

PHYSICIANS ARE IN DEMAND.

The London Medical Press says that so many young physicians are with the army in South Africa that it is difficult to fill vacant positions in hospitals.

THE HACKING COUGH.

One of the meanest things to get rid of is a hacking cough. There is apparently no cause for it. No sneezing, no irritation at first; but the involuntary effort of the muscles of the throat to get rid of something is almost constant. Of course, with many coughs is a habit, but it is a bad habit, and should be stopped. When you realize this and try to stop it, you find you can't for by that time there is an actual irritation, which will never get better without treatment.

It is a curious thing that nearly all treatment for cough actually makes the cough worse. Then, too, most medicines for cough have a bad effect on the stomach. This is especially true of so-called cough remedies that contain narcotic. The true treatment for cough is one that heals the irritated surface. This is what Adamson's Botanic Cough Balsam does. It protects the throat also while the healing process is going on. When this remedy was first compounded our old men were young boys, and all this time it has been doing a steady work of healing throats. The most obstinate hacking cough will quickly show the effect of the balsam. People who have been trying for years to break up the most stubborn cough, will find a sure friend in this old time soothing compound made from the herbs and gums of trees. All druggists sell Adamson's Botanic Balsam. 25 cents.

What They Say.

Editing a paper is a nice thing. If we publish jokes, people will say we are rattle brained; if we don't we are an old fossil. If we publish original matter, they say we do not give enough selections; if we give selections they say we are too lazy to write. If we don't go to church we are a heathen, if we do we are a hypocrite. If we remain in the office, we ought to get out and hustle for locals; if we go out we are not attending to our business. If we wear old clothes they laugh at us; if we wear good clothes they say we have a pull.—Exchange.

THE OTHER SIDE OF A COOKERY SCHOOL.

Pall Mall Gazette: Cookery classes at Woodford Board School are not universally appreciated. One indignant mother hearing that such classes were about to be started, wrote to the teacher as follows: "My Mary Ann is not going to be a servant. I want her to be a lady and the less she knows of how to cook the better. When I sent my girl to the board school I did not expect she would be taught undignified things like that."

Alcoholism Can Be Cured

Rev. Father Quinlivan's Opinion.

To whom it may concern: The good points of Mr. Dixon's new discovery for the cure of the liquor habit, in my opinion, are the following: First, if taken according to directions it completely removes all craving for liquor in the short space of three days; its use for a longer time is intended only to build up the system. Second, it leaves no bad after effects, but on the contrary aids in every way the health of the patient, whilst freeing him from the desire for drink. Third, the patient may use it without interfering with his business or leaving his home. All other liquor cures I have yet heard of are very costly, operate slowly, are doubtful as to effects and often impair the health and constitution of the patient. I therefore look upon the remedy as a real boon, recommend it heartily to all concerned and bespeak for it here in Montreal and elsewhere every success. J. Quinlivan, S. S., Pastor of St. Patrick's, Montreal. Full particulars regarding this medicine can be obtained by writing to Mr. Dixon, No. 81 Willocks Street, Toronto Canada.
