The wrecked train was a special carrying the Al G. Barnes Circus from Newcastle to Charlottetown, and with one exception, all the dead and injured were employees of the circus.

MURDER AND SUICIDE MONCTON SATURDAY

Mrs. Etta Fitzsimmons, Widow, Shot And Killed By Newton Wilbur, Who Then Suicides After Seriously Wounding Another Woman.

(Canadian Press)
MONCTON, N. B., July 20—Mrs. Etta Fitzsimmons, 60, widow, and Newton Wilbur, 38, are dead, Mrs. Dolly Nester, 35, daughter of Mrs. Fitzsimmons, is in the hospital suffering from bullet wounds as a result of a shooting affray staged by Wilbur at the home of Mrs. Nester here Saturday night.

Murder Planned
The murder and suicide was deliberately planned by Wilbur, according to information gained by the police. Mrs. Nester, who formerly lived in the United States, near Boston, had of late been housekeeper for Wilbur, but the pair quarrelled and Mrs. Nester left the Wilbur home. Wilbur relented and Saturday night went to the home of Mrs. Nester on Steadman St., and tried to induce her to return to his home. Mrs. Nester's mother was with her daughter at the time. Wilbur, it appears talked with Mrs. Nester some twenty minutes and falling in his mission he pulled a revolver and began shooting. Mrs. Fitzsimmons fell dead with a bullet through the breast, and two shots were fired at Mrs. Nester, one striking her in the side of the face and the other in the wrist. Another woman in the house and two children, a nephew and niece of Mrs. Nester, fled from the house and gave the alarm.

Suicided
Following the shooting of Mrs. Fitzsimmons and Mrs. Nester, Wilbur rushed out into the yard and put a bullet through his brain. Late tonight information from the hospital was that Mrs. Nester would recover. An inquest will be held.

Conservatives Are Confident Of Great Victory

(Special to the GGuardian)
OTTAWA, Ont., July 20—Why are the Conservatives so confident of victory? There can be no doubt of the extreme confidence in Conservative circles in the Capital, which is a national clearing house for political information. Not only do the Conservatives here believe the Government will be defeated, but that they will have a working majority over a combination of the other parties.

It is pointed out that when Parliament dissolved in 1925 there were only 51 Conservatives in the House and following the election there were 116, an increase of 65. When the last Parliament dissolved there were 90 Conservatives and fifty per cent of the gain of 1925 would give them in the next Parliament half its receipts. That they will make even greater gains they do not doubt, as it is claimed they have in this campaign an organization greater than their opponents and much better than they themselves had in 1928.

It is also felt that business conditions throughout Canada are more favorable to the Government than in

Jury Say "Not Guilty" To Charge On Chester Anti, Accused Of Murdering Antonio Roderiques Boatswain Of Winding Gulf.

A verdict of not guilty was brought in by the jury yesterday morning at Georgetown in the case of Chester Anti, charged with the murder of Antonio Roderiques. The verdict was brought down at 10 o'clock to which time the court had been adjourned at midnight on Saturday night when the foreman declared that the jury were unable to agree. Anti was at once set at liberty. The charge is to be withdrawn against Fritz Posselt, also charged with murder, this morning.

Anti, after he heard the finding of the jury expressed great delight and shook hands with each of the jurymen.

On Saturday night a dramatic scene was enacted by the dim light of three flickering kerosene lamps which lit up a small area around the judge's bench. Shortly before midnight the jury, for the second time, filed in and took their places, followed a few moments later by the Chief Justice. The face of Chester Anti in the docket was blanched deathly white, and twitched from time to time in the agony of suspense, his eyes cast-
