Birthday Of An Octogenarian

An event out of the ordinary took place at Gowan Brae on the 20th and 21st when Mr. James Howlett of that place celebrated his 81st birthday.

It must indeed have been a pleasure to him to have with him all his children in the persons of Mrs. Nellie Carroll and J. Augustus of Boston who with their niece Miss Anna May Howlett arrived home in time for the occasion. William who presides with him, Chabun who lives on part of the homestead and Mrs. James Mulhally of Souris River, the only thing to mar the pleasure of the venerable old man was that there was one vacant chair, but his devoted wife who died some fifteen years ago.

On the evening of the 21st his children in order to still further show their devotion held a great party at which were very many invited guests. Music and musicians were there in plenty and both young and old enjoyed themselves immensely by tripping the light fantastic till the "wee sma' " hours of morning.

A sumptuous supper gotten up in Mrs. William Howlett's best style was served and all returned to their home pleased not only with the entertainment but from the fact that they have in their midst an octogenarian who, all hope, may live to see the century mark.

JUDGING AT PROV. EXHIBITION

The judges at the Provincial Exhibition yesterday had a busy time of it. The high quality of the cattle, hogs, etc., makes the judging more or less trying; nevertheless the work in hand is going along smoothly and will be continued today, beginning at 9 o'clock sharp.

The funeral of the late Mr. Charles W. D. Livingstone will take place this afternoon from his late residence, 25 Kent Street, under the auspices of the I. O. O. F., services starting at 2.30. Rev. M. W. Ryan officiating. Interment Peoples Cemetery.

RETURNS FROM N. B. FAIRS

Among those returning home on Tuesday from the St. John and Fredericton Exhibitions was Mr. Reginald Parkman, Charlottetown. Mr. Parkman won second prize for a matched span of roadsters at both these Exhibitions—the first time these horses were ever exhibited. They are sired by Colorado, L.

CARS COLLIDE

The first automobile casualty of Exhibition week occurred yesterday afternoon about half past four, when a Star sedan owned by Mr. Ben Acorn and a Ford coupe owned by Mr. Roland Paton, collided at the corner of Fitzroy and Edward Streets. It is alleged that the Ford was coming along Edward street from Longworth Avenue and struck the other car as it was going down Fitzroy towards the Exhibition grounds. The Star was driven over the curb and quickly scattered the passing pedestrians. One of its wheels was completely wrecked, while a fender on the Ford was crushed and one of its tires burst. Neither of the drivers were hurt.

THE REGULAR MEETING

of the affiliated I. O. F. Courts, Brighton, Avondale and Mount Stephen, was held on Monday night in the Orange Hall, Richmond Street. A number of applications for membership were presented and adopted. A pleasing incident of the meeting was the presentation of a Veteran Forester jewel to the highly respected brother, Edmund Tombs, who has faithfully served Court Avondale as Financial Secretary for over thirty years. After business was concluded a very pleasant social time was spent, enlivened by solos excellently rendered by Bro. G. J. Taylor, of Court Mount Stephen, and Bro. Philipson of Court Lennox. Before closing, ice cream and cake were passed around and so ended a very pleasant and profitable evening.

THE EXHIBITION

—Boat and trains last evening brought hundreds of additional visitors from all over the Maritime Provinces and parts of the United States for the annual Exhibition which is now in full swing. The leading hotels and other housing establishments are taxed to their capacity, and by this time tomorrow evening Charlottetown will have taken on a mid-summer tourist appearance. Then too with the help of a strong wind and lots of sunshine the farmers will have gotten the greater part of their grain in, and naturally they will "hitch up" or fill their tanks and radiators and make tracks for the Big Fair. The latest weather report says higher temperature and fair therefore with "King Sol" working at top speed, today's festivities should be enjoyed to the utmost and record-breaking attendance should grace the stands, bleachers and buildings at the Exhibition Grounds.
