TILLIE THE TOILER—A SPITE MOTIVE!

Then you deny that you speak either German or Japanese? YES, MA'AM

She's heard talking both! Drat that C.O. for making me spend such a person.

I'll break my neck to get an acquittal just to spite her.

Oh, if Lt. Ray could only prove it a mistake and there'd be no blot on the company's record!

INVASION NEWS

Only in The Standard do you get this extra coverage—

Three staff correspondents—plus exclusive Canadian rights to the informative dispatches of the Chicago Sun Foreign News men—that's the line-up The Standard had ready for D-Day.

To give you a more complete picture of the biggest story of the year, Standard staff man Gerald Clark was assigned to the invasion forces in England. Standard staff man Lawrence Earl was also accredited to the Canadian Army in England, and Standard staff man Wallace Reburn, of Dieppe fame, went to Italy with the Canadians.

Over and above this staff coverage, one of the largest of any Canadian publication. The Standard acquired exclusive Canadian rights to the justly famous Chicago Sun Foreign News Service, which gives Standard readers dispatches from such top-flight men as H. R. Knickerbocker, Frederick Kuh, W. A. S. Douglas, Edward Angly and others posted all over the world.

Paper rationing has limited the number of pages we can print. It has NOT limited The Standard's policy of bringing you the best possible coverage, in news and picture, of today's history-making events.

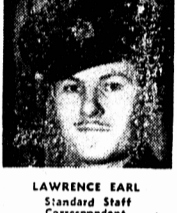

THE FASTEST-SELLING WEEKEND NEWSPAPER IN THE MARITIMES!

The Standard

Paper rationing makes it impossible to print enough copies to meet the tremendous demand. Please reserve your copy every week.
