#### MONDAY

**\*THE PATROL 33** with Capt. Smith in command put into Georgetown Harbor on Wednesday the 8th inst. This boat is engaged in the suppression of illegal lobster fishing but does not report many cases to be found recently. She left again on Thursday in accordance with the routine of work.—J.

**SERVICE FOR THE DEAD.**—Yesterday the annual service for the dead was held at the Catholic Cemetery. It was largely attended. The League of the Cross Band headed a large parade of the members of the society and the K. of C. from St. Dunstan's Cathedral to the cemetery, where His Lordship Bishop O'Leary officiated, assisted by several of the clergy. The De Profundis, the Libera and the Miserere Mei were sung, and prayers were offered for the repose of the departed members of the congregation. His Lordship delivered a discourse appropriate to the occasion.

**SOLDIER RETURNING.**—Mr. Geo. Stewart, Prince Street, received a telegram yesterday from his son Sergt. Charles Stewart at Halifax stating that he would arrive home tonight. Sergt. Stewart enlisted in Major Prowse's Battery and after two years in the pay office in London, went to France where he took part in all the fighting of the armistice. On return to England he was again taken to the pay office where he served until demobilization was completed. His many friends will give him a warm welcome on his arrival.

**\*HORSE NOTE.**—It is pleasing to learn that the good trotter Better Note, formerly owned in Montague by J. McGregor, and recently sold to Mr. W. A. Rudderham, Sydney, won third money for her new owner at Sydney, week of October first, in a very fast field of nine starters. This is a very well bred and speedy mare, and if Mr. Rudderham follows along the manner of training given her by Mr. McGregor he will have a free-for-all trotter next season. Dr. J. D. McIntyre, Montague, has a year old by Capt. Aubrey out of this mare that the Doctor has turned down an offer that would make the average farmer smile for a pair of good horses, but the Doctor says nothing doing, he's going to beat them all yet.—B.

**\*G. W. V. A.**—The entertainment and dance held by the G. W. V. A. in the Town Hall, Georgetown on the evening of Wednesday, Oct. 1st, was a decided success from every standpoint. "The boys" made a decided hit in their presentation of an establinet scene behind the lines, and their choruses and solos were well received. The singing of Miss Rose Fairchild and the dancing of Miss Mary McLellan, set a high standard for juvenile talent which was in no wise diminished by the violin solo by Miss Carrie Hemphill. Miss Jane Stewart and Mr. Frank McDonald gave solos of which the audience showed their appreciation by their applause. After a sale of baskets the dance commenced and the reluctance of the participants to depart ere the morning star testified to their enjoyment of this part of the programme. The proceeds of the affair are to be utilized in the purchase of the residence which the G. W. V. A. intends using as a clubroom. The accompanists for the evening were Miss Barnes, Mrs. Fairchild and Miss Hemphill.—J.

**\*GROWING GEORGETOWN.**—To the initiated observer Georgetown would seem to be entering upon a prosperous era. Among the new ventures the general store opened by the enterprising firm of J. J. Hughes & Co. stands prominent and will invite competition. The new fishing schooner built and owned by Capt. C. M. FitzGerald, while it will provide employment for several men, will beyond doubt prove a source of generous profit to the owner while forming the foundation of an industry for which Georgetown is eminently fitted. The new Catholic Church which is in course of construction will, when finished, be one of which the parish may well be proud, and the work is progressing at a rate which seems to promise its completion during the present year. Evidences of prosperity are also to be seen in the many purchasers of property which have recently been made and in the influx of individuals and families with the intention of residing in the town with its many natural advantages, its energetic and industrious population and its progressive and enterprising mayor and council. Georgetown is in a position to prove beyond a doubt its right to be capital of the county.—J.

The following letter accompanied the nineteen conditional resignations sent by the city teachers to the School Board on Oct. 6th.

To the Board of School Trustees, Gentlemen:

After long continued efforts on the part of the teachers of this Province to secure a living wage, they felt themselves compelled to form a Union, hoping by united action to secure what they had hitherto failed in procuring. The Union agreed upon a minimum wage, less than which any Union Teacher was not to accept.

To secure this legislation is necessary. That we might be mutually helpful, it was resolved by the Union, that unless the means to secure this was assured by December 4, three months after the assumption of power by the present Government, Union teachers would go out on strike.

The reason why teachers receiving the minimum salary asked, unite with others is that their influence may be united with their fellows in securing their demand. In view of the facts set forth, and feeling that by our membership in the Union we are obligated to stand by each other, we feel that we are in duty bound to send you the accompanying conditional resignations which, in the event of the requests of the Union not being granted, will take effect two weeks after the strike of the Country Teachers is called.

We acknowledge the generous treatment accorded us by your Board, and would be very sorry to be the cause of injuring in any way the schools of the city.

