EASTER WINDOW HARD TO BEAT

Many store windows throughout the City are all dressed up for Easter, bunnies, Easter eggs, fluffy chicks and numerous other attractive decorations abound, but one of the most beautiful and most elaborately dressed is the window of the McKinnon Drug Company, Corner Great George and Kent Streets. Mr. H. Bethune is the designer of their many attractive windows, and this year has perhaps excelled himself over previous endeavors. He has in touch and gorgeous in his portrayal is the work this year. The color scheme is purple and white with an interlaced background of the same hues. In the centre of the window is a large arch decorated with Easter bunnies, under which sits a life sized Bunny. Directly above the arch a large egg eighteen inches in length by nine inches hangs suspended. The egg is of perfect shape and nicely decorated. In each corner also suspended are two signs printed in gold lettering, "Easter Greeting," "Easter Bowers adorn the window ends and in the centre chicks and ducklings rear their tiny little heads as if heralding the coming of Holy Easter tide. Boxes of Easter chocolates are tastily arranged therein. Taken all in all this artistic and attractive display is one of the best that has been seen in this city for some years and clearly outdoes anything the McKinnon Drug Company has as yet attempted. It may be added that the effect from pink shaded lights at night is most striking and passers-by are naturally drawn by its blinding beauty.

"Although the daily routine supplying books and information to patrons, the care and repairing of old books (for which not nearly enough time can be found) the selecting, cataloguing and preparing for circulation of new books; preparing the annual Statutes for the Printers, proof reading and indexing them, sending out Journals, blue books, Statutes, etc., etc., more than enough to take up the time of the Library staff; still some time was devoted during the year to the indexing of island newspapers and other phases of more advanced Library work. Reference has frequently been made in the Library Report to the great need of some definite and systematic effort being made toward gathering together and properly storing the Archives of the Province. It is a pleasure to be able to report that some steps have been taken toward the accomplish-

Nutrition of Foxes

The "Power Foods", which supply Energy and Strength, require to be fed your breeding foxes at this time. All the energy and strength must come from food and chiefly from one class of foods, called "Carbohydrates." From one-third to one-half of the foxes' diet should be made up of them. IMPERIAL COD LIVER OIL FOX BISCUIT ranks very high in "Carbohydrates" and is the correct cereal to feed at this season. IMPERIALS are also rich in Vitamines and Mineral Salts, both absolutely necessary to successful diet.

BEST RESULTS IN REPRODUCTION

are obtained from feeding IMPERIALS regularly during the entire gestation period, as they are laxative and have a cooling effect on the blood. Feed the morning meal of dry IMPERIALS.

A Famous Man

The originator of Dr. Pierce's Golden Medical Discovery for the blood, as well as the "Favorite Prescription" for women, was Dr. Ray V. Pierce, a practicing physician in Western Pennsylvania. He early moved to Buffalo, N. Y., and established The Invalids' Hotel, then he put up his home remedies in the World's Dispensary, where they were carefully prepared from roots, barks and herbs, and placed them with druggists all over the U. S. and Canada. For over half a century, Dr. Pierce's Discovery, for the blood, has been sold in larger quantities by druggists than any other medicine. It is a tonic in its effect on the stomach and digestive apparatus; an alterative in its action on the blood, liver and skin. It increases the appetite, stimulates the digestion, enriches the blood, clears the skin of eruptions and blemishes, and makes both men and women feel as they did when they were young and care free. Ask your nearest druggist for Doctor Pierce's family medicines, in tablet or liquid form, or send 10 cents for a trial package of tablets to Doctor Pierce's Laboratory in Bridgeport, Ont.

to promote the general welfare of our Province. The resolution passed by you that, in your opinion, Prince Edward Island has not received in full measure the benefits promised in the Terms of Confederation will, during recess, be submitted to His Excellency the Governor General in Council. Your resolution calling for a second cerry and the provision of frost proof warehouses will, I hope, bear fruit in due course. I thank you for the supplies placed at the disposal of the various Departments of my Government. You may feel assured that all amounts will be faithfully applied to the purposes for which they have been appropriated. In closing this the Third Session of the Fortieth General Assembly, and in taking leave of you, I trust that the blessings of Divine Providence will rest upon you and upon all our people.

TO PROPRIETORS AND MANAGERS

Is your Hotel or Boarding House equipped with sufficient Baths and Toilets? An extra Bath or Toilet only costs a trifle compared with the service you will get. Have us go over your job, and help you plan for the new fixtures or any plumbing you may require. Prompt and efficient service is our moral. You will find our prices reasonable.
