

Guard Against "Flu" With Musterole

Influenza, Grippe and Pneumonia usually start with a cold. The moment you get those warning aches, get busy with good old Musterole.

Musterole is a counter-irritant that relieves congestion (which is what a cold really is) and stimulates circulation. It has all the good qualities of the old-fashioned mustard plaster without the blister.

Just rub it on with your finger-tips. First you will feel a warm tingle as the healing ointment penetrates the pores, then a soothing, cooling sensation and quick relief.

Have Musterole handy for emergency use. It may prevent serious illness. 40c and 75c, at all druggists.

OUR HOLIDAY SPECIAL

The Play broke Records in New York and London.

The Picture is Breaking Records everywhere.

William DeMille's GREATEST PRODUCTION "GRUMPY"

With Theodore Roberts in an ideal role and May McAvoy as the apple of his eye. Conrad Nagle as her dashing lover.

THEY ALL THINK HE'S JUST AN OLD GROUCH TILL a \$400.00 diamond vanished into thin air, and scandal hangs over a pair of young lovers. Then crabby, lovable, keen old Grumpy flashed out like a sky-rocket. And how things do hum. You'll see Theodore Roberts in his greatest, funniest role. You'll see the most famous of all mystery romances splendidly pictured.

NURSES GRADUATE.—The following clipping will be of special interest here as Miss Campbell, one of the graduates, is a grand daughter of Mr. J. L. Thomson of this city. One of the most interesting events of the season took place on Tuesday evening in the Lyceum Theatre, Sydney, when the Graduating Exercises of the City Hospital Student Class took place before a full house. On the platform was Mayor McConnell together with the Nursing staff of graduate nurses from the hospital, most prominent among whom was the Matron, Miss Calder, also members of the Medical Association, of the Hospital Board and of the Ladies Auxiliary. The presentation of diplomas and pins to the nurses by the Mayor took place, in the following order, Miss Catherine MacDonald, Miss Annie Martin, Miss McRitchie, Miss Isabel McKinnon and Miss Janie Campbell, Miss Calder as Matron presented Miss Martin with a gold medal for the highest aggregate in her class. Miss Isabel McKinnon received the gold medal presented by the Local Nurses Association for the second highest aggregate, presentation being made by Mrs. Geo. Ross, president of the Association. Miss Campbell won the gold medal presented for general proficiency, which was donated by the Ladies Auxiliary. This presentation was made by Mrs. Rowlings, President of the Auxiliary.

RHEUMATISM
Minard's penetrates to the root of the trouble and eases pain. The universal remedy.

EFFECTIVE ADVERTISING.

The Sailor, the official organ of the Navy League of Canada, in its April issue publish an excellent photograph of "Catboats Racing in Charlottetown Harbor on Christmas Day." As The Sailor has a very large circulation all over Canada this pretty little photograph will be seen and admired by thousands many of whom have an idea that Prince Edward Island winters have a good deal of the North Pole about them. This will disillusion them.

THE REFRESHMENT TABLE WILL ABOUND WITH CAKES, JELLIES, PASTRY AND FANCY COOKING AT ST. JAMES TEA NEXT THURSDAY. THE TEA TABLE EXCELS ALL FORMER AFFAIRS.
