Glee Club and has organized and led choirs and dance orchestras at several of the stations to which he has been posted.

He started his musical career on the organ of Waterloo United Church of which his father, Rev. E.D. Mitchell, is a minister.

Subsidies For Income Tax?

BAIE ST. PAUL, Que., Nov. 27 —(CP) — Frederic Dorion, independent member of parliament for Charlevoix - Saguenay, said at a political meeting last night that "orders-in-council have been passed at Ottawa providing for subsidies for two lieutenant governors to allow them to pay their income tax."

Mr. Dorion said that Sir Eugene Fiset, lieutenant - governor of Quebec, and Hon H E Kendall lieutenant-governor of Nova Scotia, had each received subsidies of $4,000.

"All this was done by virtue of the war measures act," he said. "It is easy then to imagine where our billions of dollars are going and to explain the numerous loans."

Of the conscription issue he said: "Last week's order-in-council is only a logical consequence of the visit of Mackenzie King to Hitler in 1939, of the declaration of war in 1939 and of the adoption of the mobilization law.

"A few hours after the signing of last week's order-in-council providing for conscription for overseas thousands of conscripts were being sent east en route overseas. A trip like this one cannot be organized in 24 hours and so we have another proof here that King has been preparing conscription for overseas for a long time."

S. S. Convention at Souris

An Eastern Kings Maritime Religious Educational Council convention that proved an aid to Sunday School works, etc., who attended, was held at Souris United Church on Thursday, Nov. 9th. The Dundas and Annandale schools have been amalgamated with this district.

Regrets were expressed for the absence of delegates who live east of Souris. The president, Mrs. Edwin Reid, presided at both afternoon and evening sessions.

The visiting leader, Rev. Wallace MacPherson of St. Peter's Bay, took as his text for the evening address, "There is a lad here who hath five barley loaves and two small fishes, but what are they among so many?" As illustrated that we should interest ourselves in the individual, as St. Andrew did, that is the "little lad in our midst." A timely warning was stressed by Mr. MacPherson that children be taught not to use profane words.

A committee was appointed to wait upon the Ministerial Association so that it may be arranged to have the Sunday School Lesson explained over the Radio during one morning of the devotional period, this to aid the Sunday School to reach children far distant and ones who cannot attend.

Other pastors present included Rev. I. Green of Dundas who led the round table conference in the afternoon, and Rev. W. A. MacQuarrie of Souris, who explained many problems. He and other delegates present had attended the Maritime Convention held at Charlottetown in October.

The Maritime Religious Educational Council requires that each Convention District raise the sum of sixty-two fifty next year.

The slate of officers nominated for the ensuing year is as follows: President, Mr. W. B. Creed, Dundas; vice president, Edwin Reid, Rollo Bay; secy. treas., Mrs. George A. Campbell, Rollo Bay West, (re-elected); Child Welfare Secy., Miss Mildred Rose, East Baltic; Executive: Kingsboro S.S., Mrs. Alton Robertson; Bethel S.S., Mrs. W.H. Baker; Souris S.S., Miss Ellen Stead; Fortune Bridge S.S., Mrs. Elmer Campbell; Bay Fortune S. S., Mrs. Reid Underhay; Dundas Baptist S.S., Miss Margaret MacLeod; Dundas United S.S., Mr. Lorne Wiggington; Forest Hill S. S., Mrs. John MacBeth; Annandale S.S., Miss Grace Howlett.

Canadians Seek To Save Air Conference

By C. R. BLACKBURN

CHICAGO, Nov. 27—(CP)—For the second time in a week the Canadian delegation today attempted to save the international civil aviation conference from Anglo-American failure to compromise.

H. J. Symington, Canadian delegation leader whose dramatic appeal at a plenary session last Wednesday sent the British and American delegations back to work on an attempt to reconcile their differences, stepped into the breach again today.

At resumed sessions of a joint sub-committee on which all 54 conference countries are represented, he submitted a new compromise proposal.

This was designed to offer, in new phraseology and on a more elastic basis, a reconciliation of the American stand for fairly open competition for rights to operate global air routes, and the British determination to protect in definite language the opportunity for all nations great and small to take their place in world air commerce.

Adoption of the Canadian proposal would mean a slight yielding on the part of Viscount Swinton, British delegation leader.

It is an elaboration of the American compromise proposal submitted last week-end, in respect to the main point of difference—the question of pick-up traffic handled by long distance operators and application of that intermediate business to assessment of the rights of such big, long distance operators to enlarge flying frequencies.

In particular it provides "escape" machinery whereby nations desiring to handle local business could "contract out" of the agreement on the so-called "fifth freedom" which gives operators the right to handle intermediate traffic on long routes, which leave a number of states intervening between termini.

Italian Gov't Crisis Remains Unsolved

ROME, Nov. 27 — (AP) —Leaders of six Italian political parties making up the committee of national liberation held two more meetings today without finding a solution to the Italian government crisis caused by yesterday's resignation of Premier Ivanoe Bonomi and his cabinet.

There appeared no prospect that a settlement would be reached for several days.

At the end of today's first meeting, the parties were understood to have sent a delegation to inform M. Bonomi that they considered him unable to resolve the crisis as Premier of a new cabinet unless the ministry of foreign affairs were given to Count Carlo Sforza.

