These Bargains Day Values Can be had at Our Summerside Store Only

Summerside has the reputation of giving values—real values when they advertise them; and it is doubtfully if any concern in Eastern Canada has a more widespread reputation for sacrificing profits than has R. T. Holman, Ltd.

This advertisement is a cast in point and a definite proof of this claim.

When lines and sizes become reduced, or when any articles such as furniture etc., become damaged even to the slightest degree the price is slashed and amashed to smithereens.

You cannot afford to miss the big Summerside Bargain Day Sale next Saturday, September 18th. The sale will be a sizzling one from 8 a. m. till closing time. Come early. No reservations; nor can we bind ourselves to fill mail or phone orders at the prices quoted in this ad.
