people, and is producing excellent results in fitting the rising generation for the intelligent discharge of their duties as good citizens and useful members of society.

The temperance cause also found in you an able and untiring advocate, and the notable advance observable in the public opinion of this province in regard to this important reform cannot but afford you deep satisfaction. But we must leave the mention of these matters to others, and content ourselves with brief expressions of congratulation and greeting.

To Mrs. Murray and the other members of your family of whom we have so many pleasant and kindly memories as well as to you, Sir, we extend a most cordial welcome and we sincerely hope that their present visit to the place that was for so many years their home will afford to them very much pleasure.

In conclusion our earnest prayer is that you may long be spared to labor for the Master, that Heaven's choicest gifts may descend on you and all the members of your family, and that when for all of us earth's work is done we may meet an unbroken gathering in the Father's house above.

Old Remedies Kick The Beam

In three marked ways do Hutch Tablets, for dyspepsia and stomach trouble, evidence their superiority to old-fashioned drugging methods—their efficiency, agreeableness and convenience. These three combined—each dependent on and each assisting the other—serve to make Hutch a sterling treatment. If you don't know about Hutch, ask your neighbor, ask your clergyman, ask your physician, ask your druggist.

Overheated blood comes from stomach disorders—too much acidity, too much fermentation. Take Hutch and get relief from hives, prickly heat, nettle rash, sour stomach, etc. Hutch is beneficial alike for the baby or the dear old grandfather.

Ten Hutch ten cents, all druggists, or by mail from THE WOODWARD MEDICINE CO., Limited, 11 Colborne Street, Toronto.
