

OF VITAL INTEREST TO EVERY CITIZEN.

MR. C. D. TAYLOR. CLERK BOARD OF HEALTH SAYS PE-RU-NA HAS BECOME THE FAMILY MEDICINE OF THE WORKING PEOPLE IN HIS CITY.

Mr. C. D. Taylor has been Clerk of the City Board of Health, Jacksonville, Fla., for ten years, which position has afforded him ample opportunity for noting the best means of preventing and curing disease.

He expresses his approval of the use of Peru-na as the most effective means of solving a problem of such vital interest to the community in the following letter:

"The health of the poor of a large city is always a question of vital interest, not only to the city officials but to every citizen. It has been a source of much satisfaction to me to find that so large a number of working people in moderate circumstances have accepted Peru-na as their family medicine. It has cured a large number of cases especially of catarrh of the head, lungs and stomach and building up the general health it cannot fail but prove a help and blessing to any community where it is generally adopted and used. I have found it an honest, reliable remedy and am pleased to endorse it."

C. D. Taylor, Address Dr. S. B. Hartman, President of The Hartman Sanitarium, Columbus, Ohio.

A very pleasant time was spent in games, music etc, after which the guests repaired to their respective homes well pleased with their evening's entertainment and after ample justice had been done to the good things provided and a hearty vote of thanks to the genial host and hostess was presented.

THE VALUE OF CHARCOAL

Few People Know How Useful it is in Preserving Health and Beauty.

Nearly everybody knows that charcoal is the safest and most efficient disinfectant and purifier in nature, but few realize its value when taken into the human system for the same cleansing purpose. Charcoal is a remedy that the more you take of it the better; it is not a drug at all, but simply absorbs the gases and impurities always present in the stomach and intestines and carries them out of the system. Charcoal sweetens the breath after smoking, drinking or after eating onions and other odorous vegetables. Charcoal effectively cleans and improves the complexion, it whitens the teeth and further acts as a natural and eminently safe cathartic. It absorbs the injurious gases which collect in the stomach and bowels; it disinfects the mouth and throat from the poison of cararrh. All druggists sell charcoal in one form or another, but probably the best charcoal and the most for the money is in Stuart's Charcoal Lozenges; they are composed of the finest powdered Willow charcoal, and other harmless antiseptics in tablet form or rather in the form of large pleasant tasting lozenges, the charcoal being mixed with honey. The daily use of these lozenges will soon tell in a much improved condition of the general health, better complexion, sweeter and breath purer blood, and the beauty of it, that no possible harm can result from their continued use, but on the contrary, great benefit. A Buffalo physician in speaking of the benefits of charcoal says: "I advise Stuart's Charcoal Lozenges to all patients suffering from gas in stomach and bowels, and to clear the complexion and purify breath, mouth and throat; I also believe the liver is greatly benefitted by the daily use of them; they cost but twenty-five cents a box at drugstores, and although in some sense a patent preparation, yet I believe I get more and better charcoal in Stuart's Charcoal Lozenges than in any of the ordinary charcoal tablets."

PROWSE BROS AT THE EXHIBITION

The large display of Prowse Bros at the Provincial Exhibition is deserving more than the passing notice that was given it during the rush of the Exhibition. The booth near the centre of the building was one of the most elaborate seen here for some time. In furs the most elaborate and up-to-date high class goods were shown. They included stoles in sable, mink, Persian lamb, grey squirrel, white fox, Ohio sable, stone marten, electric seal, with motifs to match in pillow shapes and round. The firm also showed ruffs in all the above effects, also with motifs to match. In ladies' fur coats were displayed the near seal with mink and Alaska sable collars and cuffs; Persian lambs with mink collars and cuffs and with Alaska Sable collars and cuffs as well as grey lamb coats. The ladies' fur lined cloaks in grey squirrel and hamper linings made a specially attractive feature. To show the excellent material of these furs the pelts of all these different varieties were displayed. This exhibit which is undoubtedly among the most beautiful ever shown here will be placed in the Queen Street window of the store tonight and should be seen by all ladies. Anyone calling will also receive a beautifully illustrated catalog of these goods. Supplementary to the fur display at the Exhibition, Prowse Bros. also showed a large line of the most attractive patterns in Ready-to-Wear Clothing. The most fashionable patterns were in evidence and evoked much favorable comment. Throughout the exhibit was a particularly high class one upon which the firm are to be congratulated. —Any good boy, well recommended, can obtain permanent employment. HE FEELS AS YOUNG AS EVER

Mr. Chester Loomis Took Dodd's Kidney Pills.

And from a Used up Man he Became as Smart as a Boy.

Mr. Chester Loomis, an old and respected farmer living in this section, is spreading broadcast the good news that Dodd's Kidney Pills are a sure cure for the Lame Back and Kidney Disease so common among old people. Mr. Loomis says: "I am 76 years of age and smart and active as a boy and I give Dodd's Kidney Pills all the credit for it. "Before I started to use Dodd's Kidney Pills I was so used up I could hardly ride in a buggy and I could not do any work of any kind. Everybody thought I would not live long. Dodd's Kidney Pills are a wonderful remedy." The Kidneys of the young may be wrong but the Kidneys of the old must be wrong. Dodd's Kidney Pills make all wrong Kidneys right. That is why they are the old folks greatest friend.
