THE CATHOLIC COLLEGIAN CLUB.—The Catholic Collegian Club, which is affiliated to the C. W. L. is an active unit in the community and college life this year. It has a membership of 75, all of whom are participants in its several activities. The semi-monthly meetings were well attended and some interesting features were presented by the efficient officers to make the meetings interesting. The extempore debates held throughout the term were very instructive and beneficial to all. The president, Charles Praught, U. C. C.; Secretary, Elmer Roberts, P. W. C.; Treasurer, Albert McCordie, P. W. C., together with Miss Mary Leightner, Vice-President, who marshalled the feminine forces, are to be highly congratulated on their work in the Club. Nor was the social side lacking. Every three weeks a Saturday night social was given to the members of the club and their friends. These Socials were a most enjoyable function and proved to be a decided success. The last social was held on May 22nd. There was a large attendance and the students being free from their studies by participating in the features of the night. The Chairwomen, Mrs. W. J. McIntyre and Mrs. McKearney together with Mrs. Frank MacGuigan who presided at the piano deserve the heartiest congratulations for their interest and good work in this club throughout the year.

MAGNHILD O. K.—Referring to a shipment of cattle which the steamer Magnhild operated by Newfoundland-Canada Traders, Ltd., Halifax, took from Charlottetown to St. John's, J. Carter, chief agent S. P. O. A. at the Newfoundland capital, reported as follows to the government: "I attended to the landing of fifty-seven head of cattle from the steamer Magnhild. This was that steamer's first trip with cattle, and to my judgment she is one of the best fitted out for that purpose. The cattle were all landed in a box and were in perfect condition. All were watered and fed before they were taken away."—Halifax Herald.

S. S. HOCHELAGA.—The New Glasgow news is bound to give the season to Charlottetown Wednesday in record time. The Hochelaga has been completely overhauled and renovated for the season's work and is looking spick and span. The season of the "Hochelaga" will run on a new schedule. She will leave Pictou every morning (Sunday's excepted) for Charlottetown and will leave Charlottetown about 8 p. m. in the evening. This will enable the people of Eastern Nova Scotia to make the return trip to Charlottetown the same day—thus affording a delightful day's outing. Captain Travis will be in command and Mr. J. Harris is the Purser. Capt. Travis is an experienced and competent sea captain, while Mr. Harris is well and favorably known, having been Purser on this boat during the past two seasons. The fact that the Hochelaga will leave Pictou in the mornings will be of special interest to shipowners as well as passengers, both to and from the land. A trip to Charlottetown makes one of the most delightful outings imaginable and the fact that passengers from this locality can go over in the morning, spend a day in Charlottetown and return in the evening is bound to prove a great boon to the general public.

Freetown And Vicinity

This is the time of year to get the road work done, the split log drag should be in use every day. Mr. Fred Taylor and Frank Deacon have been on the job in this respect and practically all the roads through this district have been dragged. It is a crying shame how some Road Masters neglect the roads and do not touch them in any way until mid summer. There is no more economical way of keeping the roads in repair than by dragging. This dragging can be done best by the farmers in their own districts.

By half past nine the house was filled to its utmost capacity. Mr. Dan Bernard was appointed chairman and in a few

well chosen remarks, stated their object of gathering together, he then called on Mr. Scott Cairns who read a well prepared address. Mrs. Russell MacCarville presented Mrs. Malone and Vernon with a lovely Club bag each. Vernon in his usual cheery manner, thanked the people for their kindness. Luncheon was then served by the ladies, which was much enjoyed by all. The rest of the evening was spent in music and dancing, until the wee small hours of the morning.
