—OFFICERS INSTALLED.— On Wednesday night the 23rd instant, at the C. M. B. A., hall, Egmont Bay, the ceremony of installing the new officers of the local branch of the society I' Assumption was conducted. The attendance was fairly large, despite the uncertainty of the weather, there being several C. M. B. A. members present. The president, Mr. Antoine C. Gallant had worked faithfully in organizing such a meeting and to his credit, and to the credit of the committee named for that purpose it may be said that it was an unqualified success. Mr. Moise Gallant, teacher of St. Chrysostome was the installing officer, while Rev. Father Boudreault was master of ceremonies. At the opening of the meeting the president in a few well chosn words explained to the audience the purpose of such a meeting. Rev. Father Boudreault was then asked to speak and did so, giving wise counsels nad extolling the merits of this beautiful and beneficial society. Mr. Etinne Arsenualt in his speech was brief but to the point. After the ceremony, the president called on anyone who wished to speak. Rev. Father Boudreault again spoke and gave wise counsels in the interest of members. The next to speak was Mr. Eli Arsenuault who proposed a vote of condolence to Rev. Father Boudreault in the death of Annie Sherry, who in her young days had been a long time his maid servant. Several remarks were again passed by some members. These explained the necessity for insurance, and the great good wrought by the Society. But apart from Insurance, there was another grand purpose, and to this end all the members showed strive courageously Mr. Etienne spoke again and as a C. M. B. A. member heartily thanked the members of that I' Assumption for their kind invitation to this society. He then compared both associations explaining how both worked harmoniously and for a common purpose. The programme was interspersed with several nice songs, by Mr. Pathier and Hector Gallant. Mr. Cyrus Arsenault presided at the organ and performed his work well. The meeting was brought to a close by the singing Ave Marie Stella and Dieu Salve le Roi.—M.

A CHILD GETS CROSS, SICK AND FEVERISH WHEN CONSTIPATED

Look, Mother! If tongue is coated clean little liver and bowels.

If your little one's tongue is coated, it is a sure sign the stomach, liver and bowels need a gentle, thorough cleansing at once. When your child is cross, peevish, listless, pale, doesn't sleep, eat or act naturally; if breath is bad, stomach sour, system full of cold, throat sore, or if feverish, give a teaspoonful of "California Syrup of Figs," and in a few hours all the clogged-up, constipated waste, sour bile and undigested food will gently move out of the bowels, and you have a well, playful child again.

Sick children needn't be coaxed to take this harmless "fruit laxative." Millions of mothers keep it handy because they know its action on the stomach, liver and bowels is prompt and sure. They also know a little given today saves a sick child tomorrow.

Ask your druggists for a bottle of "California Syrup of Figs", which contains directions for babies, children of all ages and for grown-ups plainly on the bottle. Beware of counterfeits sold here. Get the genuine made by "California Fig Syrup Company."

WEDDING ANNIVERSARY

On Tuesday evening, January 22nd a large crowd gathered at the home of Mr. and Mrs. John N. Evans, Burlington, to celebrate the anniversary of their wedding. After music had been furnished by Mr. Bern Ready and Mr. Elmer Sudsbury, the following address was read by Mr. John M. Montgomery, after which Mr. Elbert Millman made the presentation, (a clock and diner set).

Mr. and Mrs. John N. Evans

Dear Sir and Madam:—We, your friends, have taken the privilege of coming here, on this the anniversary of your wedding day, to endeavor to bring back to your minds happy reflections of that memorable night ten years ago. And although we are well aware that we cannot bring you as much happiness as was brought you that night in 1908, still we wish to convey to you on this occasion our best wishes. We hope that you may be spared, so that we may gather here on many such occasions, to wish you all good luck. We will now ask to accept as a very slight token of our good wishes for you, this small gift, which we hope you will cherish not on acconut of its intrinsic value but merely on acocunt of the spirit in which it is presented. Once again dear friends we wish you many, many more years of happy Union and our prayer is, that God, may in the coming years, crown you with his richest blessings and make your home life even more happy and prosperous than in the past decade.

Signed on behalf of those present.

Mr. and Mrs. Evans in a few well chosen words thanked all present for the remembrance and hoped we would take advantage of the evening and have a right good time. After the presentation, supper was served and was pronounced by all present as the "best yet." Having appeased their appetites, a large programme was carried out every number being so perfectly performed that it would be hard to particularize. However, those numbers most worthy of note were, a step dance by Mr. Evans, a speech by Mr. Can and a reading by Kensington's most noted elocutionist.

In the early hours the company dispersed, each wishing Mr. and Mrs. Evans many thanks for the delightful evening.

CANADIAN GRAIN WILL MOVE ALL WINTER

TORONTO, January 25.—A heavy grain movement from the northwest all winter is promised by General Manager M. H. McLeod, of the C.N.R. western lines, who is in the city. Mr. McLeod said that there is little gain in the great terminal elevators at the head of the lakes at the present time, and that the shipments are being made right through to the eastern sea-board. There was no congestion last fall such as is not unusual during the grain rush.

Asked as to the report that he was to be one of the chief officials of the C.N.R., under government control, Mr. McLeod smiled, and said that there was no doubt that whoever he, with Vice-President Hanna and A. E. Warren, assistant to the general manager of the western lines, might work for, they would work to keep the traffic moving.

"Just at present there is nothing very much doing on the western lines," said Mr. McLeod. "We shall be moving grain all through the winter."

A Rumor Contradicted

Mrs. Fred Larter, Hampshire, has received the following letter from her son, who has been in the trenches for the past twenty months as a signaller and emphatically denies the rumor that boys at the front have to pay for the socks sent through the Red Cross:

In France, 17-12-17.

Dear mother,—Just a few lines to let you know I am well, and hope this will find you all the same at home. I had a letter from you tonight, also a parcel with sox and leather gloves. But you made a mistake; the gloves were both for the right hand. It is a good joke on both of us, I guess. Well, mother, you wanted to know if I had a chum who did not get any parcels. Well, I have, and his address is No. 99079, Pte. Joe Paulette, 9th Canadian Infantry Brigade, Signal Section, France. So, be sure and send him one, for he is my particular pal. We sleep together and share everything with each other.

I hope Mick does not have to come, but if he does, send him with a good heart. Remember what it is for, and he may come through all right. I have been very lucky so far, and he will be too, most likely.

Well, mother, you wanted to know if we have to buy sox sent over to us by the Red Cross. We, certainly do not. Whoever started that rumor must have been shell shocked, for it isn't true. I wrote to Evelyn Clow in answer to the Red Cross parcel, but haven't had a reply yet, but I guess I will before long. I was sorry to hear that George Yeo had been killed. Give Alf my sympathy if you ever see him. Well, I guess I will close for this time. So good-by, with love and kisses to Pa, Millie and Mick and a big share for you.

From your loving son,

CHARLIE.

I took it, and today I am as well and strong as any woman could wish to be, and it was Vinol that saved me."—Mrs. Frank A. Horkey, Ash St., Bedford, Ohio.

We guarantee this famous cod liver and iron tonic for all such conditions.

Dear friend,—Just a few lines in answer to your request in a Christmas card, which I received in a present from the matron. We have had a right merry Christmas and the boys here all enjoyed themselves O.K., much thanks are due to the matron and sister who look after our welfare.