M. Bonomi held this ministry as well as the ministry of the interior in the former cabinet.

The party leaders were understood to have reached no agreement on the ministries of the interior, war and treasury. The latter ministry has been under attack by the communists and socialists on the ground that the purge of fascists had proceeded too slowly there.

PUBLIC RELATIONS OFFICERS SEEN IN BAMBOOZLERS' ROLE

LONDON—The Sunday Express, charging that "the business of most of the present type of public relations officers is not to give newspapers news but to coerce them into publishing advertisements," has asked its reporting staff not to deal with these officers "either in Government departments or in industry" except in cases where it cannot be avoided.

A notice to the staff, over the signature of Editor John Gordon, added that "we do not exist for publishing handouts and we shall have nothing to do with a system that is intended to control and suppress news."

World's Press News, weekly magazine devoted to journalism and advertising, said in remarking on the Sunday Express action that "for a long time indignation has been boiling up against the PRO's who have attempted to bamboozle the press with free puffs.

"The system of maintaining press agents is one which, if properly carried out, would receive the full backing of the newspaper industry," the magazine added, "but when it develops into what has been described as "an incipient press racket" it is surely time that newspapermen themselves took action to remedy the situation."

ST. AUGUSTINE CREDIT UNION

The annual meeting of the St. Augustine parish Credit Union was held at the Parish Hall, Rustico, on Oct. 24, 1944, with a good attendance. The meeting was called to order by the president, Mr. Cornelius Doucette, who also gave the report of the board of directors, and he said that the directors had done their work well during the past years and that there had been a 100 percent attendance at all the directors' meetings and that each member had taken a great interest in the Credit Union.

The credit committee gave their report which showed a very good year in which they had loaned out good loans up to $1200.00. The supervisory committee gave out their report. They had found the books all O.K.

Rev. Father Peters in his address said that he was very anxious to see some good study clubs start this winter in the parish. The treasurer Mr. Isidore Gallant said in his report that the Union had a good year. The figures for 1943-1944: "In 1943 we had in shares $3,088.02: in 1944, $5,237.62. On deposit 1943, $283.78; 1944, $3,307.31; loans 1943, 1,012.17; 1944, $5,520.72. Total capital 1943, $3,609.59; 1944, $8,820.07. Membership 1943, 85; 1944, 119.

The members decided to buy another Victory Bond for $500.00, making it a total of $1400.00 in Victory Bonds.

The following were appointed to the different committees: Board of directors, Mr. Peter R. Gallant, re-elected, and Mr. Felix Pineau; credit committee, Mr. Edmond Gallant; sup. committee, Mr. Cyril Gallant and Mr. Alban Gallant.

The meeting ended with God Save the King.

MT. MELLICK W. I.

The fifteenth annual meeting of the Mt. Mellick W. I. was held at the Mutch home, with an attendance of 15 members and two visitors. Meeting opened by singing Institute Ode followed by Club Women's Creed in unison. The minutes of the last annual and regular October meetings were read and approved. Roll call was responded to by paying membership fees. Reports from secretary and treasurer were then given, showing a balance on hand from last year of $50.21. Receipts for 1944, $84.29; expenditure $80.22; balance on hand $54.18. Red Cross work passed in for year consisted of quilts, socks, sweaters, scarfs. It was moved and seconded that $5 be sent to T.B. League. It was decided to buy a creamer can for the school. A letter of thanks was received for a wedding gift.

Following are the officers for ensuing year:

President, Mrs. Edmund Robertson; vice pres., Mrs. J. E. MacEachern; secretary, Mrs. Charles Mutch; treasurer, Mrs. M. MacRae; auditors, Mrs. Jack MacRae, Mrs. Arden Richards; directors, Mrs. Albert Bruce, Mrs. W. J. Mutch, Mrs. Albert Johnstone; school comm., Mrs. W. Wood, Mrs. A. Richards; program, Miss Olive Finlayson, Edna Robertson. Mrs. W. Wood invited members to her home for Red Cross meeting. Next Institute meeting to be held at the home of Edna Robertson.

SGT. W. D. MACKENZIE IS LAID TO REST

The funeral of Sgt. Wendell Daniel MacKenzie, Boughton Island, was held from the United Church Saturday afternoon, Nov. 25, Rev. S. J. Boyce, pastor of the church officiating.

Full military honors were accorded their deceased comrade by a detachment from the R C A F training centre at Mount Pleasant, under the command of Capt. Taylor. There were many beautiful floral tributes.

The funeral was the largest seen here for some time. The service was very solemn and impressive. A message of comfort and encouragement was brought to the bereaved by Rev. Mr Boyce, who based his sermon on the text: "Gather up the fragments that nothing be lost."

In the course of his address he paid a high tribute to the character and conduct of the deceased.

The choir, assisted by the large congregation, rendered hymns, "The Lord's My Shepherd," and "Abide With Me" Walter Burdette of Dundas sang with fine feeling and effect "Will the Circle be Unbroken."

The service at the grave was conducted by the sounding of the Last Post, and the firing of three volleys over the grave of the departed.
