At a meeting of the stove manufacturers of the Maritime Provinces held in Moncton recently at which every stove foundry was represented it was decided that in view of the greatly increased cost of iron and other raw materials it would be necessary to advance the prices of stoves not less than ten per cent at an early date.

Mr. IVEY T. WARREN, lately manager of Messrs. Barclay & Turner's drugstore, at O'Leary, has been been engaged head clerk at Watson's drugstore, where he will enter upon his duties in a few days. Mr. Warren's many friends will no doubt be glad to welcome him back at the old place, where they may be certain of receiving the attention and courteous treatment which have made our young friend so deservedly popular.

A VERY pleasant and quiet wedding took place a few days ago at the home of Mr. Nath. Peardon, Winsloe. The contracting parties were R. A. Bagnell, Esq., Hunter River, and Miss Hannah J. Darke, Winsloe, and formerly of Regina, N. W. T. The ceremony was performed in the presence of a few friends by Rev. A. D. McLeod. The bride was most becomingly attired and supported by Miss L. Jane McKinnon, Milton, while the groom was supported by Mr. Ernest L. Henry, Winsloe. Mr. Bagnell is one of the best farmers of Hunter River—a man most highly respected by reason of his many excellent qualities. The bride is widely known and greatly beloved. NEW GLASGOW NOTES.—We have been enjoying several treats in the literary line throughout the winter the fruit of which will no doubt be reaped later. The Literary and Social Society, and kindred institutions have acted as a stimulus to both old and young of this place to apply their talents to a higher purpose in future.—The Farmers' Club hold very interesting Monday night meetings, at which the most important matters in connection with farming have been ably discussed. The meetings are free and farmers who do not attend are missing much valuable information. The directors of the cheese factory are doing their utmost to make this industry even more successful the coming season than ever it has been in the past. The Young Men's Literary and Social Society threw open their doors on Friday eve the 16th. After R. W. Stevenson sang, On 'The Banks of the Wabash, in his usual excellent style the president, Dr. J. C. Houston, gave a very interesting address on tuberculosis. He dealt chiefly with the cause and prevention of the disease. On motion of Mr. Geo. Smith, seconded by C. A. Stevenson, a vote of thanks was tendered Dr. Houston.—Last Friday night the Band of Loyal Crusaders gave a concert before a crowded house. Much praise is due the teachers, Mr. John A. Stewart and Miss Fannie Brown, also the organist, Miss Jennie Stevenson for the great pains they exercised in training the youths, who acquitted themselves in a highly creditable manner.—The great event of the season has still to come. People from far and near look forward to the 3rd of April for a grand entertainment and demonstration in connection with the anniversary of New Glasgow Division.

ORWELL NOTES.—The residence of Mr. John J. McLeod, of Uigg, was entered a few nights ago, by some person or persons unknown. An entrance was gained by the cellar and a ladder placed to one of the windows. Their presence was discovered by Mr. J. J. THE P. W. C. Students held their Concert in aid of the Y. M. C. A. last evening. This commendable enterprise has now come to be an annual affair and is eagerly watched for by the public. The programme included four choruses by the Glee Club, led by Mr. Cecil McNeil; excellent readings by Miss Rattray and little Hilda Sentner; vocal solo by Miss Fritcham; instrumental number by Messrs E. Hill and Grant; and a splendid chorus with banjo accompaniment. Perhaps the Spelling Bee between Town and Country was the feature of general interest. Judge Fitzgerald was chosen referee. For the Country Mr. Alex McLeod of Uigg did splendid service, while Miss Bruce of Summerside and Ross Bethune of this city held up the banner for the Town. The Bee resulted in a tie. The young ladies of the College at intermission disposed of home-made candy and ice-cream. The students and all connected with the concert are to be congratulated on its success. About \$100 was realized.

The Wall Papers Are Ready.

Each year as spring came round we've thought—"well—we can never beat this Wall Paper display anyway."

Then every succeeding Spring we did beat it.

This spring we've beaten our previous records so badly that they should feel small.

Yes we're proud of this Wall Paper department.

Bright, fresh, new Wall Papers, in charming designs—at such trifling prices.

And such an enormous range we have. We venture to say—without any fear of contradiction—that not a half dozen of towns of this size—in Canada—can produce such a range as ours.

Does that seem a bold claim? It's so
