THE PROVINCIAL GUARDIAN

Offices in New Prowse Block Charlottetown.

C. E. PRATT, St. Peters is in the city. WATCH The Guardian's classified columns grow.

A RIGHT way and a wrong way to do things. The right way is the Want Ad way of The Guardian. It's the way that successful people take. Better try it.

A. ALEXANDER MACLEOD, the famous portrait artist of New York, formerly of Belfast, has just completed a \$15,000 portrait for his employer, Col. Marceau.

The Guardian's Mill View correspondent writes:—The spring birds are around once more. Seaforth Brown has returned from a business trip to the city.—The many friends of Mrs. C. A. Acorn will be glad to know that she is recovering after undergoing an operation in the P. E. I. Hospital.

GEORGE GELBERT, of Morell, who is laid up with rheumatism and unable to move around, wishes through The Guardian to acknowledge the kindness of the Oddfellows of Summerside who generously donated him a sum of money which afforded him much relief, and was greatly appreciated.

OSWALD WELSH, whose graduation from the Charlottetown Business College the Guardian chronicles in this issue, leaves this morning for Arnprior, Ont., where he will take a position in the Bank of Nova Scotia. Last evening he was presented with an address by the students of the C. B. C., in which expression was given to the high appreciation in which he is held by his classmates.

On March 20th 1906, at the residence of her son-in-law Murdoch R. McLeod, Murray Harbor Road, Mary McDonald, widow of the late Donald McBeath, of Forest Hill, died, aged eighty four years. On Wednesday the 28th her remains were laid to rest in the cemetery at Dundas, beside those of her husband and daughter and close by the church where she worshipped for nearly forty years. She was a consistent Christian woman and died as she lived trusting in the merits of a crucified Saviour and a glorious resurrection beyond the grave.

At an examination concluded on Friday last at the Charlottetown Business College, the following students passed highly satisfactory examinations and were granted the college diploma:—Oswald Welsh, City, Misses Lena Wedge and Lottie McEwen, Summerside; Thomas McCloskey, city; Miss Louise Frost, city, and Miss Edith Wightman, Lower Montague.—The names as given are not necessarily in the order of merit, but all have been successful in making most creditable averages, and have done splendid work during the term.

VICTORIA DIVISION of the Sons of Temperance held a large session last night, and among other business made excellent arrangements for a Library Contest which will open next Monday week. Among the distinguished visitors present last evening were P. G. W. Patriarch Hodgson, Capt Anderson and Capt. Blakeney. The Guardian's correspondent from the East writes:—Our sports are waiting in vain for the wild geese; but few have yet put in an appearance and they have steadily avoided the old feeding grounds.

It looks as if the incessant persecution of this magnificent bird will end in its destruction like too many of our fish and fowl. If our legislators and game clubs would totally prohibit its shooting in the spring when on its way to the nesting grounds of the solitary and untrodden north it would be a move in the right direction.—Angus G. Campbell, Priest Pond is slowly recovering but his wife, formerly Miss Annie McInnis died on the morning of the 3rd ult.—On the evening of the third inst James McLean of North River passed away. Two sons and a widow are left to mourn. His brother William is slowly improving.—John Lund is moving a building for Fred McLean.—James McCormack was distributing the bounty to our fishermen on the 4th.

HERE IS A CURE FOR Sleeplessness

Weak, Listless, Sleepless Men and Women Cured Every Day by Dr. Hamilton's Pills.

The physical suffering and mental anguish that victims of sleeplessness endure is indeed a sad story. But in Dr. Hamilton's Pills there is swift relief from this awful condition. Thousands have proved the merit of this great medicine, among them Mrs. G. T. Lyons, one of the best known residents of Geneva, who writes: "My health ran down and I was unable to sleep. I had headache and pains in different parts of my body. In the morning I was weary and exhausted—no rest or comfort came from the snatches of sleep I got."

"Dr. Hamilton's Pills braced me at once. After the first night I got refreshing sleep, the extreme weariness left me and I recovered very fast. No medicine I ever used gave such telling results as Dr. Hamilton's Mandrake and Butterbur Pills."

Don't let sleeplessness drive you crazy; take Dr. Hamilton's Pills and get well. You will increase in flesh your appetite will be vigorous, force and energy will be instilled into your nervous system. By nourishing and purifying the blood and by stimulating the action of the kidney, liver and stomach, Dr. Hamilton's Pills accomplish wonders. Try a box, or five boxes for \$1, at all dealers, or N. How Much For Your Eyes?

Would you voluntarily consent at any price to dispose of your eye sight?

I think not, and yet perhaps you are one of those who, by neglect, are irremediably losing at least a portion of their eyesight.

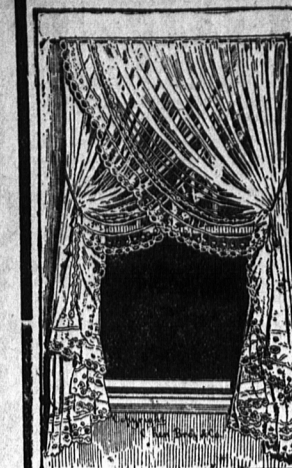

If your eyes need help, the most likely way to assist them is by wearing glasses, properly fitted.

My business is to properly fit glasses. This I do as cheaply as is consistent with good work.