We sincerely hope that matters may

be adjusted before a crisis arises.  
J. D. SEAMAN,  
President of the Teachers Union  
LOUIS WYNNE  
President of The Teachers Institute

**NEW STEAMER COMING.**—It has been finally arranged that the S. S. "Canadian Adventurer"—a large new steamer recently launched by His Royal Highness the Prince of Wales at Port Arthur will be due here about November twenty, to load full cargo of produce etc underdeck and cattle and sheep on deck for St. John's, Newfoundland direct. The "Canadian Adventurer" is owned by the Canadian Government Merchant Marine Ltd., and it no doubt will mean much for the future transportation facilities for this province that she receive a full cargo, and be loaded with despatch. Buntain Bell & Co., who have had a large experience in steamboat business are her agents here, and are now booking cargo. Her advertisement will appear later.

**A BAD ACCIDENT.**—A horse and cart belonging to Mr. George Tweedy Mount Edward Road and which was being driven by a boy came to grief one afternoon last week as the result of being run into by an automobile. It is said that the driver of the automobile who had his license revoked some time ago, was intoxicated, and was taking up practically the whole road to himself when the accident occurred. The boy who had the loan of Mr. Tweedy's horse was returning home and was opposite the Experimental Farm when the automobile crossed into the team smashing the shafts off the cart, breaking one wheel, cutting the horse in three places and injuring the boy's leg. After striking the team the automobile ran into the adjacent fence on the wrong side of the road, where it stuck for some time. Mr. Tweedy is naturally indignant over the affair and the indications are that he will not let the matter drop.

**\*TRIP ENJOYED.**—Mr. Wellington Mellich of Montague, has just returned from a visit to Nova Scotia, whither he went as a guest of one of his bank associates. Mr. Mellich expressed himself as delighted with his trip. He reports an abundant apple crop. There being upwards of two million barrels for export. Large shipments leaving Halifax weekly for the old country, where the demand is almost inexhaustible and the returns exceedingly remunerative. He thinks if the apple growers of this province, were to get together and have one of the ocean liners call at Charlottetown a large quantity of the surplus stock could be disposed of to good advantage. The working of oxen which Mr. Mellich had the pleasure of seeing while in Nova Scotia, seemed in great contrast to the modern methods used in the home province.—B.

**W. M. S. CONCERT.**—The annual concert of the Woman's Missionary Society, of the Methodist Church, Cherry Valley, was held on Sunday evening last, at 7 o'clock, and was, in every way, one of the very best ever given in the church. Rev. Mr. Pepper presided, and gave a very helpful address on the work of the Society. The opening and closing choruses by the choir were excellently rendered. Some very interesting recitations were given by Misses Mabel Richards, Marion Jenkins, Ellen Herring, Vera Irving and Laura Young, Grace Jenkins, Duett, by Marion and Constant Ings, and Marguerite McEachern and Ilett Richards. Quartette, by Marguerite McEachern, Mrs. Dingswell Jenkins, Frederic and Ilett Richards. Solos by Marguerite McEachern, Enid Smith and Victoria Jenkins. Violin selections by Harry Young. Inst. Mass organ and Violin, Enid Smith and H. Young. Collection amounted to twenty-four dollars.

**WEDDING BELLS.**—An event of unusual attraction took place at St. James' Church, Freetown when Miss Margaret Lower, second daughter of Mr. and Mrs. Jas. Power, of Emerald, was united in marriage to Mr. Wm. Devine, one of the railway employees of Hunter River section. As the peals of the wedding march gracefully and skillfully played by Miss Kathleen McKenna, cousin of the bride, rang forth the wedding party entered the church where Rev. Fr. McQuaid although the hour was early was on the alert and in readiness to celebrate the Nuptial Mass and perform the ceremony. During the Mass hymns suitable to the occasion were beautifully sung by Mrs. Peter A. McMahon and Mr. Tabanus McKenna. The bride looked charming in a tailored suit of blue with taupe hat while her sister Miss Katherine Power also becomingly dressed in blue acted as bridesmaid. Mr. Alfonso Devine brother of the groom was spokesman. Immediately after the ceremony the wedding party motored to the home of the bride's parents where a sumptuous breakfast was partaken off only the immediate relatives being invited. As the time was limited speeches had to be cut short. Mr. Power father of the bride on behalf of bride and groom, thanking all present for the numerous and beautiful presents received and Messrs. Eddie Smith, of Charlottetown and Harry Young, of Emerald, and Peter T. Power, Station Agent at St. Peters, who in cars decorated with flags for the occasion, conveyed the wedding party and their friends to the church. The groom's present to the bride was a beautiful coat, to the bridesmaid an ivory manicure set and to the groomsmen gold cuff links. Mr. and Mrs. Devine left for a short trip to Boston and other cities amidst showers of rice and confetti and the good wishes for a long and happy journey through life.
