SOME TOKENS OF REMEMBRANCE

To Rev. J. C. and Mrs. Spurr of Pownal.

On the Eve of Their Departure From the Province. They left Yesterday for Their New Home.

Rev. J. C. Spurr, recently pastor of the Baptist churches at Alexandria, Hazelbrook, Uigg and Belfast left yesterday morning with his family for his new field in Falmouth, Hants County, N. S.

Rev. J. C. Spurr: Dear Brother and Pastor:—It is with the deepest regret that we have learned of your decided intention to sever your connection with us, for a time at least as our dear and much beloved pastor, and we on behalf of the congregation and church at Alexandria beg leave to present you with this small token of our esteem and respect.

At the close of the farewell service at Uigg last Sabbath Mr. Spurr was presented with a lengthy address expressive of regret at his departure and hearty appreciation of his work. The address took note of the fact that the regular services were always looked forward to with interest, the sick had been soothed by his mindfulness and sympathy, and the congregation deeply impressed by his exemplary life, while his pastoral labors had borne much good fruit.

On Saturday evening at the residence of the Misses Jones Mrs. Spurr was presented with the following address by the Aid Society:

Dear Mrs. Spurr: For nearly eight years, we the members and friends of Hazelbrook Aid Society have been cheered and profited by your influence and kindly ministrations. Within that period you have greatly endeared yourself to us by your amiable character, your earnest devotion to duty and the hearty interest you have ever manifested in our welfare as a people.

RESOLUTION OF CONDOLENCE.

Whereas our Heavenly Father, in carrying out the purposes of His Divine Will, has seen fit to summon to the better

world our highly esteemed and most worthy Brother Knight, Charles Hermann, whose sudden and unexpected death at a comparatively early age, while still in the fulness of a life of great usefulness, was the cause of a shock so severe as is seldom experienced by the community in which the greater part of his well spent life was passed.

But it is in the home, where the light of his genial and kindly nature even shone resplendent, that his absence will be the more keenly felt by her to whom he was the most considerate husband.

PAINFUL RHEUMATISM

This Trouble is Caused by an Acid in the Blood, and Can Only be Cured Through the Blood.

Rheumatism is caused by an acid in the blood. That is a medical truth every sufferer from this trouble should bear in mind. Lintments and outward applications cannot cure what is rooted in the blood—the disease must be cured through the blood.
