A QUESTION OFTEN ASKED.
Why so many people feel worse after taking pills than before? Trouble is that drastic pills are used. No remedial action is obtained, the bowels are irritated and the usual constipation follows. In using Dr. Hamilton's Pills you are secure of relief without having taken medicine. Although very mild, Dr. Hamilton's Pills regulate the bowels, stimulate the normal action of the glands, and are a relief to the nervous system, and a relief to the stomach, liver and kidneys. For a safe family pill rely on Dr. Hamilton's Pills per box at all dealers.

Gained Both in Strength and Weight
Another case that proves the merit of

Ferrozone.
"I was in poor health nearly all last winter," writes Mrs. Grace of West Cap. "My appetite was variable, I was weak and unfit for work. I suffered a good deal from nervous prostration and indigestion of the food. My digestion was greatly out of order. My weight was 110 lbs. I had lost flesh, color and had a bad cough. The doctor didn't help me very much, and I decided to try Ferrozone. It did me ever so much good in one week. I gained strength, looked and felt a lot better. When I had used six boxes of Ferrozone I felt myself and found a gain of fifteen pounds. Ferrozone rebuilt my constitution, and made me a new woman. I consider Ferrozone worth its weight in gold to every weak woman. It cures quickly and saves big doctors' bills."

No note is certain, so helpful, so safe, try Ferrozone your self—30c per box at all dealers.

Notice To DEBTORS

We have just sent out our monthly accounts and respectfully request a prompt settlement of same.
To the great majority of those having accounts with us this notice is sufficient, but there is another class to whom we refer principally, viz: those having accounts overdue for the past year or more, and who neglect to make any provision to meet them.
All such accounts, if not settled on or before the 10th day of December, will be sued for. This to be regarded as a final notice. We would strongly advise a prompt settlement in order to avoid law expenses.
